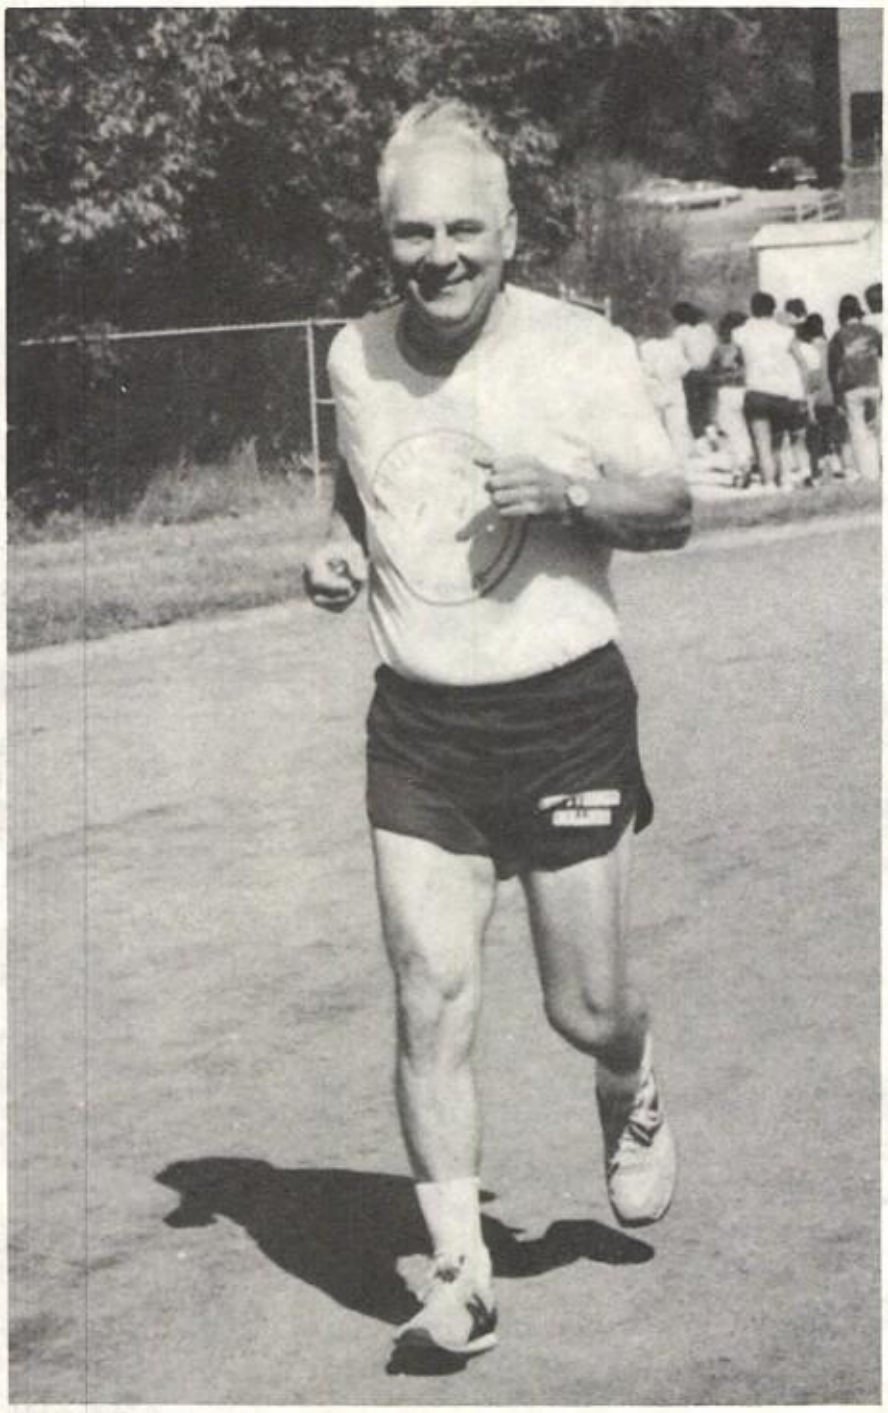
DEDICATION
Mr. Charles M. Paglieri

1960

1985

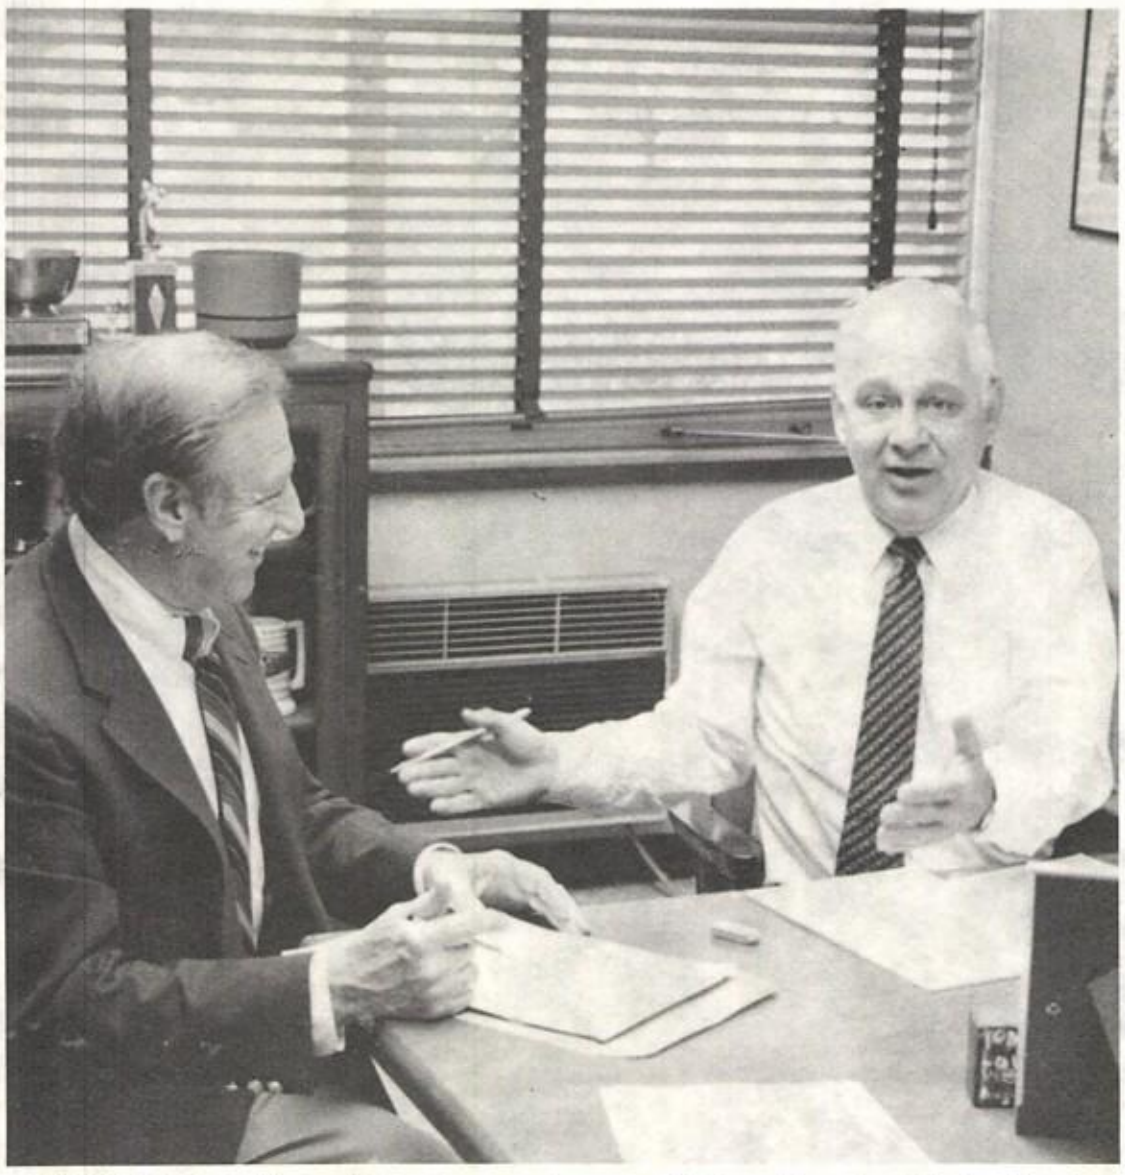
The 1985 **Milestone** is dedicated with pride, with appreciation, and with sincere thanks to Mr. Charles M. Paglieri, who has served the West Essex Regional School District since its founding. Mr. Paglieri taught all levels of mathematics until 1971-72 when he was appointed superintendent. "As superintendent I never know what each day is going to bring. It is very different from teaching but very exciting."

Mr. Paglieri's devotion, concern and pride in West Essex is evident to all who know him. For the past twenty-five years he has dedicated his time to make our school one of the best in the State. "It was nice to get in on the ground floor," remarked Mr. Paglieri. "It was fun to start a school and watch it grow with leaps and bounds." However, it was Mr. Paglieri, with his knowledge, guidance, spirit and sharp acumen, who contributed enormously to the rapid growth of West Essex. We proudly dedicate the 1985 **Milestone** to Mr. Charles Paglieri.

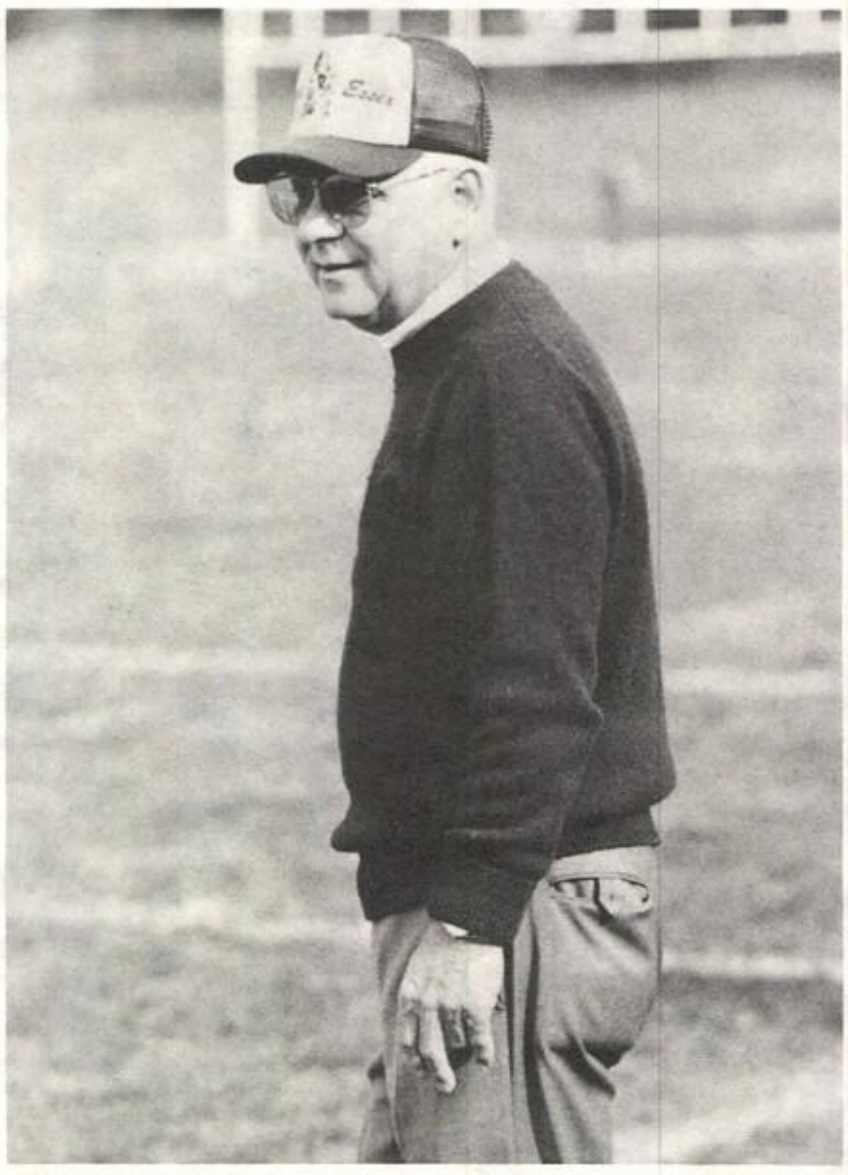


STAYING IN SHAPE: Mr. Paglieri jogs around the track.

PRISONER OF WAR: During World War II, Mr. Paglieri, then a second lieutenant and navigator, was taken prisoner of war in Romania. In this 1964 **Wire** picture, he is reunited with Princess Caradja who helped him while in the P.O.W. camp.



BUSY AT WORK: Mr. Paglieri holds a conference with Board Secretary Mr. Jay Hand.



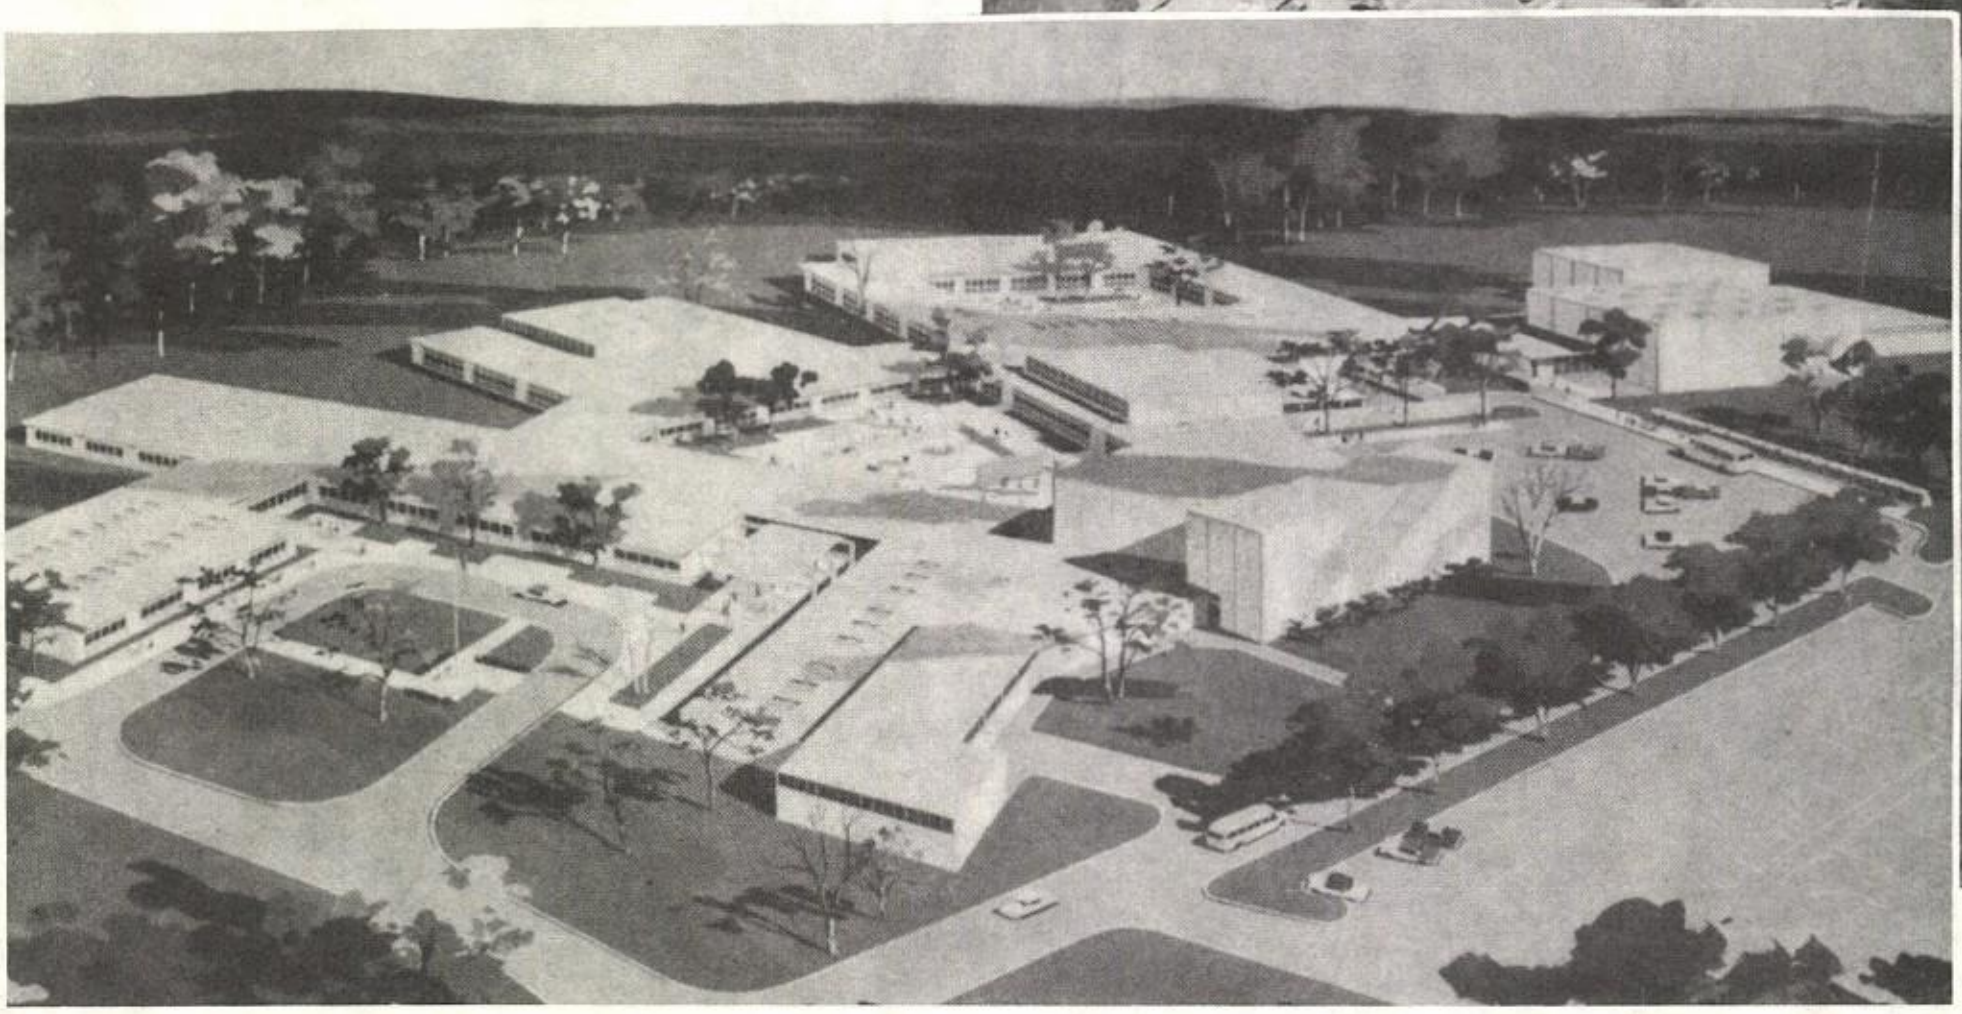
WESSEX FAN: Mr. Paglieri watches the football game from the sidelines.

Sterling through and through . . .

. . . is the only way to describe West Essex Senior High School on its silver anniversary. Anniversaries are a time for looking back, a chance for reflection on what time has wrought. In twenty-five years, the size of the student body, the size of the faculty and the number of courses offered has grown tremendously. West Essex has achieved the distinction of being one of the top high schools in New Jersey in both academics and sports. Although we are now constantly looking towards the future, cherished memories will always transcend through time.

Below: A 1960 architect's conceptual drawing of West Essex Senior High School.

Right: An aerial photograph taken in February, 1985, of both the senior and junior high schools.



HOW IT ALL BEGAN . . .

The history of West Essex Senior High School began in the fall of 1951 when students from the District — Caldwell Township (now Fairfield), Essex Fells, North Caldwell, Roseland — were accepted by Caldwell High School on a sending-receiving basis. It soon became apparent that other facilities would have to be found to serve the future educational needs of the area.

Rutgers University Extension Service, in 1956, suggested the formation of a regional school district for grades 7-12 for Caldwell Township, Essex Fells, North Caldwell, and Roseland. Subsequently in June, 1957, each of the four towns appointed two citizens to serve on a study committee with the assistance of Dr. William S. Twichell, then the Essex County Superintendent of Schools.

The study committee recommended that a referendum be held in the four towns to seek the approval of the voters concerning the formation of a regional school district. By December, 1957, the referendum was passed.

The first Regional Board of Education was elected by the voters in February, 1958, with Wallace S. Jones of Essex Fells as its first president.

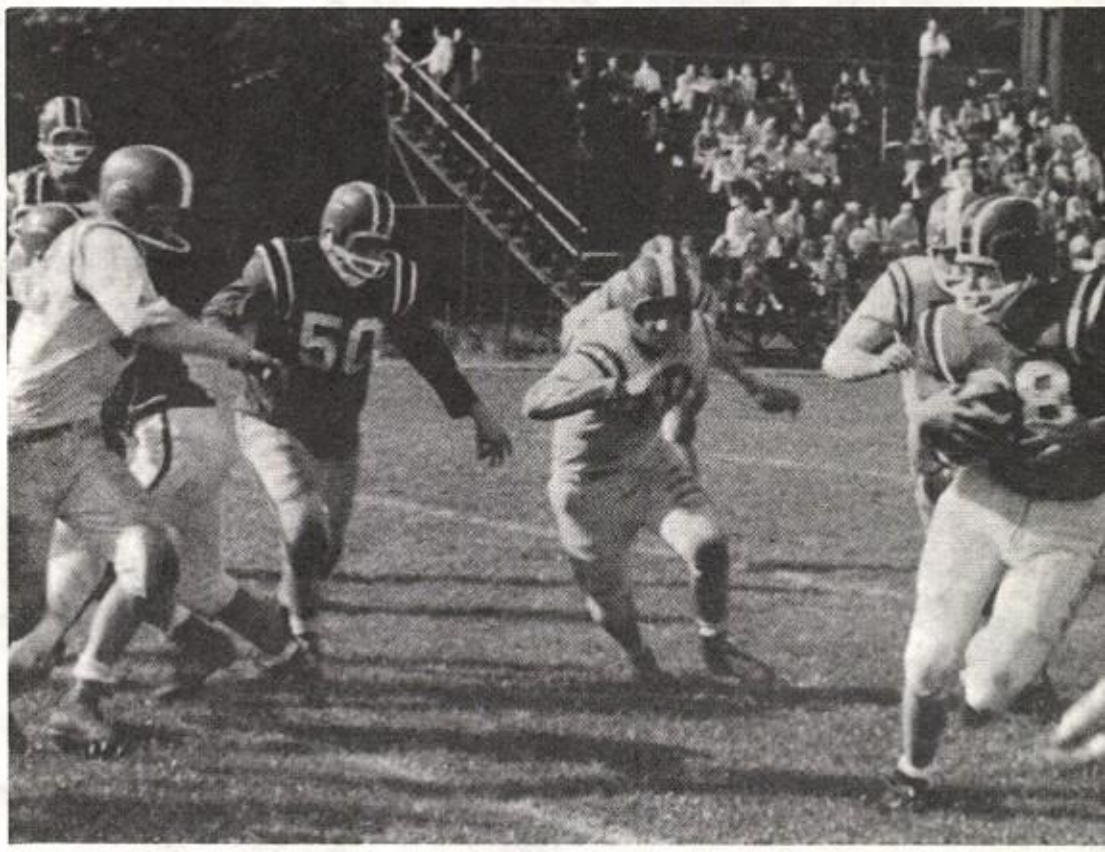
In July, 1958, voters authorized $290,000 for a 73-acre site, of which 60 acres lay in North Caldwell and 13 in Caldwell Township. At this time, the Board selected Dr. Walter D. Stille for the position of superintendent and Dr. Raymond M. Travis as assistant superintendent of schools in charge of business affairs.

The Board retained Englehardt, Englehardt, Legett, and Cornell as educational consultants and David Ludlow as architect. In addition, on December 9, 1958, voters approved a $4,495,600 bond issue to finance the building. This bond issue was paid off in full in 1984.

Throughout 1959, detailed plans were drawn up for the new school building. Much time was lost over a drawn-out disagreement as to whether the school should be heated by electricity or oil. By a 5-4 vote, later upheld in court, the Board of Education favored electricity.

It was decided at the February, 1960, election to teach the 9th, 10th and 11th graders in 29 classrooms rented from the Caldwell-West Caldwell school system for $75,000 during the 1960-61

PEP AND SPIRIT: Original Wessex cheerleaders proudly display their new uniforms.



school year. The rental was made possible by the just-completed James Caldwell High School. Also, the West Essex PTA was formed in March of 1960. Mrs. Henrietta Moran from Essex Fells was the first president.

In May, 1960, Dr. Thomas P. Marshall was employed to serve as West Essex High School's first principal. Also, at that time, Superintendent Stille received about 1,000 applications from teachers all over the country. The first Wessex faculty had 32 members, 2/3 of which were men. Of the original 32 only 4 have stayed the full twenty-five years — Mr. Robert Everett, Mr. Charles Paglieri, Mr. Oakley Roark, and Miss Corielle Vogel. The first teachers' workshop took place on August 22, 1960.

Classroom instruction at West Essex High School began on September 8, 1960. As a result of the limited facilities, seniors continued in and were graduated from the Caldwell-West Caldwell system.

There was no marching band that year due to a lack of uniforms; however, the band played at all home football games. Also, there was no orchestra because there was no violin section.

THE FIRST VICTORIOUS FOOTBALL GAME: On October 8, 1960, West Essex won its first football game 20-6, defeating Morris Hills. This year our football team ended its season with a 6-3 record.

In addition, West Essex did not have a varsity football team since there were no seniors enrolled that first year. The first pep rally at West Essex was held in the auditorium on September 29, 1960. The Bible was read, the flag was saluted, the band played "The National Anthem," and the 6-girl twirling squad performed a routine.

The West Essex Chapter of the National Honor Society was granted its charter on January 16, 1961, just four days before John F. Kennedy was sworn in as the nation's 35th president.

September 6, 1961, marked the opening of the new multi-million dollar school in North Caldwell. That second year there were 1198 students. The high school was dedicated on December 10, 1961. At the dedication, the choir sang "Bless This House" and all in attendence were given a tour of the building.

Now, twenty-five years later, we can reflect back upon those first few years at West Essex Senior High School and realize that the excellence and high quality we pride ourselves in having today, actually began over a quarter of a century ago.

THE SCHOOL EMBLEM:

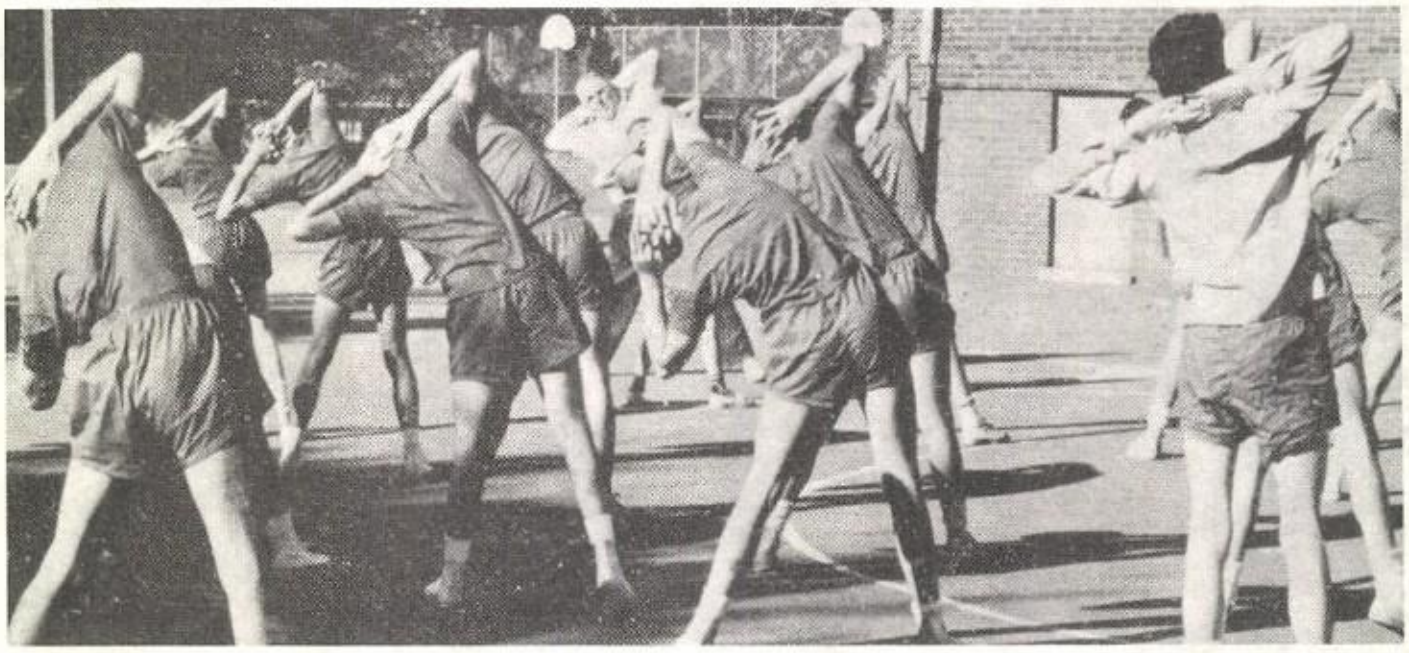
The school emblem (left) was designed by Joan Butterworth in 1960. The Knight's head representing the school symbol is the basis of the emblem. The first crossed sword symbolizes school spirit in athletics, and the second symbolizes the torch of learning. The laurel leaves symbolize truth.

EXTRA, EXTRA, READ ALL ABOUT IT! The first issue of the school newspaper, the **Wessex Wire,** was issued on September 23, 1960. This year the **Wire** began distributing 10-page issues with color double-spread instead of the traditional 4 and 8-page issues.

TIMES CHANGE . . .

- The first year, 1960-61, there were 539 students, 293 girls and 246 boys. Today, 1984-85, there are 1097 students, 533 girls and 564 boys.
- The first year there were 17 buses to transport the students to and from the four towns. Today there are 40 buses.
- The first year there were 32 faculty members. Today there are 154 faculty members.
- The first year 60 boys tried out for the football team. This year 95 boys tried out for the football team.
- The first year 16% of the high school student body made the honor roll. Today 25.5% of Wessex students make the honor roll.
- The first year there were no fines for overdue library books. Today there is a 2¢ fine for books and a 25¢ fine for reference books.
- The first year the school day was from 8:15 a.m. to 3:31 p.m. with seven 53-minute classes and one of three 27-minute lunch periods. Today the school day is from 8:00 a.m. to 2:22 p.m. with seven 44-minute periods and one of three 28-minute lunch periods.
- The first year there were 5,000 books in the school library. Today there are 13,000 books.
- The first year Scholastic Aptitude Tests (SAT) cost $4.00 to take, and the Achievement tests cost $6.00 to take. Today the SAT's cost $11.00, and the Achievement tests cost $18.00.
- The first year the junior prom cost $7.50. Today, junior prom bids cost $75.00.
- The first year the **Milestone** cost $4.00. Today the **Milestone** sells for approximately $35.00.
- The first year admission to a school dance was 25¢. Today admission is usually $3.00 stag and $5.00 per couple.
- The first year AFS sold apples to raise money. Today AFS

BROWN-BAGGING IT! In 1961-62, students had to bring their own lunch to school and eat in the classrooms with their teachers because the cafeteria was not yet completed.



IN TRAINING: Students in a 1960-61 physical education class model their gymsuits while exercising outside. One student described them by saying, "The gymsuits seem to be lumpy in all the wrong places!"

STUDENTS IN STYLE? Wessex girls sport the newest fashion styles of 1960. Knee-high socks with skirts (remember — the girls had to cover their knees!) were the hottest craze.

HOOTENANNY: No purple ruffled shirts, no tight red leather pants, no rhinestones or electric guitars — instead Wessex students sang, played, and listened to folk music! At a student talent show in 1964, several folk music bands, complete with washboard and jug, performed their music.

NO PUSHING PLEASE: Students were required in 1961-62 to sign-up for the late bus in the morning. Because there was only one late bus, the procedure was "first come, first serve."

ROMEO, OH, ROMEO: Students act out Shakespeare's **Romeo and Juliet** in 1960-61.

members sell an assortment of chocolate candy bars.

- The first year the Key Club, which is a subsidary of the Rotary Club, was composed only of boys. Today girls as well as boys are involved in the Key Club's fund-raising activities.
- The first year girl's gym classes learned the Mexican Hat dance and how to build pyramids, while the boys' gym classes played basketball and soccer. Today, gym classes are co-educational and boys and girls play volleyball, softball, soccer, etc., together.
- The first year there was one late bus servicing all four towns. Today there are 6 late buses.
- The first year all students were required to wear uniform gymsuits. Today gym classes sport an array of multi-colored sweatshirts, T-shirts, and shorts.
- The first year the **Milestone** was 96 pages, all in black and white. Today, the **Milestone** is 300 pages with 112 pages in color.
- The first year the Bible was read during homeroom everyday along with the morning announcements. Today, as a result of the 1963 Supreme Court ruling, the Bible is no longer read during homeroom.
- The first year in the new building, 1961-62, students had to eat a brown-paper bag lunch in their classroom with their teacher. Today students are able to puchase a hot lunch in either the "pink" or "blue" cafeteria.
- The first year in the new building, 1961-62, a teacher stood in the hall and blew a whistle for the change of classes. Today there are automatic bells.

. . . HOWEVER SOME THINGS ALWAYS STAY THE SAME

• On April 17, 1961, Miss Corielle Vogel's Spanish 3 class took a field trip to New York City where they visited the Hispanic Society Museum, had lunch at a typical Spanish resturant and saw the movie, Don Quixote. Today Miss Vogel's classes keep the tradition by reading Don Quixote in class.

• In May, 1961, the Student Voice sponsored a Hawaiian dance. On January 18, 1985, the senior class sponsored a Hawaiian dance.

• West Essex's Model United Nations Club represented the Burmese delegation in a conference held in April, 1961. This year the Model United Nations represented the Indian, Canadian, Bolivian, Grenadian, PLO, and Yugoslavian delegations.

• In 1960-61, French students were asked to record their voices on a tape recorder several times a year, and in June, the tapes were played back to see the improvement. This year, Miss Mariann Stagen asked her French classes to do the same exercise in order to improve their verbal skills.

• In the January 20, 1961, issue of the **Wire,** a reporter noted "that for one split second there is complete silence in the cafeteria when someone drops a tray."

• In March, 1961, students performed a series of one-act plays, one of which was "When Shakespeare's Ladies Meet". On November 15, 16, and 17, 1984, the Masquers also performed a series of one-act plays, one of which was "When Shakespeare's Ladies Meet."

• In 1962, West Essex began the practice of selecting the graduation speaker by allowing the seniors to nominate five outstanding students and then vote on the speaker. This method is still used today.

• Under the guidance of Mr. Malcolm Simpson, the National Honor Society began tutoring students in 1963. Today, the NHS tutoring program is as strong as ever.

• On October 23, 1964, the US History classes hosted a mock-presidential debate between Lyndon Johnson and Barry Goldwater. On October 30, 1984, Mr. Robert Caruso's US History AP classes hosted a mock presidential debate between Ronald Reagan and Walter Mondale. Every year the students have had a chance to vote.

• In April, 1965, Miss Roseanne Bowles began teaching her classes to type to music. Today, this method is still used to teach beginner typists.

PRACTICING POLITICS: Wessex students held their first presidential debate in 1964. Since that first debate, every four years, senior history students have hosted a debate. In the mock voting which has followed, a majority of the students, throughout the years, have tended to vote Republican.

ROAD WARRIORS: Even in 1960-61, juniors participated in a driver's education course taught by a physical education teacher.

CHEMICAL REACTION: High school students in 1960-61, as well as in 1984-85, enjoyed mixing chemicals to create fizzes, bright colors and minor explosions.

"I PLEDGE TO . . . " At the first National Honor Society Induction ceremony, the symbolic candle is lit. For twenty-five years now, the same ceremony has been performed.

KEEPIN' THE BEAT! At the first Wessex dance students danced a foxtrot.

NFL HOPEFULS! Five members of the 1960-61 football squad walk to practice. Today all athletic teams practice until at least 5:00 p.m. every day.

DID YOU KNOW:

. . . that in September, 1960, the juniors voted 115 to 29 to have a large class ring with a ruby stone.

. . . that in September, 1960, a contest was sponsored to find a name for the yearbook, newspaper, school symbol, and the student governing body. The award was a free yearbook. The winning names were as follows:

— school newspaper — WESSEX WIRE — Joe Truland '63
— school yearbook — MILESTONE — Donald Holden '64
— school symbol — KNIGHTS — Barry Hildebrand '64
— student governing body — STUDENT VOICE — Pamela Reese '62

The results of the voting were as follows:

yearbook: MILESTONE 165 votes
HORIZONS 162 votes
REFLECTIONS 102 votes

newspaper: WESSEX WIRE 199 votes
WESTERLY 91 votes
THE FRONTIERSMAN 46 votes

symbol: KNIGHTS 180 votes
WESTERNERS 131 votes
VIKINGS 118 votes

government body: STUDENT VOICE 200 votes
FORUM 168 votes
ASSEMBLY 69 votes

. . . that 35 West Essex Students were suspended from school for failing to attend December 23, 1960, the last day of school before the Christmas vacation.

. . . that in January, 1960, square-dancing was very popular in physical education classes. Most students felt it was popular because it was the only coeducational activity.

. . . that in 1961, students were required to use "rain proof" covers on their books.

. . . that in October, 1963, the Faculty Committee ruled that culottes were not appropriate for school. Neither were skirts which were not at least knee length and which rode above the girl's knees when she sat down. The committee also stated that boys' trousers were not to be extremely tight or short.

. . . that there are 26 water fountains in the high school and 58 classrooms.

. . . that October 29, 1965, was the first eight-page edition of the **Wire.**

. . . that in 1961, holding hands in the hall was considered to be uncommendable behavior.

. . . that on October 8, 1961, Miss Marguerite Beachtold, the school librarian, received a severe electrical shock when her watch-clad wrist came in contact with an exposed wire. Mrs. Charlotte MacDowell of the math-science department, using her suit jacket as insulation, pulled Miss Beachtold away to safety. She suffered wrist burns.

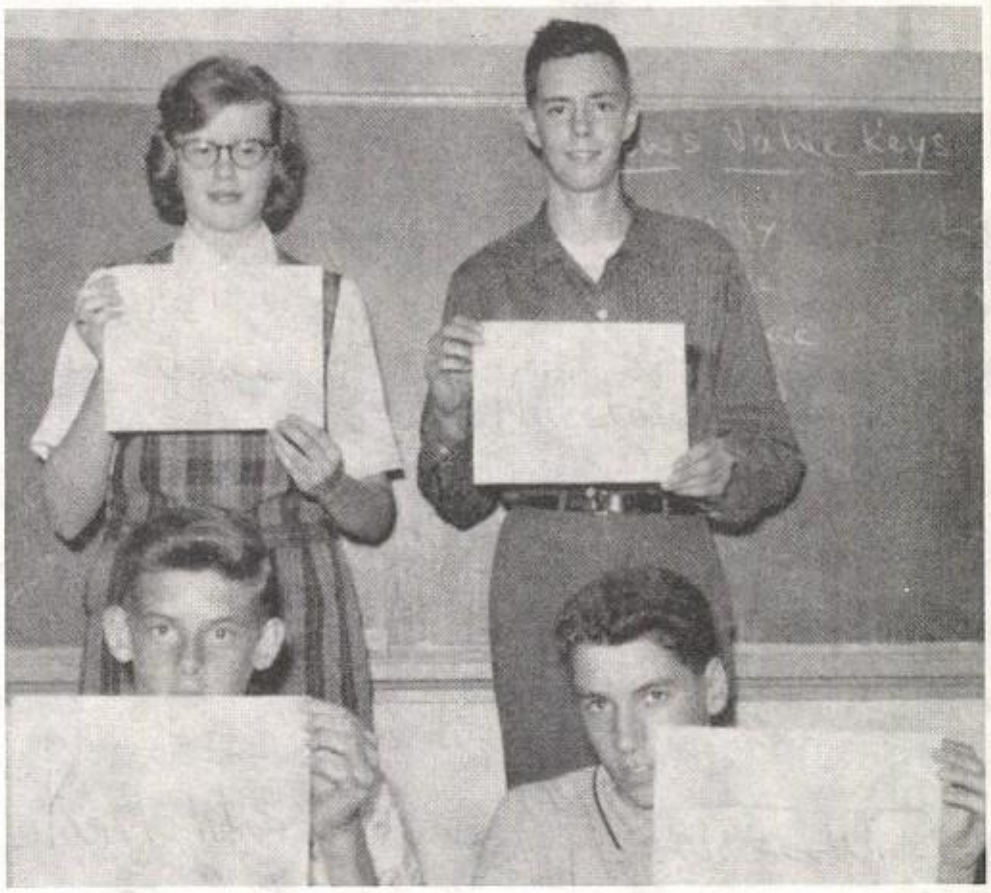
. . . that in 1961, Mr. Ralph Dougan coached soccer; Mr. Byron Harmony coached cross-country; Mr. Charles Paglieri coached golf; and Mr. Malcom Simpson coached tennis.

. . . that during the first year in the new building, flies commonly flew around the classrooms.

. . . that in 1969, before the junior high school was built, grades 7-12 were all in the same building. Therefore, West Essex had to go on a double-session program. The older students attended school in the morning, while the younger students attended in the afternoon.

. . . that the high school has 188,000 square feet of total floor space, or approximately four and a half acres.

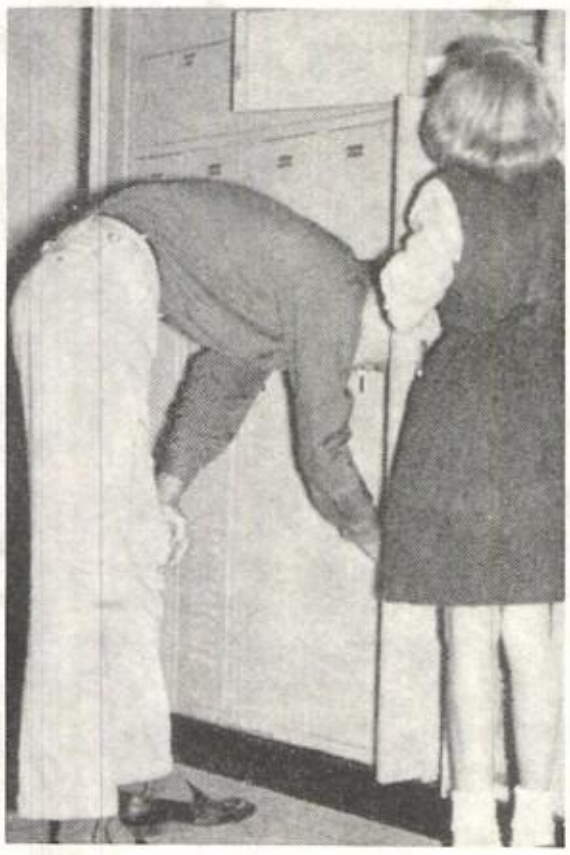
. . . that for the first few years of West Essex, boys were required to wear sport jackets to all school dances.



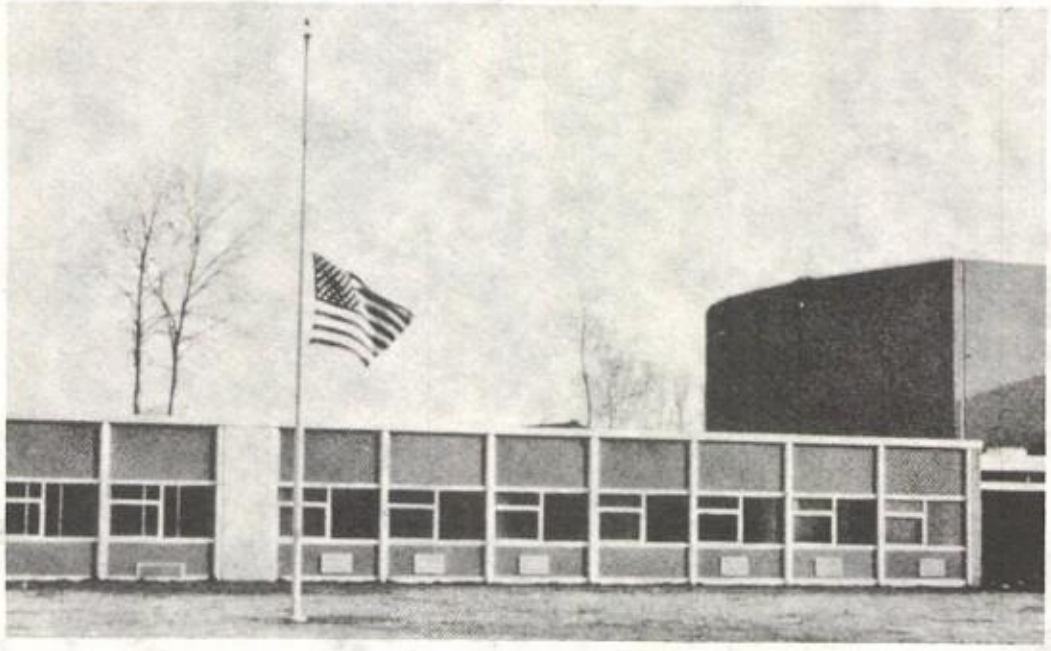
STARTING TRADITION: The four winners of the "naming" contest hold up their winning names.

LEADING THE CHEERS: Mr. Joseph LaCerva and Mr. Joseph Martino, Jr. "ham it up" in a 1963 faculty talent show.

ROLE REVERSAL: The 1960-61 cheerleaders impersonate the football players.



THE LONG AND SHORT OF IT: Wessex students experienced the same dilemma the first year as students do today — short people with high lockers and tall people with low lockers.



PRESIDENT DIES: West Essex mourns the death of President John F. Kennedy who was assinated on November 22, 1963.

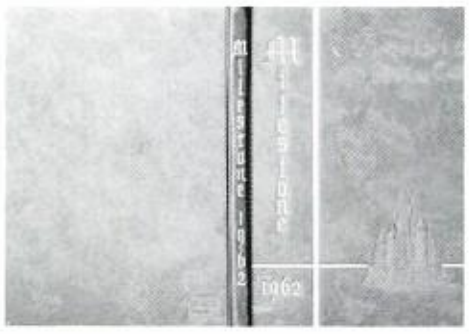
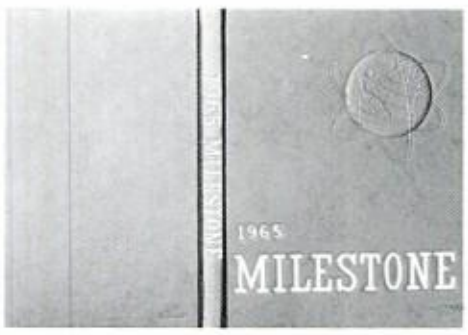
CONSTUCTION SITE: When the building was finally completed, West Essex was dedicated with the song, "Bless this House."

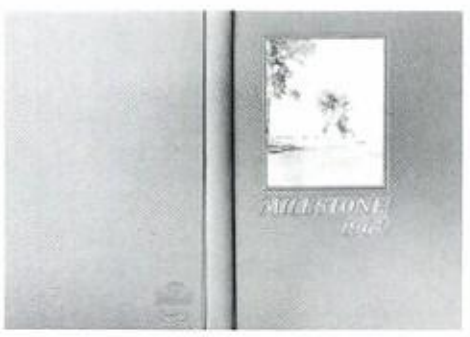
BLESS THIS HOUSE

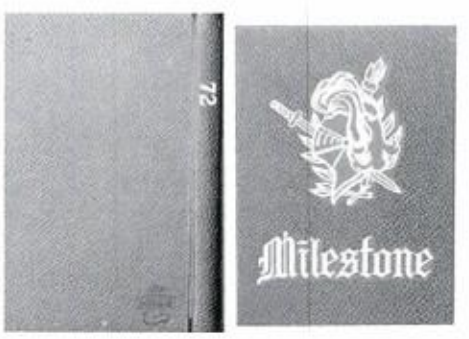
Bless this house O Lord we pray,
Make it safe by night and day
Bless these walls so firm and stout,
Keeping want and trouble out
Bless the roof and chimnies tall,
Let Thy peace lie over all.
Bless this door that it may prove
Ever open to joy and love.
Bless these windows shining bright —
Letting in God's Heavenly Light,
Bless the hearth a-blazing there,
With smoke ascending like a prayer.
Bless the folk who dwell within,
Keep them pure and free from sin.
Bless us all that we may be
Fit O Lord to dwell with Thee
Bless us all that one day we
May dwell O Lord with Thee.

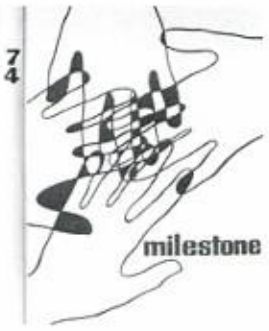
TWENTY-FIVE YEARS OF MILESTONE

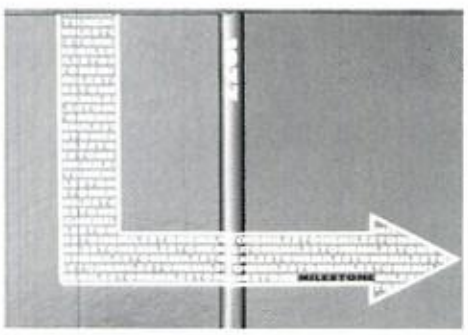


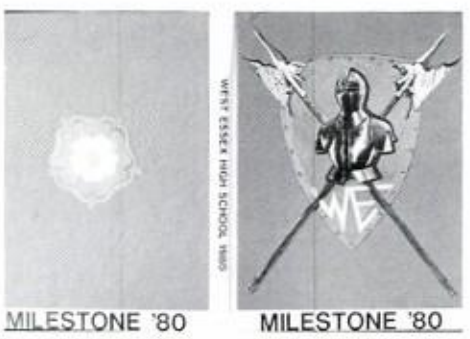






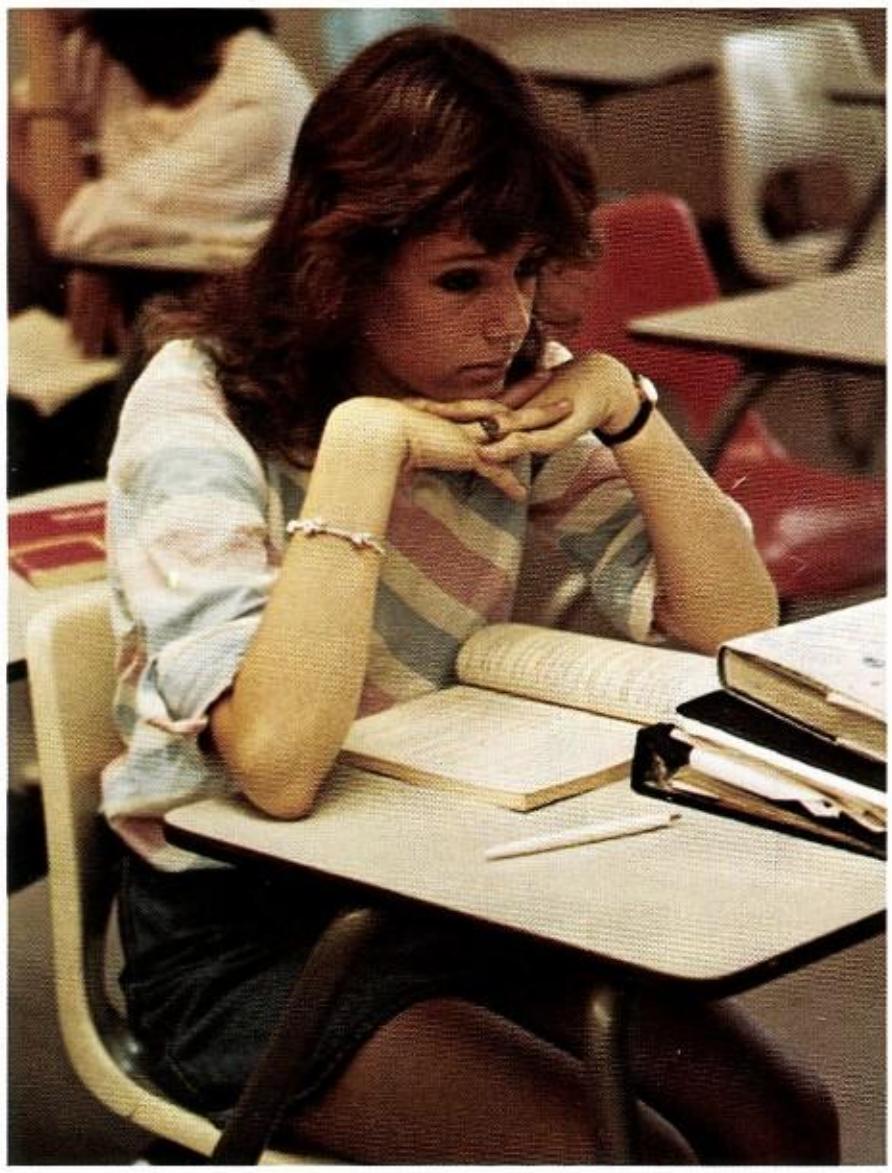






STUDENT

LATEST GOSSIP: Juniors Francine Amato and Sheila Carroll find the time to tell of the day's events.



THOUGHTFUL: Junior Erin Francy reflects upon last period's test.

WHAT'S MY COMBINATION?: Sophomore Stacy DeBell tries desperately to open her locker.

LIFE

WALK TALL AND CARRY A BIG STICK: Senior Susan Hardman portrays Teddy Roosevelt on Halloween.

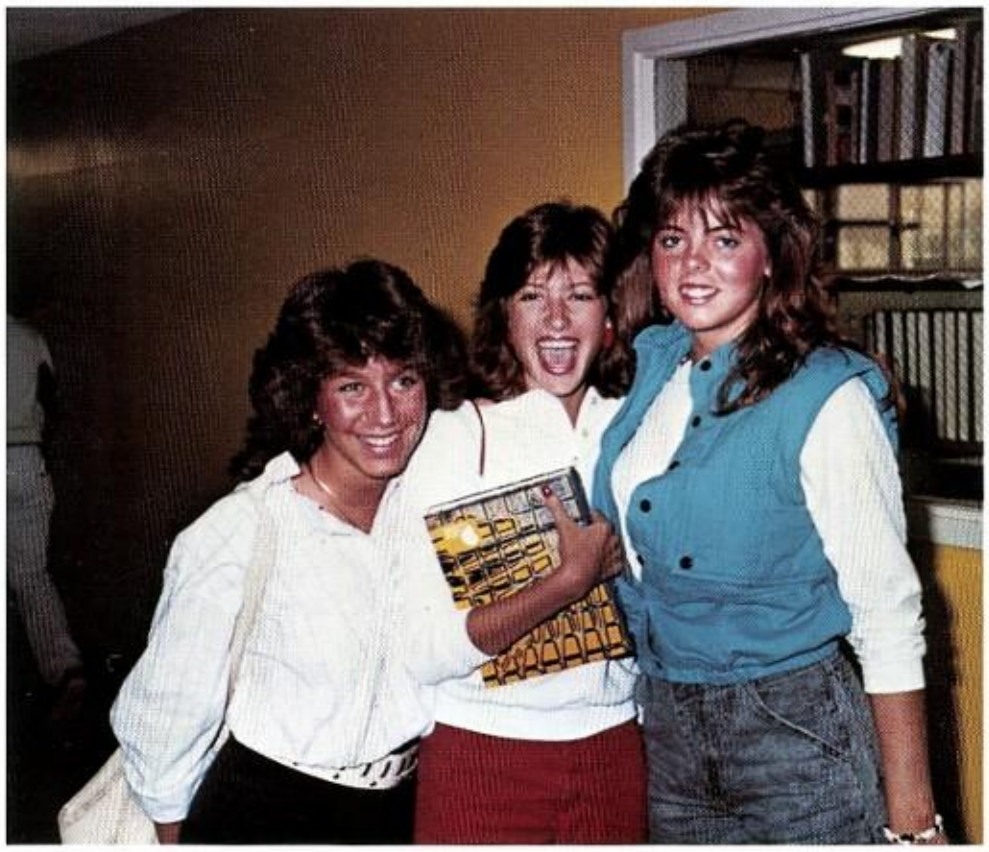
HERE WE GO AGAIN!

Here we go again, back in the ole schoolyard. Comparing schedules, seeing "long-lost friends," and getting lost in the multi-colored hallways, Wessex students survive another first day of school.

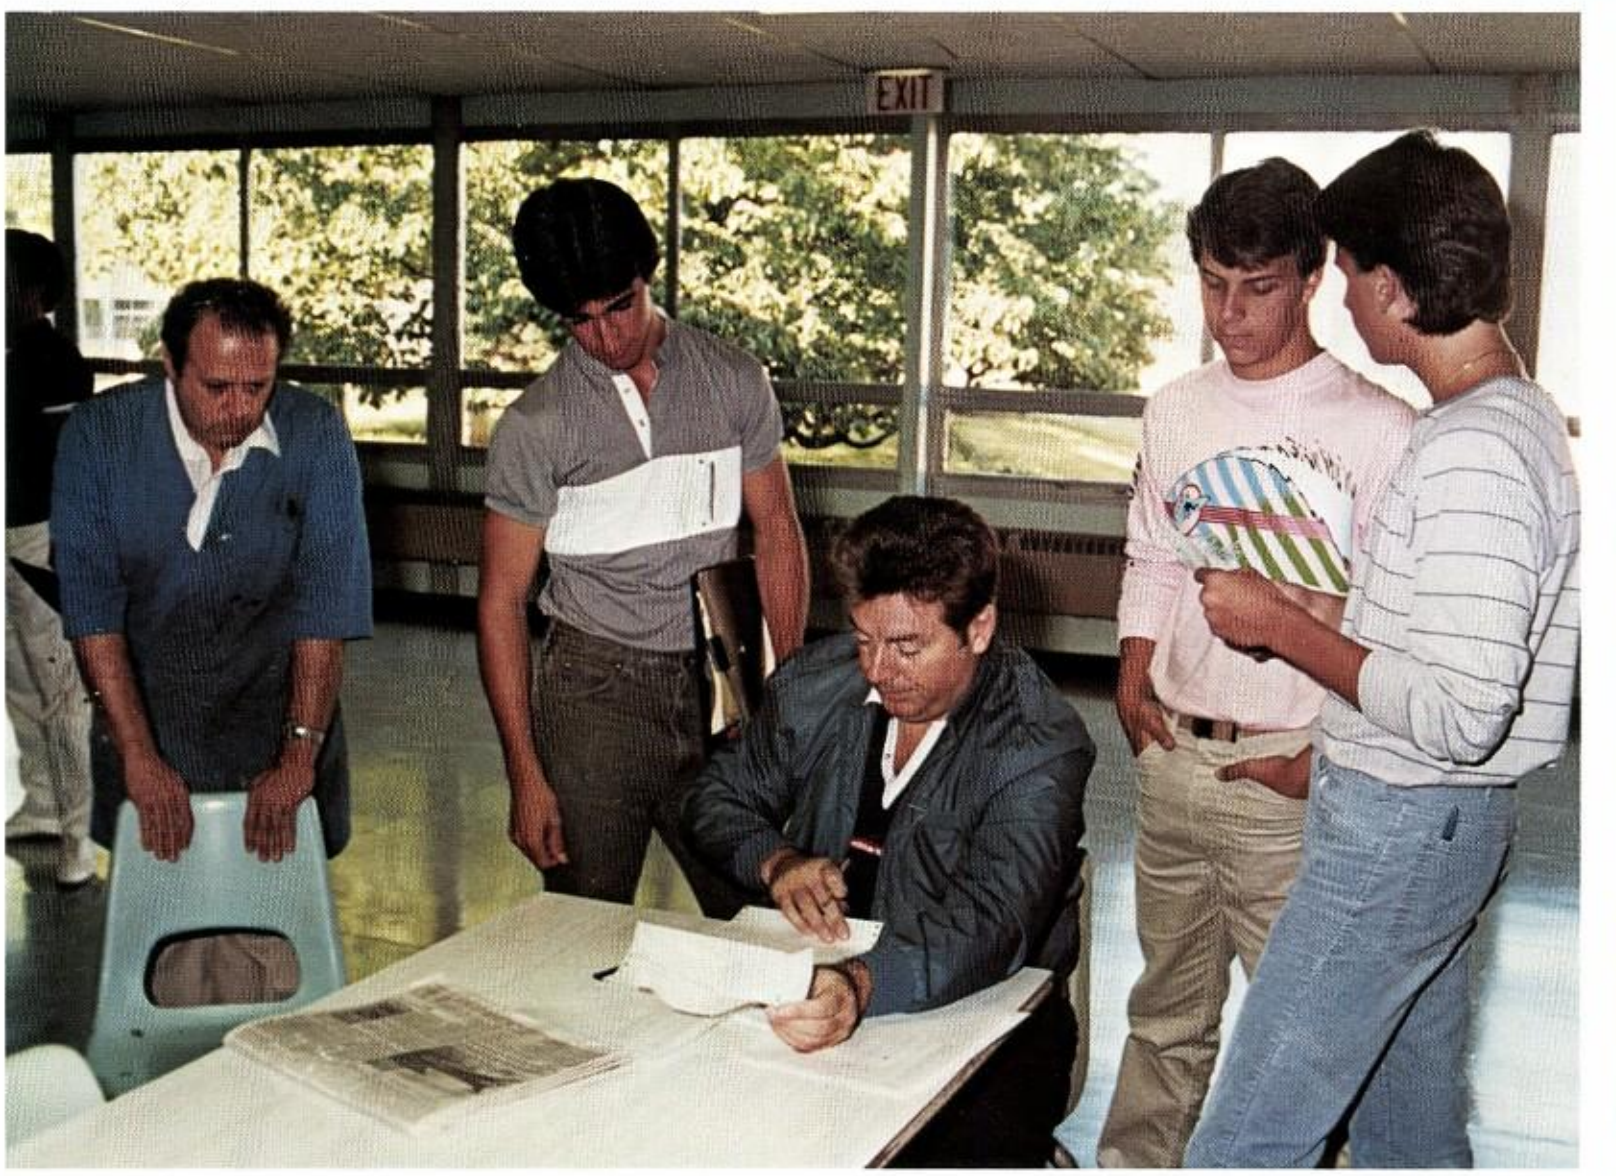
Tanned from their summer down the shore, Wessex students arrive to homeroom, their first and sometimes only time before the bell rings. They spend the day struggling with new locker combinations and asking the trite question, "How was your summer?"

On this day, one can find all the sophomores wandering out of the orientation assembly with that dazed look in their eyes. One can also find guidance being overrun by complaining students and the Class of '85 proclaiming, "I'm finally a senior!"

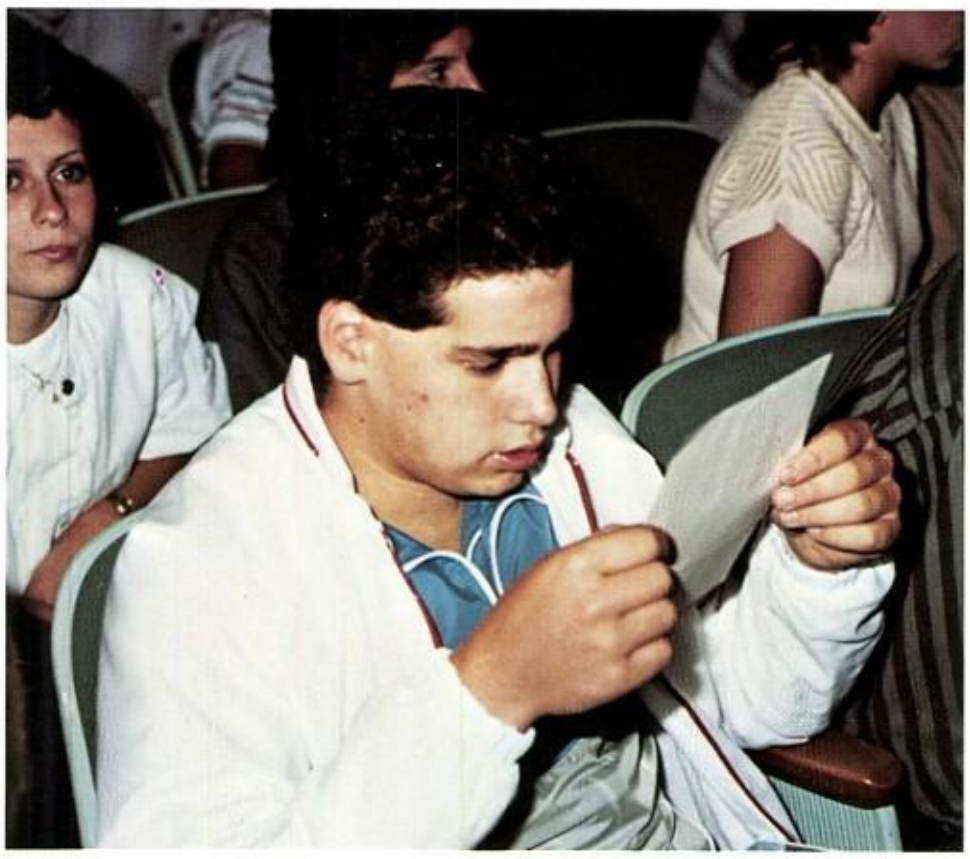
By the end of the day, students are already counting the 179 days left of school, and teachers are commiserating with each other in the teachers' room. Fortunately for students and teachers alike, this day only occurs once a year! However, soon everyone adjusts to his new schedule and that harried, confusing first day is soon forgotten.



REUNITED: After a long summer, Dina Stefanelli, Barbara Ciccone and Leeanne Batta are excited about seeing each other once again.



ARE YOU REALLY IN MY CLASS?: Mr. John Rolandelli, John Celeste, Michael Henry and Michael Ruvo look on as Mr. Peter Jirak searches for their names.



THREE MATHS AND NO LUNCH!: Sophomore Jeff Cance attempts to decipher his mixed-up schedule.

LIGHTS, CAMERA, ACTION!: Junior broadcasters Melissa Arwood and Donna Delappi prepare for the first edition of the Wessex Knightly News.

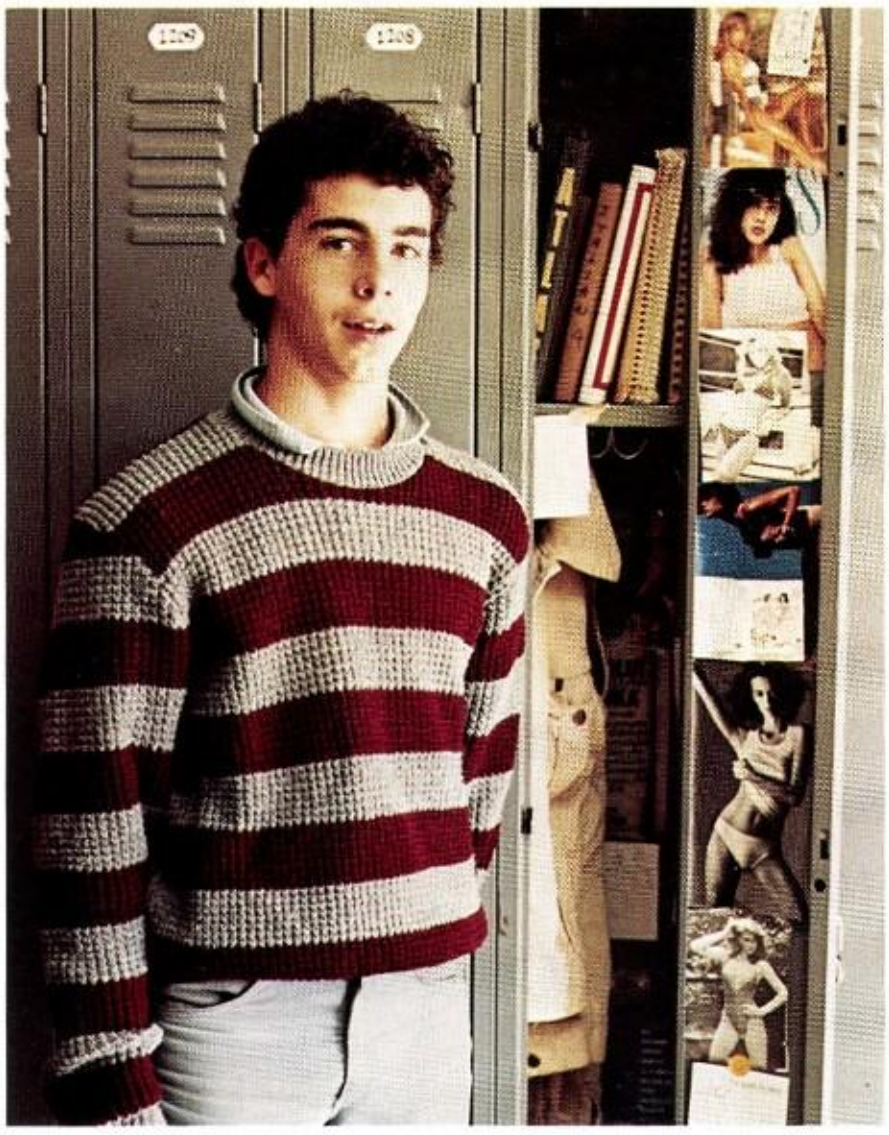
WHAT PERIOD DO YOU HAVE FIRST?: Ron Azzu, Sharon Cinnamon and Mitch Mund, hoping for a class together, fervently compare schedules.

A PERSONAL TOUCH

Walking through the corridors of the school at night, all one sees are rows and rows of plain gray metal lockers. However, during the five minute passing time between classes, as hundreds of locker doors swing outward, it's amazing how quickly dull grey storage space comes to life, displaying portraits, posters, corkboard, photos, and anything else which lends a touch of home.

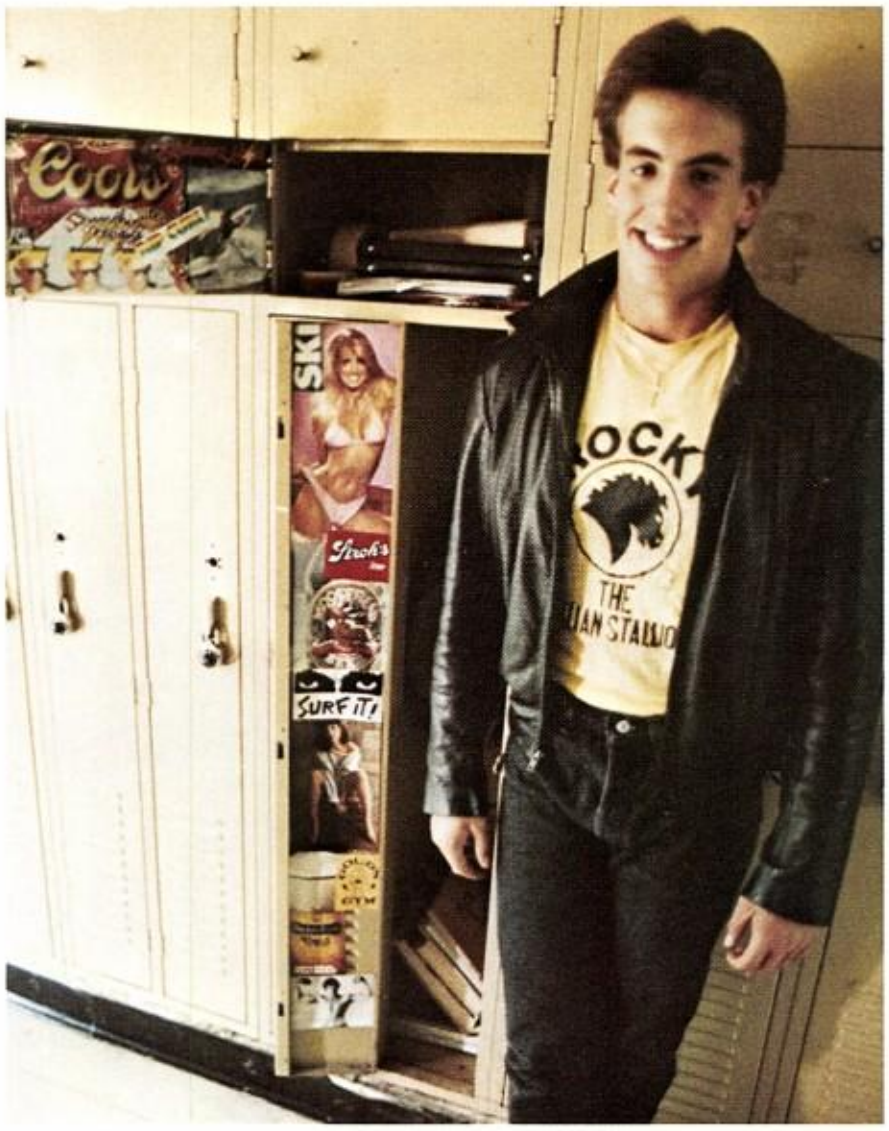
Decorating a locker is an art form in itself. In the morning, students arrive carrying pin-ups of shapely men and women, pictures of rock groups, or photographs of their friends. These mementos are used for decorating lockers. Mirrors and memoboards are also popular locker-decorating items.

During the day, just by opening his locker door, a student can escape into a fantasy world. Locker decorating is a creative expression of a student's individualism. "Locker deco" can turn any dull gray locker into an all metal home away from home.



GIRLS, GIRLS, GIRLS: Senior Justin Lizza displays his "locker deco."

MUSIC MANIA: Junior Felisa Koock displays her fantasy men.



THE GLAMOROUS LIFE: Junior Al Milke reveals his idea of "having it all."

THE GANG'S ALL HERE: Senior Kathy Holzinger's locker contains pictures of her dearest friends.

SUMMER MEMORIES: Senior Lori Unker tucks away a constant reminder of her wonderful summer.

WHERE'S MY HOMEWORK?: Senior Joan Sesta searches frantically through her locker.

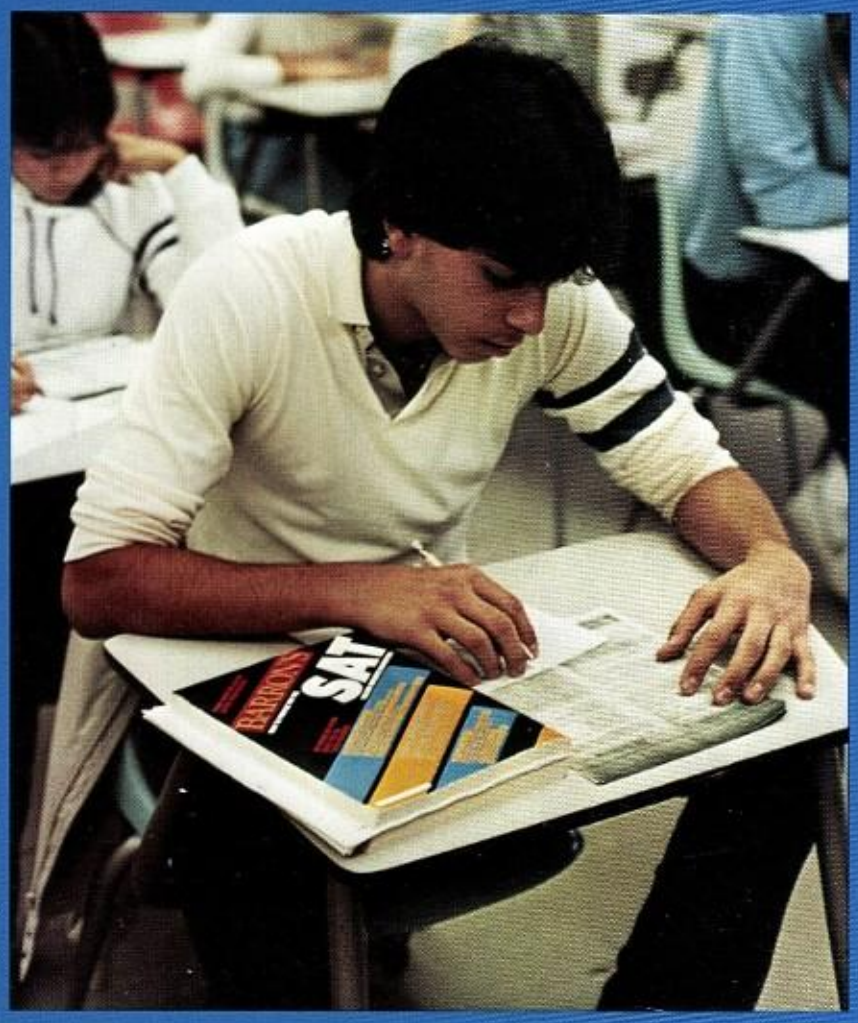
PREPARATION FOR THE BIG DAY

The Scholastic Aptitude Tests are more commonly known throughout West Essex by the initials, SAT. To most high school juniors and seniors, those three letters cause rising blood pressures, bulging eyeballs and bumping butterflies in stomachs. The spring of a student's junior year and the fall of his senior year have become synonomous with SAT's.

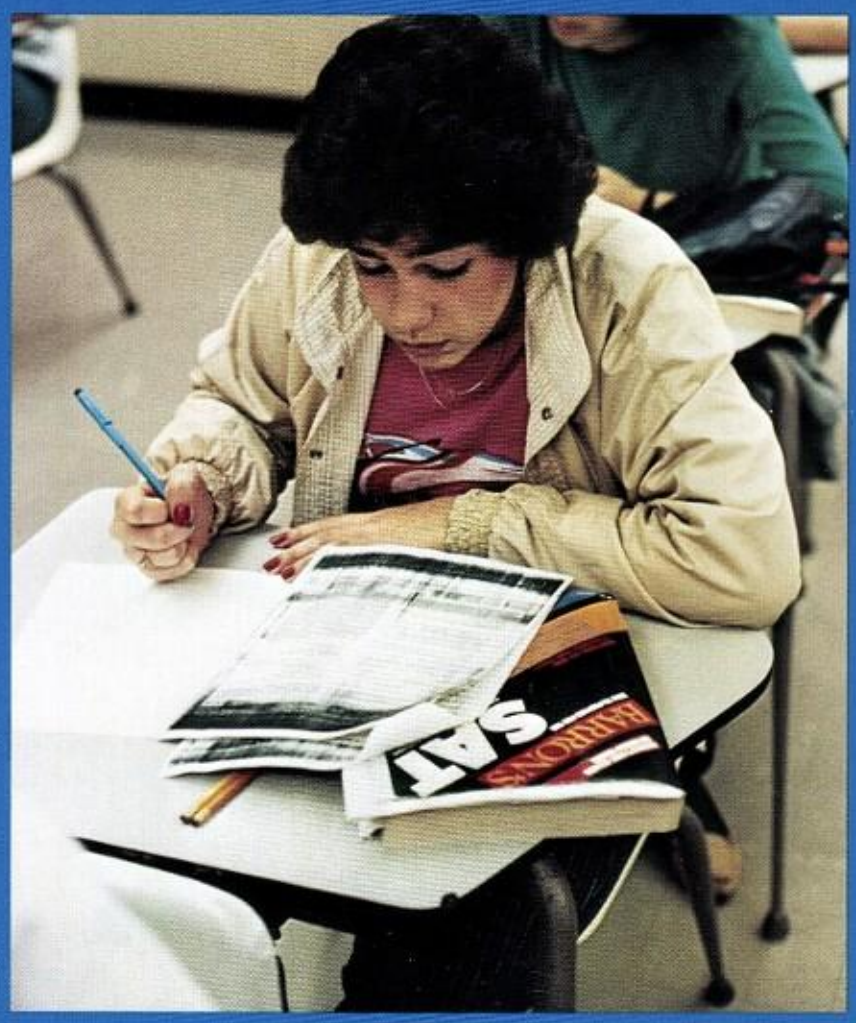
Many Wessex students take prepatory classes before the dreaded test. Listening to tapes at Stanley Kaplan, completing homework for the Clarion Review Course, memorizing word lists for tutors, and taking practice tests early Saturday mornings at the high school have become second nature to a majority of students.

Wessex has offered a PSAT/SAT prepatory course for the past 10 years. Students arrive at the high school at nine o'clock a.m. and under the instruction of Principal Malcolm Simpson, Mr. Charles Paglieri, Mr. Albert Caro, Mr. Richard Clarke, and Mrs. Mary Clifton, review test-taking techniques until noon.

What about all those students to whom **Barron's SAT Review Book** has become a Bible? Yes, there are students who have not laid their eyes on a SAT question until the day of the test. However, recent studies have shown that preparations can bring one's scores up considerably. As a result, students continue to suffer through Saturday mornings filled with "trite, banal, hackneyed, vapid, insipid, jejune and cliche" SAT questions so they will be prepared to fill in those little circles when the fateful day arrives.



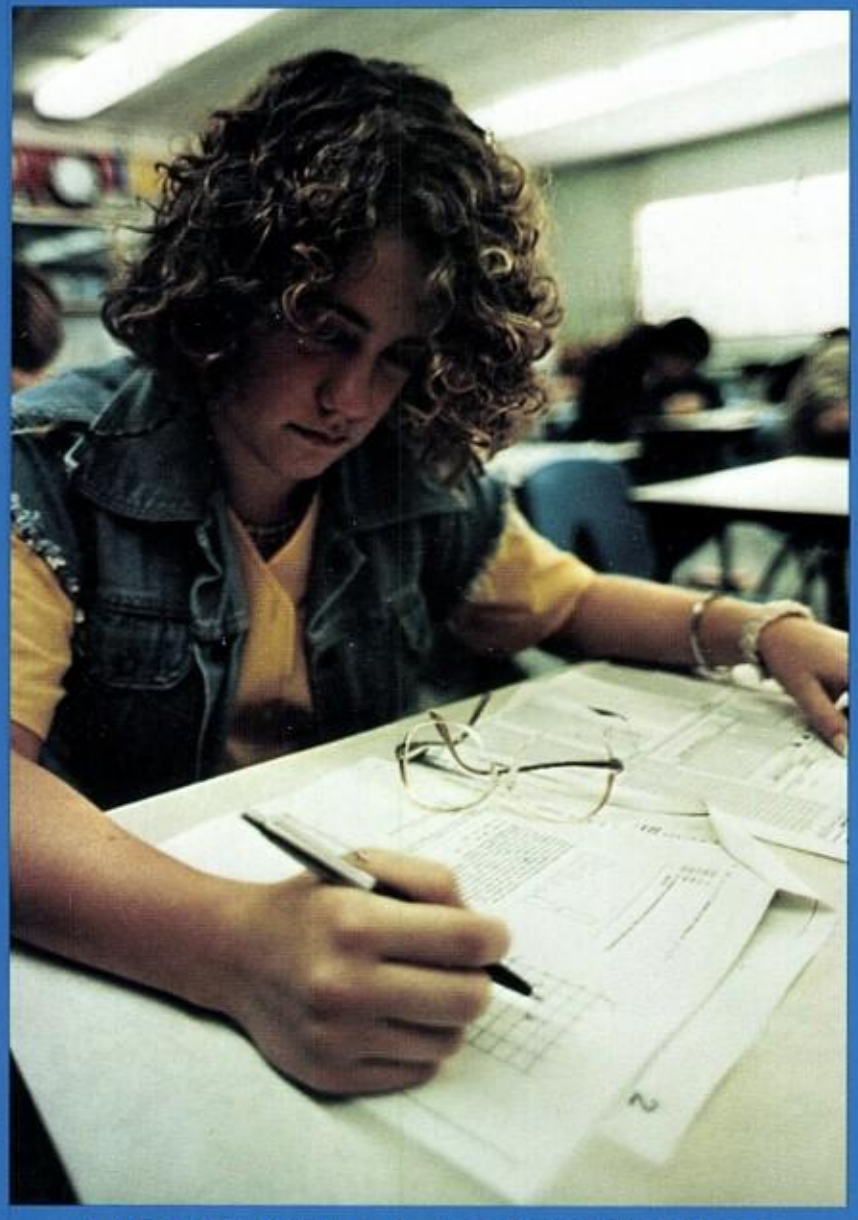
STUDYING INTENTLY: Sophomore Nabil Kassem reviews a reading comprehension passage.



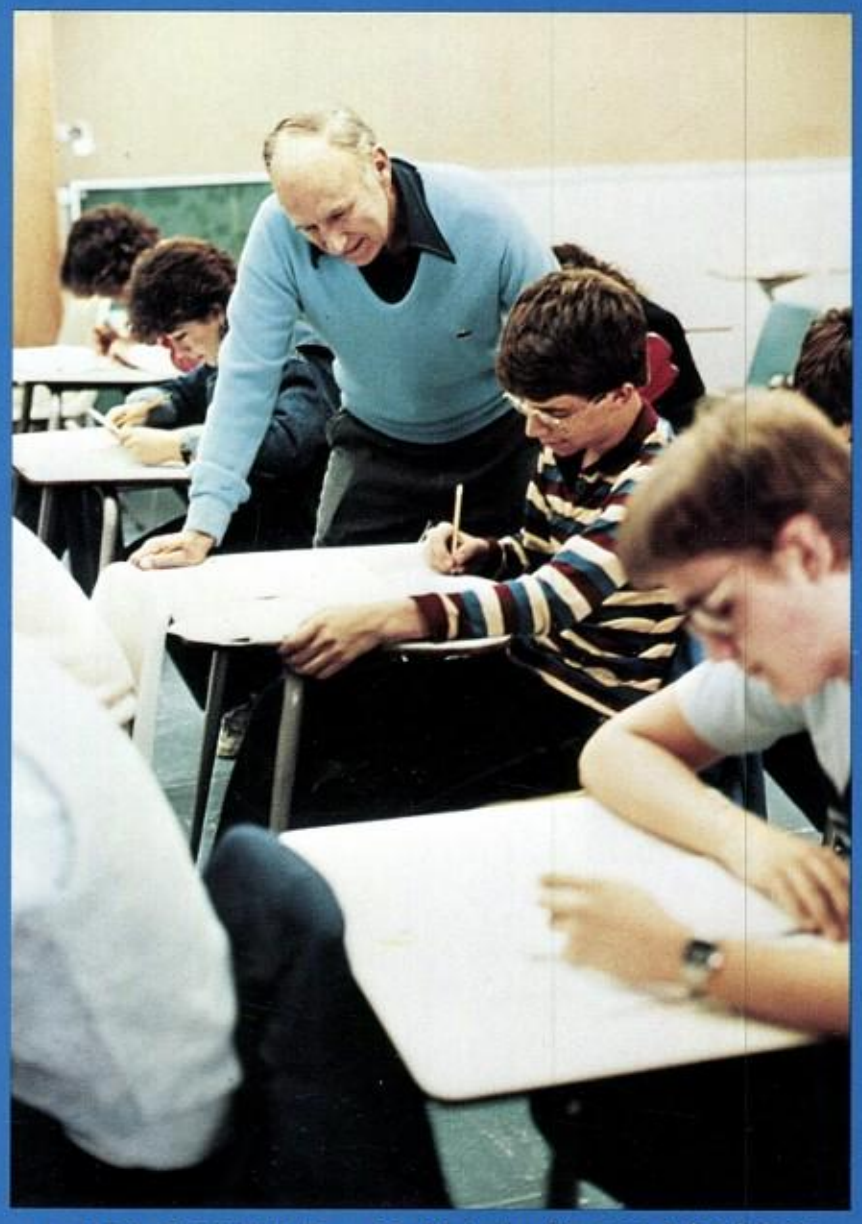
WHAT'S THE ANSWER??: Junior Janet Cuomo searches for the correct antonym.

I'M STUDYING, ALEX!: Junior Donna Delappi cheerfully greets **Milestone** photographer, Alex.

TOO EARLY!: Junior Robert Ogando catches up on some sleep.



MATH, MATH, MATH!: Junior Tracy Rolandelli works on a graphing problem.



WHAT A PROBLEM!: Even Mr. Malcolm Simpson is having a difficult time helping Steven Letterman with this probelm!

THE MAKING OF THE SENIOR CLASS PICTURE

The bell rings. It is second period of Tuesday, October 2. The Class of 1985 emerges from the school into the cool autumn air and begins to drift towards the bleachers.

With the class advisor, Mr. Peter Falco, and yearbook advisor, Mr. Stanley Scher directing the whole process, the students soon gather their closest friends and find their positions on the bleachers.

This year there were almost no student-made signs evident in the picture. Instead, the 1985 seniors found other, more creative methods to be noticed. Some wore neon sweatshirts, some painted their hands pink, and others wore big hats.

After the camera clicked many times, the seniors were given the remainder of the period to socialize. Mr. Scher once said that he could tell how "good" a senior class was by how they acted during the photographing of the senior picture.

Congratulations Class of 1985, for you are now ranked as one of the best classes in the history of the school — pure sterling through and through!

STANDING TALL: Seniors Walter Bomhof, Glenn Arndt, Mark Cegielnik, John Volpe, Steve Capuano, Chris Raney and Robert Garisto.

TAKE IT AGAIN, ALEX!: Seniors Vitina Matazzro, Yvonne Marchese, Tammy DeBell, Colleen Dillon, Cara Ganny and Anne Marie Cerrato pose for yet another picture.

PEACE AND QUIET: After the day's commotion, Senior Adam Sodowick finally gets a chance to study his English.

STUDENTS DEBATE ISSUES

Red, white and blue banners, candidate posters, and the melody of, "The Battle Hymn of the Republic," set the stage while juniors, seniors, and a select group of sophomores filled the auditorium, anxiously awaiting the opening of the ceremony. Soon the Democrats marched in, waving American flags. After they were seated, the Republicans took their proper seats. Both parties sat at long, patriotically decorated tables on the stage. Thus began the 1984 mock presidential debate run by Mr. Robert Caruso's AP History classes on Tuesday, October 30.

Mr. Caruso's booming voice introduced the members of each party. Laurent Lheritier, Katie McGill, Keith Hawkins and Ray Scanlan along with co-chairpersons Jennifer Hampson and Michael Bangs represented the Republicans. Resource persons were Sue Souren and Susan Berowitz. Ralph Conte, John Elkas, Chris Nicolet, and Heather Alexander, along with chairpersons Tyrone Cabalu and Melissa Rubin represented the Democrates. Resource persons were Amy Winhouse and Amy Lewin. The members of the questioning panel were Julie Garland, Brian Brown, Max Nelson and Heidi Briggs.

After the formal debate, Mr. Caruso announced that the parties would receive questions from the audience. The questions were well-thought out, and this fact helped make the question-answer period a big success. The 1984 mock presidential debate was hailed as a big success by faculty and students alike. Congratulations to Mr. Caruso's AP History class for a job well done.

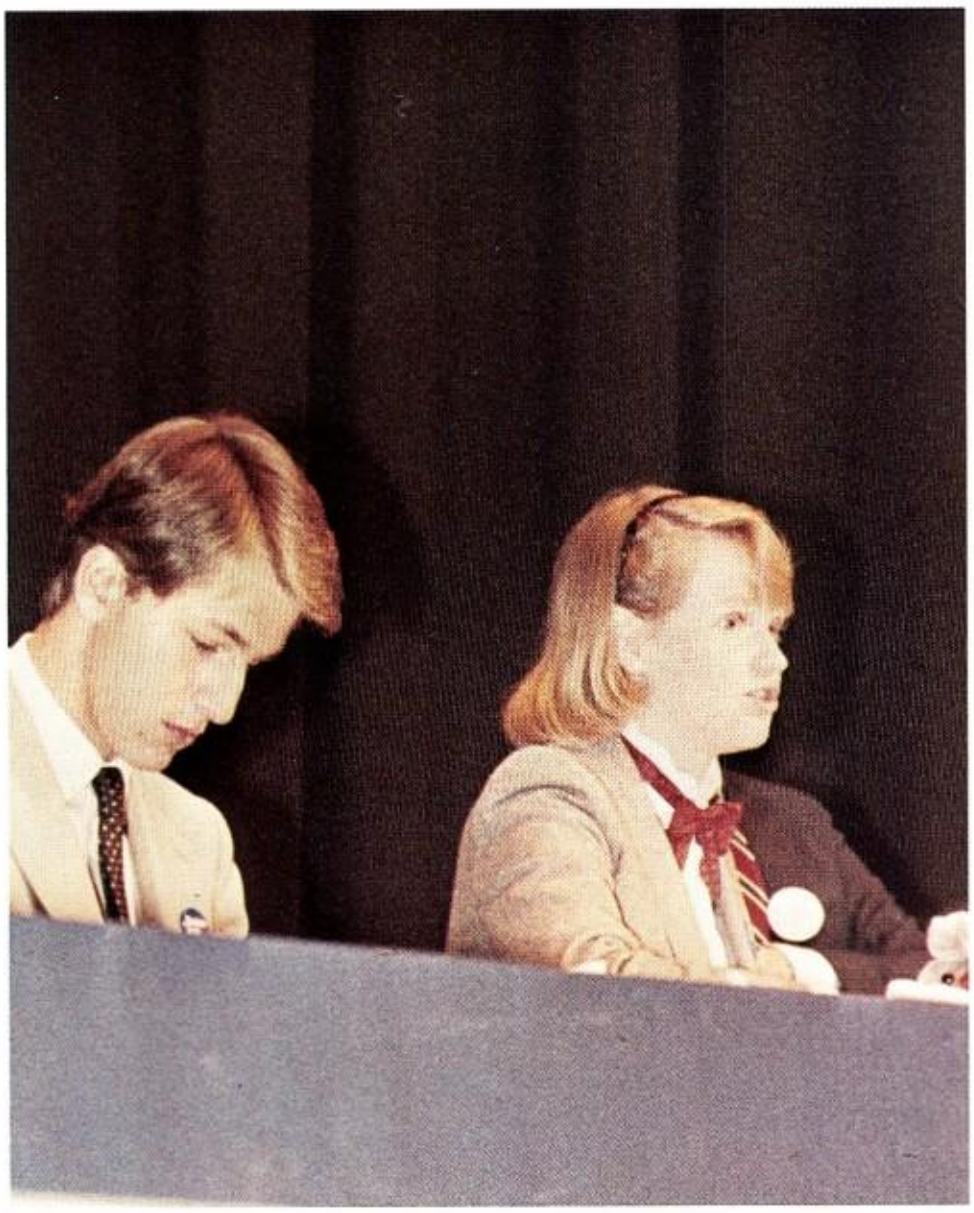
Lori Stanisci

STARS-N-STRIPES FOREVER: The Democratic Debaters, Seniors John Elkas, Heather Alexander, Chris Nicolet and Ralph Conte, along with resource people, Seniors Amy Weinhouse and Amy Lewin.

TAKING NOTES: Susan Souren, a research person, takes notes to better prepare the Republicans for a rebuttal.

"$100 FOR A SIMPLE HAMMER, $80 FOR A SIMPLE . . . ": Senior Ralph Conte makes his point.

"PLEASE RISE FOR THE PLEDGE OF ALLEGIANCE . . . ": Mr. Caruso and the panel commence the debate.



"AS A YOUNG REPUBLICAN . . . ": Katie McGill delivers her opening speech.

"MONDALE'S VIEW ON THIS ISSUE IS . . . ": John Elkas supports the Democratic Party.

FACING THE ISSUE: The Republican Party listens intently to the question asked by the panel.

"I FEEL THAT . . . ": Senior Billy Hartman expresses his opinion to the Democratic Party.

STUDENT VOICE HOSTS HALLOWEEN

Whatever happened to the traditional ghosts, goblins and witches that used to run rampant each Halloween. This year, along with the usual clowns, playboys and hobos, one could also see Cyndi Lauper bopping down the halls, two evil Darth Vadars and Teddy Roosevelt right out of the history books.

During all lunch periods, the members of student voice judged the students' costumes for originality and creativity. Receiving honorable mention for their costumes were Seniors Pam Powell, who was a crescent shaped moon; Susan Hardman, as President Teddy Roosevelt; and Donna Griffoul as a delectable slice of pizza. Junior winners were Felisa Koock as Cyndi Lauper, Liz Sheidl, as Madonna, and Rob Intile as a sexy playboy bunny. The Sophomore class winners were Anthony Franconero as a muscle man, and Jason Malfato as a flasher.

BE A CLOWN!: Junior Christine Volpe disguises herself as a colorful clown.

SHINING MOON: Senior Pam Powell won Best Costume for her smiling moon.

I'LL TUMBLE FOR YA!: Senior Wendy Piltzecker impersonates Boy George.

SURPRISE!: Sophomore Jason Malfato flashes for the camera.

MAY THE FORCE BE WITH WEST ESSEX: Sophomore Chris Waltz as Luke Skywalker is accompanied by Sophomore Glenn Brunje and Junior Keith Alder as Darth Vader.

THE "LUCKY" SENIORS

The windows on the yellow school buses fog as the students press their faces against the cold panes. They glance longingly at the "lucky" seniors who are allowed to drive their cars to school every morning.

This group of seniors is involved in the Work/Study Program. The select students attend school from eight o'clock in the morning to twelve noon. After completing four classes, which include both English and Physical Education, these seniors are off to work. Many of the participants of the Work/Study Program are employed by businesses in the area.

Now the students riding in the school bus emerge into the ice cold air and make a frantic dash towards the school, all the time glancing over their shoulders at the "lucky" seniors sitting in their heated cars.

CAR TALK: Seniors Cheryl Field and Sandra McLaughlin have an early morning conversation through their car windows.

BREAKFAST TO GO!: Senior Joanna Buccarelli eats her breakfast before entering the building.

LOCKING UP: Senior Dan Marchese waits as Senior Ed Kraemer puts his keys in his pocket after locking his van.

NOT YET AWAKE!: Senior Frank Ruggiero emerges from his wagoneer.

MAD HATTER!

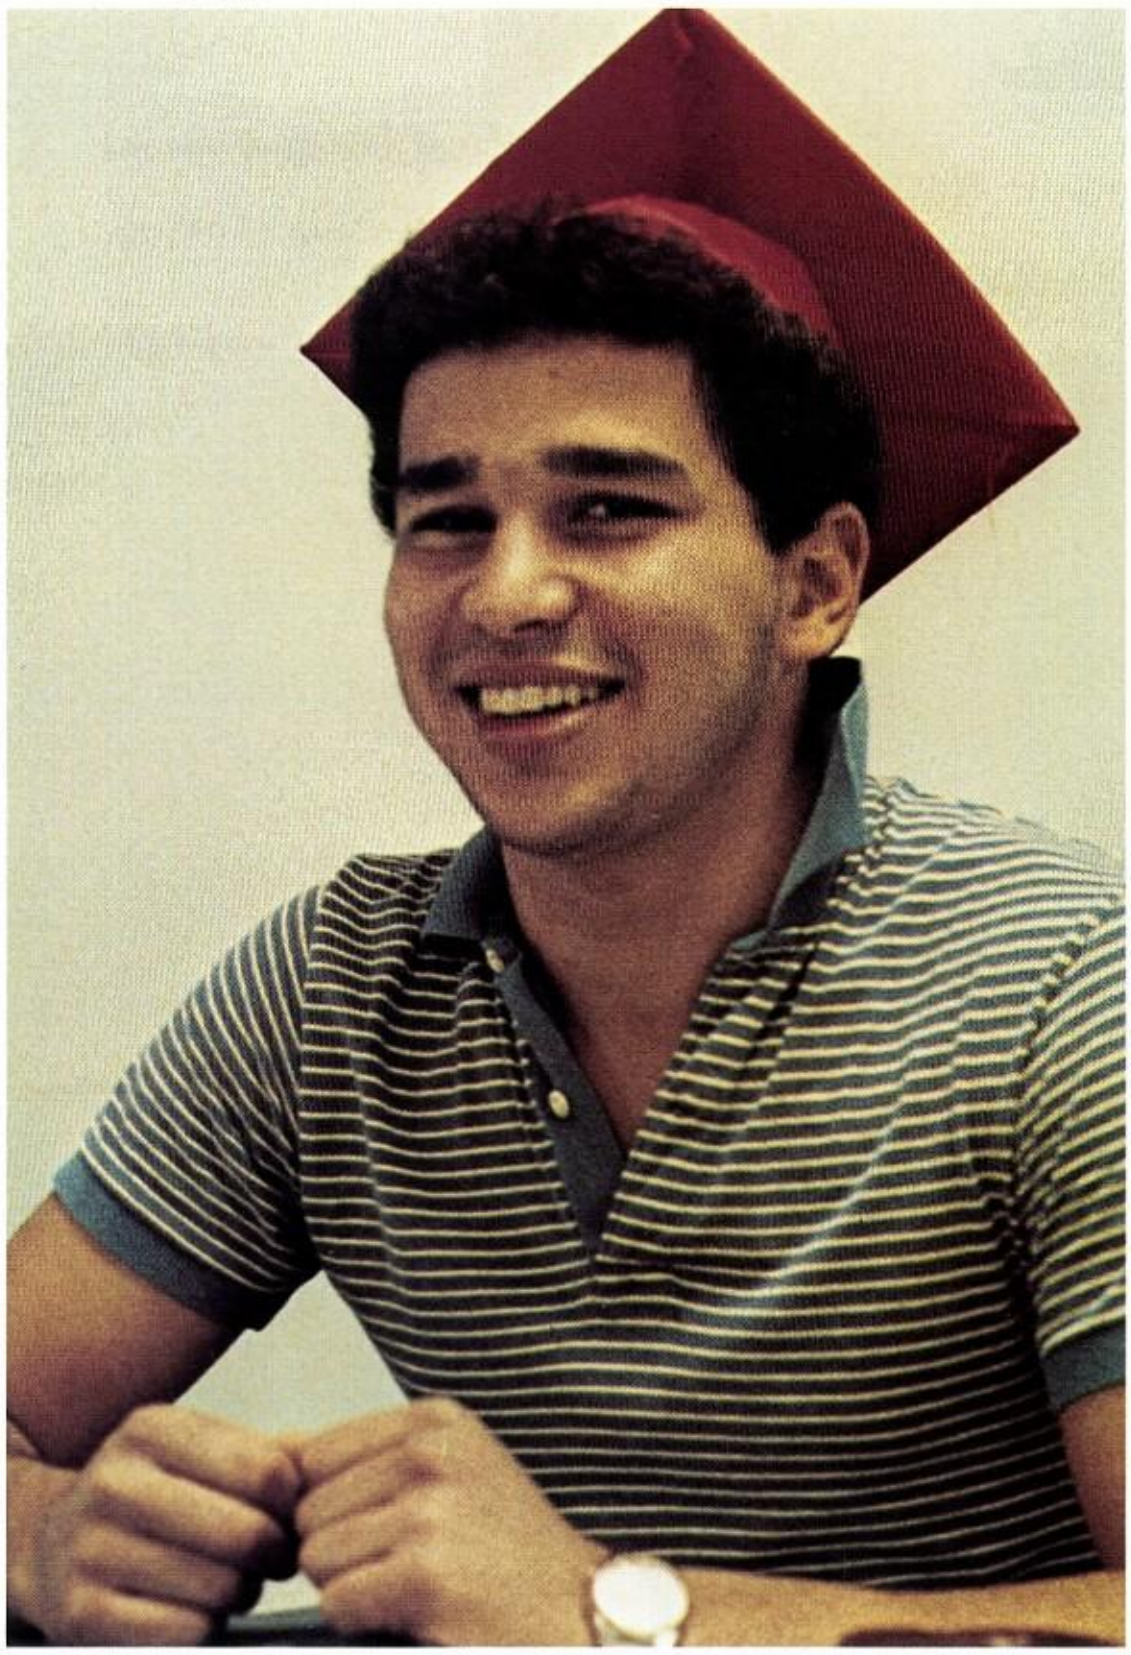
The Senior Class held their annual hat day on November 2, which was run by the class officers. Along with the usual hats and caps, one could find hats that clapped, Mickey Mouse hats and Mexican sombreros.

During lunch, the Senior Class Officers judged the students' hats for creativity and originality. The winners were announced during a special seventh period assembly. The winners were Kristine Schmidt, whose hat was a thimble, Donna Roche, who had a large hat filled with Smurfs, Mark Falone, who wore a ten gallon hat and Julie Riccardelli, whose hat was in the shape of a bug.

The Senior Class was given a chance to vote on whose hat they liked the most. For the best hat, the class chose Julie's bug. For her great effort, Julie received tickets to the Senior Class Costume Ball.

DOWN ON THE FARM: Senior Darin Kaplan dreams of the simple life on the farm.

EEECH!: What does Senior Julie Riccardelli have growing out of her head?



I'M OUT OF HERE!: Senior Carlos Cesar anticipates graduation day.

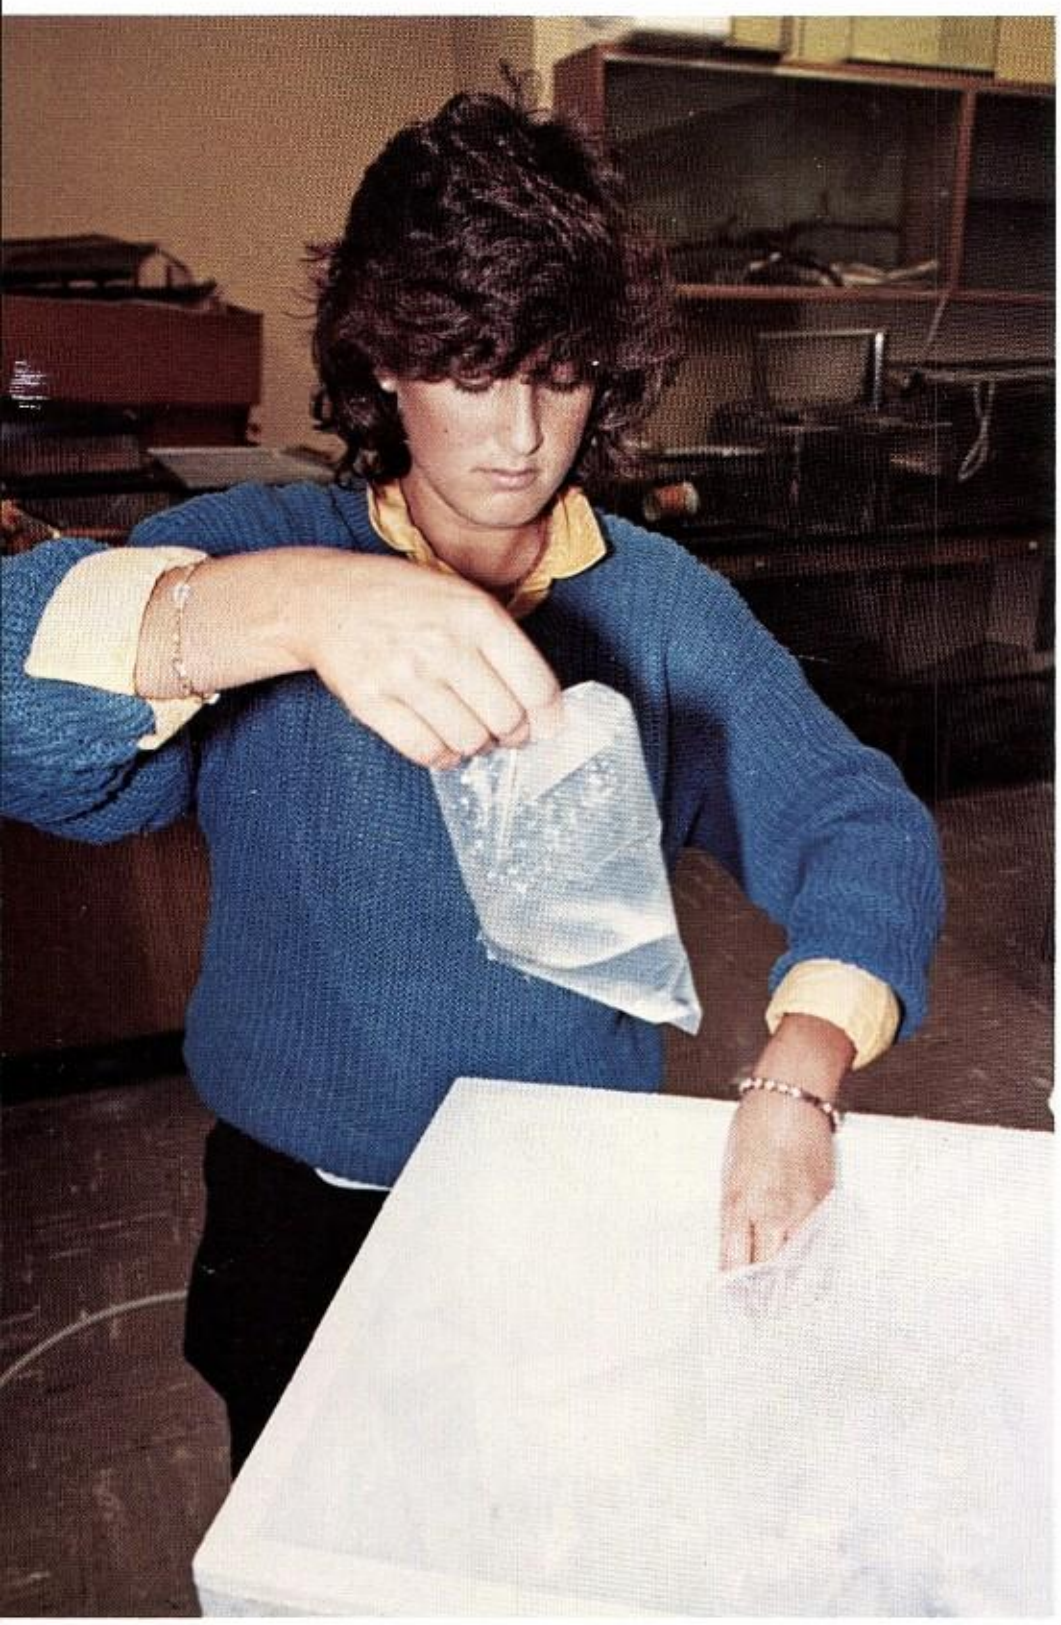
IT'S MAGIC!: Senior Kevin O'Dowd operates his hat with an invisible string.

LET'S TALK TO THE ANIMALS

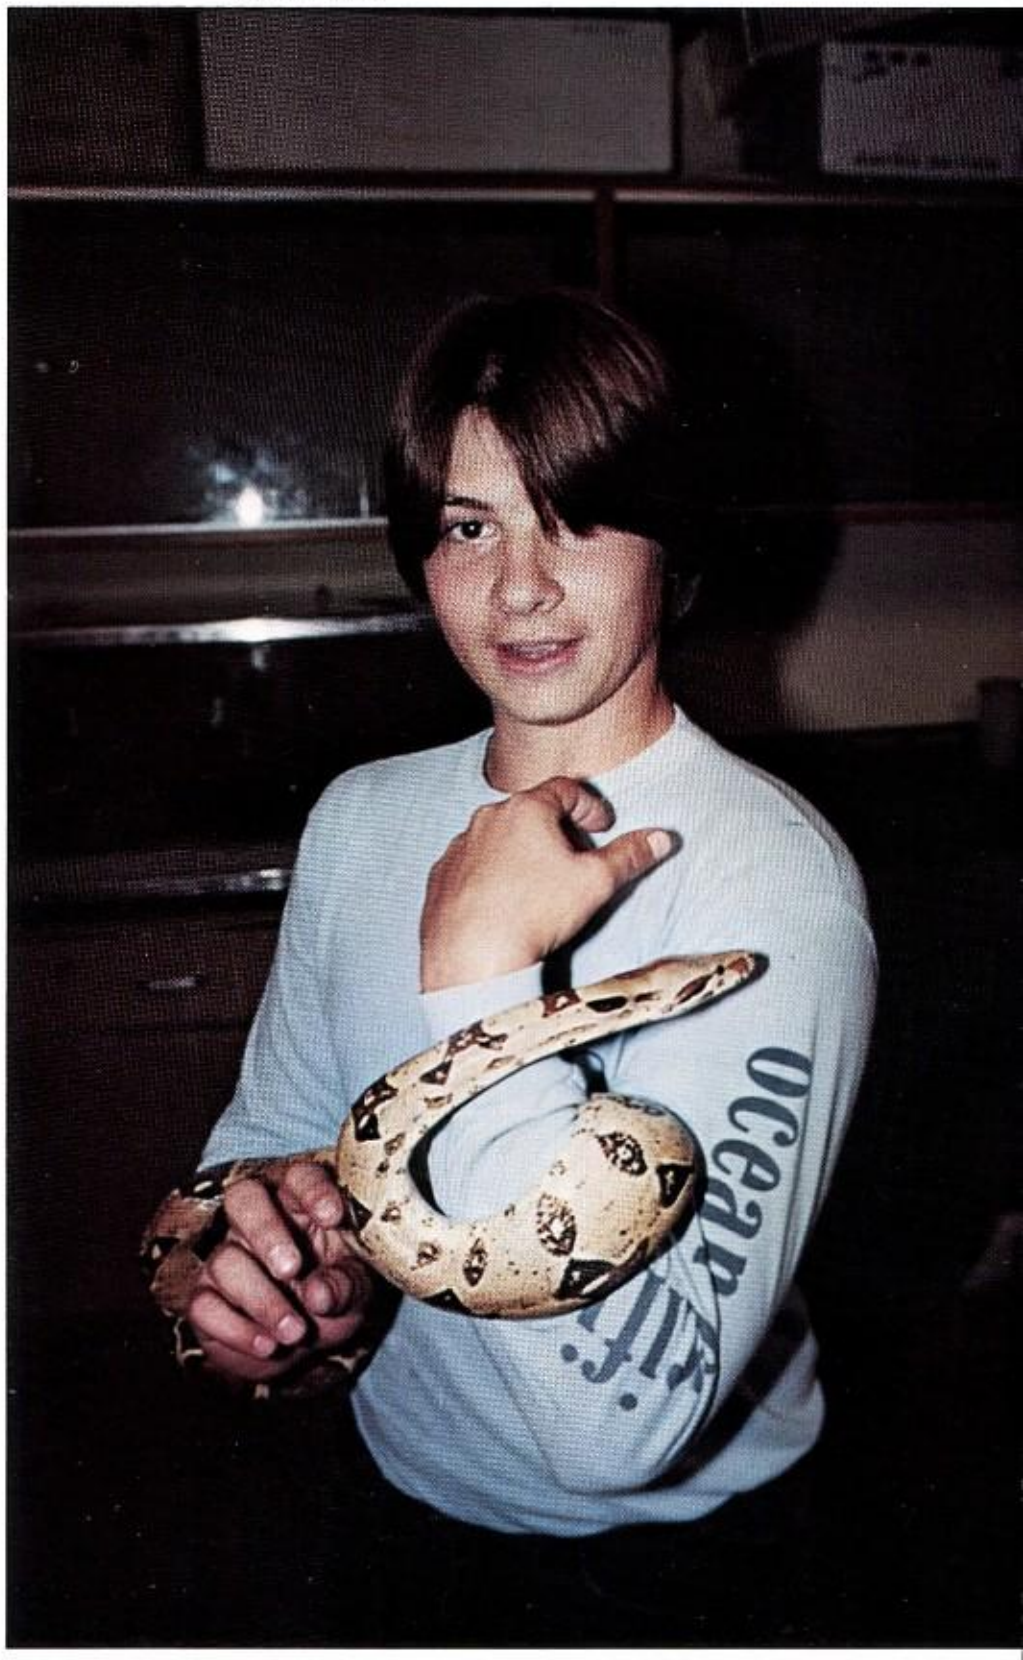
If you happen to see a large snake wrapped around someone's neck, or Clarence, the guinea pig going to class, don't worry too much. These strange occurrences are due to Mr. Oakley Roark's Bio II class. Every student in Mr. Roark's class has chosen an animal to take care of. Besides just taking care of these funny and sometimes slimy creatures, the students also have to give their animal a name.

If a lot of work is what you are looking for, then you should take Bio II. Senior Pam Mund said, "It's harder than I expected." Much of the work consists of independent laboratory work, as well as text book reading. The students also have a seminar every week, which is one way that they can review the chapter in the book. In the seminar, one student is chosen to be leader. That job involves preparing a speech of 12-15 minutes in length on a subject mentioned in the chapter and to also be prepared to ask the class questions. With all this work to do, students may sometimes become discouraged and upset at the teacher for assigning so much work, but as one student said, "It's hard to get mad at Mr. Roark, he's such a sweetie!"

CLARENCE: The Senior class mascot smiles for the camera.



HARD AT WORK: Alicia Barba inspects the new biology supply shipment.



LOOK MA'!: Senior John Levorse displays his new found friend.

BIO BUDDIES: Senior Pam Mund cuddles her hamster.

AMAZING!: Senior Darcie Eckert stares in wonderment at her bio project.

MICE AND MEN: Senior Ralph Conte teaches his mouse gymnastics.

NEON LIGHTS WESSEX

The neon lights are not only shining on Broadway these days. The halls of West Essex are now illuminated with one of the newest fads — NEON!

Clothed in fluorescent pink, green, yellow, blue and orange, girls appear each day in shocking new combinations. It is not unusual to see some students dressed entirely in neon, from head to toe. However, most students are contented to wear just neon socks or a neon belt.

Remember those days when girls wore light pink nailpolish? Now nails are polished in neon yellow, greens, blues and oranges. Some girls use five neon colors at once!

Contrary to popular belief, neon is not only a fad for girls. Throughout the halls, one can even spot fluorescent green scarfs or neon shoelaces on some of the boys. One student suggested that Wessex students wear neon in order to "fit right into the school's neon-colored hallways;" other students said they wore it because it was a "fun fad."

BATTERIES ARE NOT INCLUDED: Patty Slattery, Ann Marie Mattie, Maria Tafaro, Kim Ringwood and Fran Lucchino brighten up the halls.

IT'S ELECTRIFYING!: Simone Nelson, Dawn Megaro and Ann Rosen display their colorful clothing.

IF THE SHOE FITS . . .

SHOCKING!: Michele Jacangelo and Christine Fischer pose in our own neon hallways.

INSTEP: Drum Major Jody Lia leads the band onto the field.

AT ATTENTION: Drum Majors Jody Lia and Len Bachman, salute West Essex.

CLASSY BRASS: Band President Chris Kolmodin leads the brass section.

MUSIC FILLS THE AIR

1984 was the best season ever for the West Essex High School Marching band. They participated in four competitions, and won a total of 15 first place awards. They also won three of the four overall competitions. Their success is due to the leadership of Mr. Daryl Bott. Mr. Bott came to WE four years ago and has consistently produced award winning bands.

This year, for the first time, Mr. Bott did the choreography himself. In doing so, he demonstrated his limitless range of talents. Assisting with the responsibilities of the 114 member marching band are Mr. John Baratta, assistant band director; Miss Nancy Kolodziej and Miss Donna Wasielewski, who are in charge of the colorguard.

Every member of the band gave their all to this year's competitions. The band's drum majors are Leonard Bachman and Jody Lia, who performed admirably the entire season. When reflecting upon the band season, one cannot possibly forget the drum line and their impressive solo. Not only did the colorguard throw their flags, but the drummers threw their sticks. The band's music selection was "Crown Imperial," "Dixieland Medley", "Igoe to Rio" and "Let it be Me." Wherever the band went, the crowd was very enthusiastic. The crowd marveled at how great our band has become in such a short period of time.

The 1984 West Essex Marching Band ended a terrific season with an overall competition win in Bloomfield. However, not only did they win first place, but they did it with a 93.5, the highest score ever given to our band. This score tells more about the band than the fact that they won. It also shows how the band strives to improve on their own performances. Congratulations!

TWO BY TWO: Twins Tracey and Amanda Valente, Jodi and Joan Sesta, and Dina and Dana Stefanelli pose together in the senior courtyard.

Dina and Dana

Jodi and Joanie

SEEING DOUBLE!

You scratch your head and fervently try to remember her name — is it Jodi or Joan; is it Amanda or Tracey; is it Dina or Dana? It seems as if you are always seeing double.

This year's senior class has three sets of twins, all girls. All six girls agree that they enjoy having a twin. One of the greatest virtues of having a twin is that "You always have someone there."

One pair of twins informed the **Milestone** that when they were younger, they often were dressed alike. However, now each girl has developed her own individual way of dressing.

Because all three pairs are identical twins, they are often easily confused. Some of the girls admitted to switching around classes with each other without their teachers realizing.

The girls all readily admit that they love having a twin. As all normal teens, the girls all have spats with their sisters, yet their special bond conquers all. A twin is a best friend!

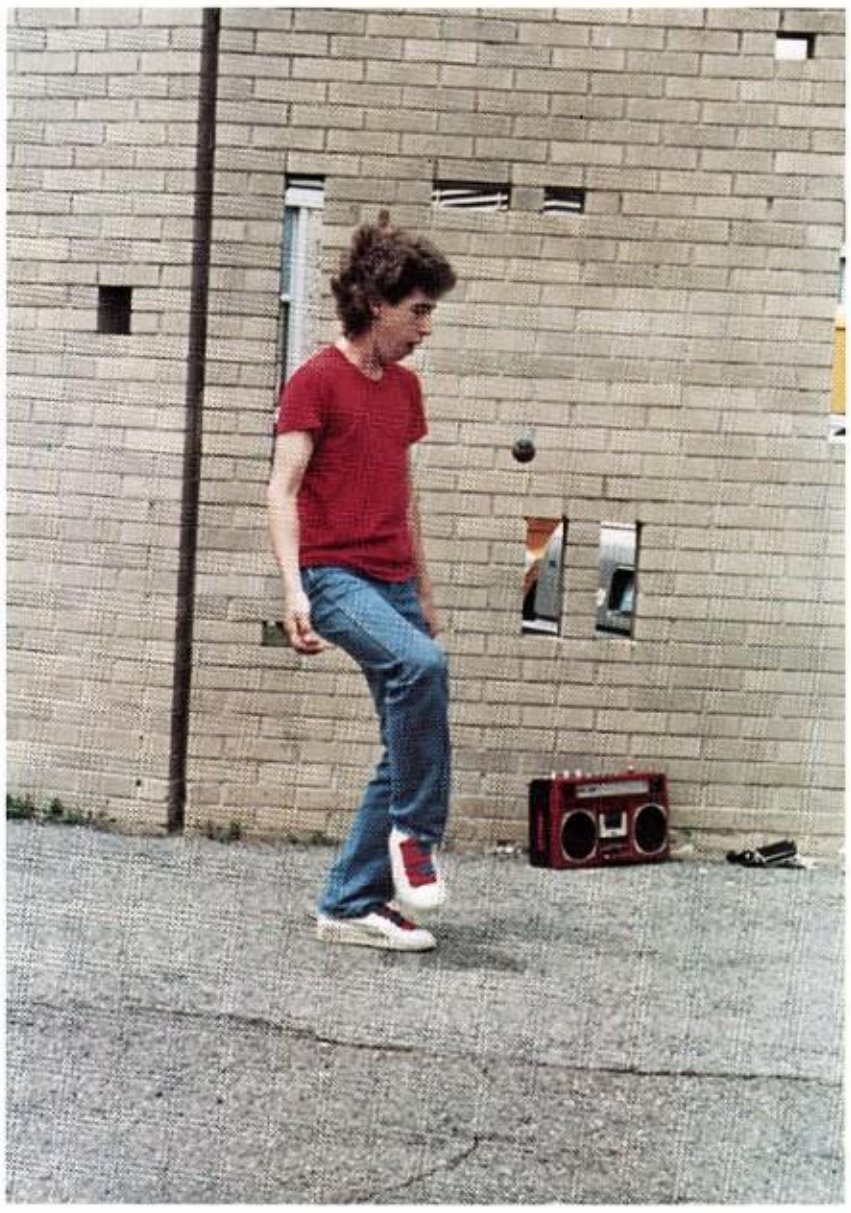
Amanda and Tracey

HACKING THROUGH THE HALLS

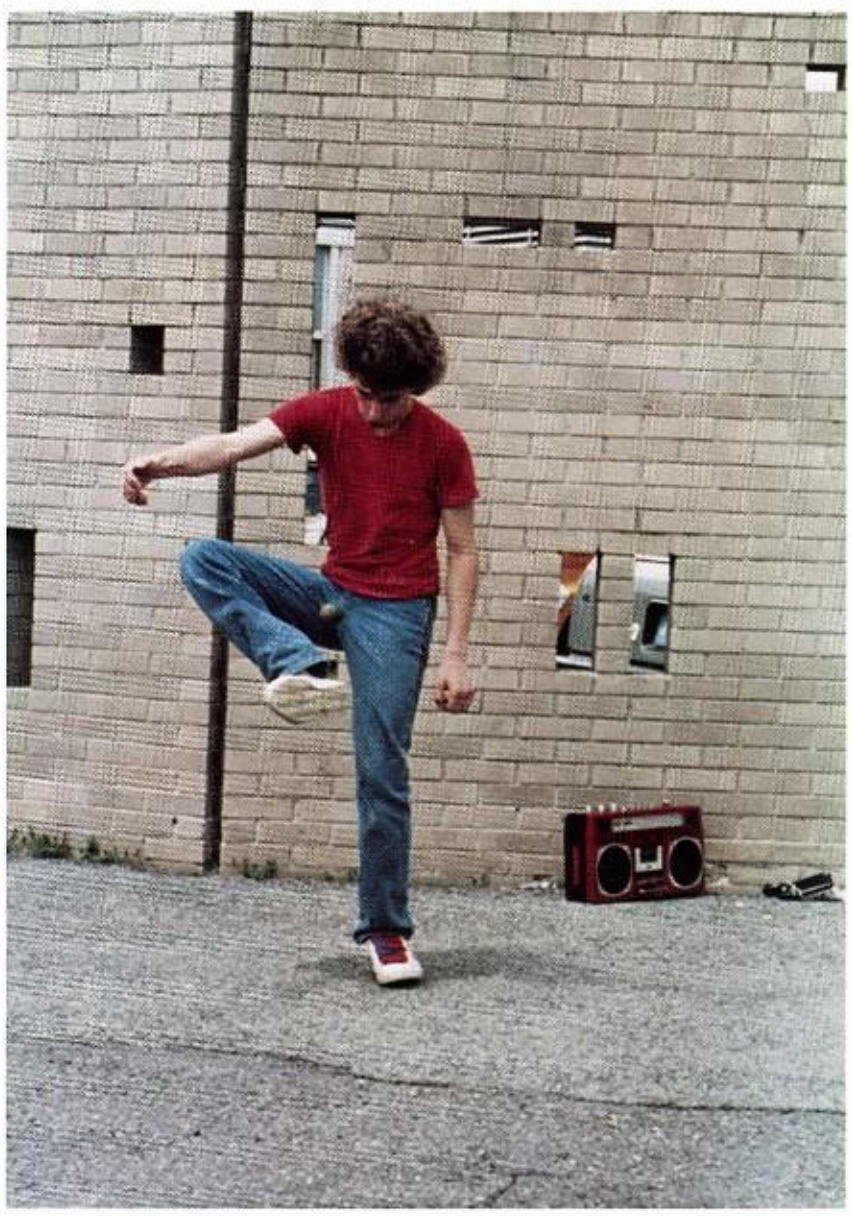
Athletes and non-athletes alike have discovered a new sport this year — HACKEY SACK. Originally started on college campuses, this new fad has swept high school students across the country.

Hackey Sack is a pig skin footbag. The object of this game is to keep the hackey sack off the ground using only the lower part of your body, mainly your feet and your knees. There are many different kinds of kicks to use to keep the bag in the air. Inside kicks (using the inside of the foot in a flat position) and outside kicks (using the outside of the foot while the leg is behind the body) are the most popular.

Many Wessex students can be found by the parking lot during the lunch periods or in the halls "hacking." Competing among themselves, the students count the number of kicks or "knees" each can achieve with the footbag.



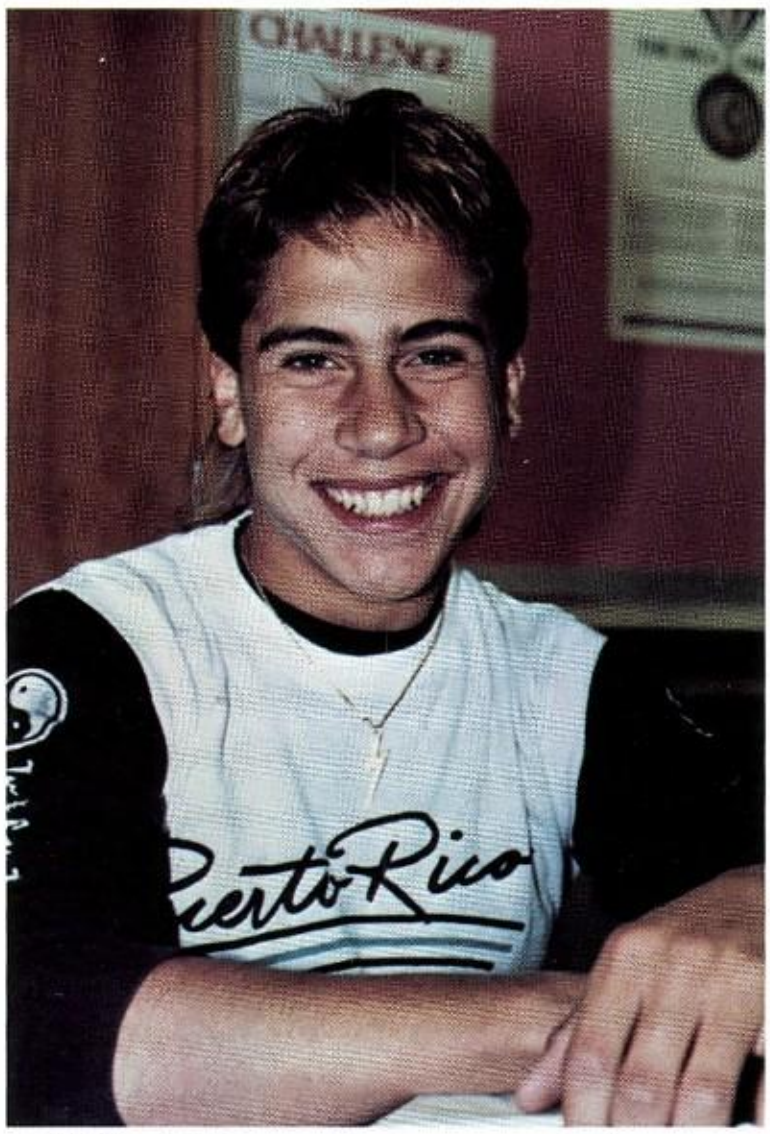
HACKING TO THE BEAT: Junior Mark Heitzman demonstrates his expertise.



WHAT A FEELING!: Senior David Schwartz leaps to kick the hackey sack.

SENIORS

LAUGHING WITH FRIENDS: Seniors Christine Moro, Ann Parker and Amanda Valente share a special moment



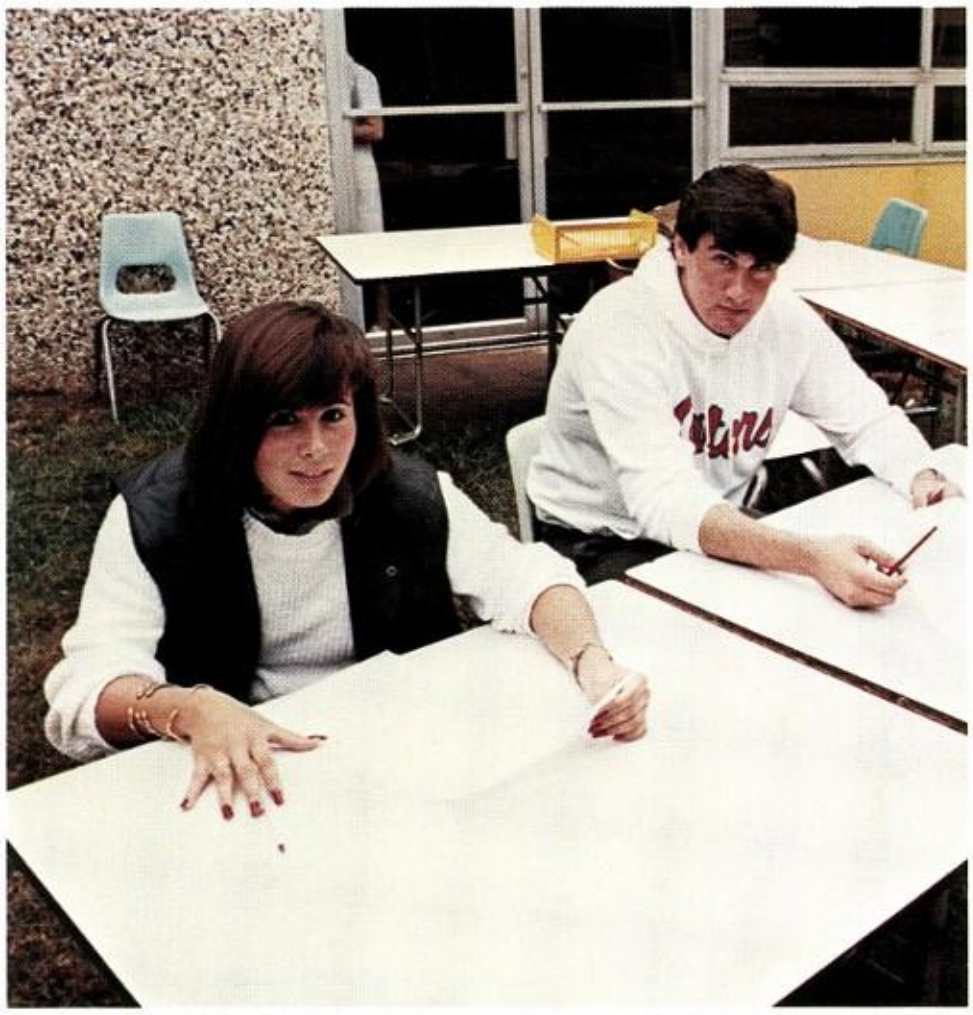
WINNING SMILE: Senior Chris Serino poses for the camera.

LOOKING PRETTY!: Senior Jessica Murphy smiles demurely out from under her stylish hat.

U.S.A. ALL THE WAY!: Senior Linda Laucirica displays her patriotic spirit on the Wessex tennis courts.

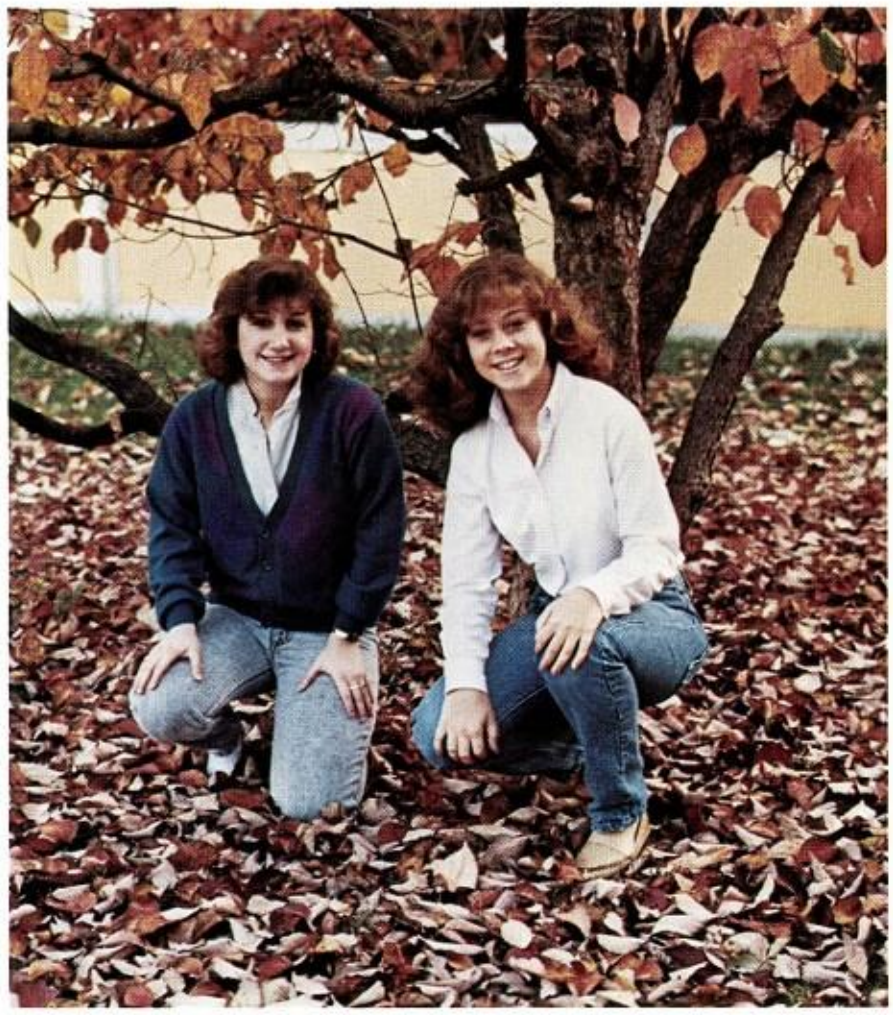
THE CLASS OF 1985

SENIOR VOTING



Student Voice directors Dana Commandatore and Jeff Wolpov conduct the voting.

GIRLS' CITIZENSHIP



Amy Weinhouse and Toni Altera

SPORTS

PEP TALK: Coach Linda Alimi talks to her field hockey team before the big game.

BATTLING FOR THE BALL: Junior Eileen Hanna steals the ball from her opponent.

WARMING THE BENCH: Junior Colin O'Neil and the varsity soccer team watches a game already in progress.

VICTORY!: Senior Tom Salamone celebrates the winning touchdown.

HURDLING THE OPPONENT: A Wessex player, with the help of a strong team, rushes for the first down.

FOOTBALL

For the football team, it was a year of peaks and valleys. Valleys came in the opening two games, disappointing losses to Morris Hills and Roxbury. Peaks came in their next four games, all wins, including a 35-26 victory over highly-regarded East Orange and a 21-6 decision over Morristown. Another valley occurred in the eighth game, a 13-3 loss to Morris Knolls which knocked the Knights out of play-off contention. The last peak was a 41-0 rout of arch-rival Livingston.

Offensively, Wessex was a powerhouse after ironing out difficulties which limited the team to only eight points in their first two games. Senior fullback Mike Mariano led the attack, slashing for over 100 yards rushing on several occasions. Mitch Mund, a junior, supplemented Mariano's power with explosive speed. He rushed for over 200 yards against Livingston, and over 120 against East Orange. Junior quarterback Pete Caravella matured as the season progressed. In the Livingston game, Pete completed four of five passes for 127 yards and three touchdowns. He threw to several receivers, led by Seniors Tony Ciardella and Tom Salamone, also the team's punter and place kicker.

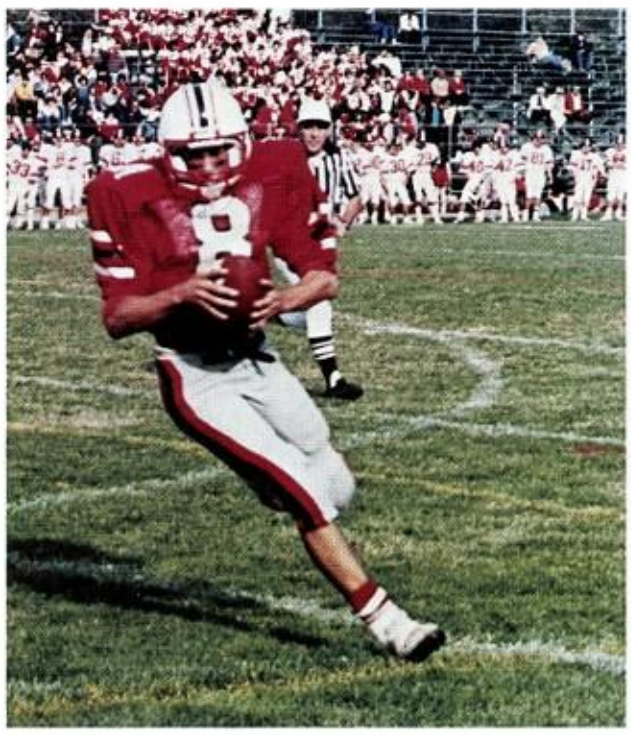
On defense, the Knights were a hard-hitting crew. Junior linebackers Mike Quinn and Steve DeMaio led the charge. On the line, Sam Carsillo was a force, gathering in a couple of fumbles. Steve Lupo, Robert Papa and Jon Gade, all seniors all played well.

Though the Knights lost two games they might have won, it was generally a successful season, with more peaks than valleys.

Frank Vespe

WHAT A DAY!: A tired player reflects upon the day's efforts.

DODGING AN OPPONENT: Senior Michael Mariano displays some fancy footwork.



SPRINTING AHEAD: Senior Michael Mariano leaves his opponent wallowing in the dust.
SWEEPING AROUND THE END: Junior Pete Caravella sneaks past an opponent to throw the ball.
WATCHING FROM THE SIDELINES: Longing to play, injured Senior Marc Racioppi intensely watches the game.

A BEAR HUG: Junior Mike Quinn tackles an opponent with a huge hug.

THE BIG ESCAPE: Junior Mitch Mund slithers past an opponent.

FIELD HOCKEY

What more could one ask for than a winning season; moreover, a New Jersey State Championship! This year the 1984 field hockey team captured the state title for the first time. The girls defeated Tom River South in the finals on November 17 at Rutgers. Previously the girls beat Passaic Valley in the semi-finals by a score of 4-3.

This year's team was composed of almost all seniors. With Julie Riccardelli playing goalie; Sue Souren playing sweeper; Lisa Beardslee, Ellen Kandravy and Michelle Miller playing backs; Debbie Sheerin and Heidi Briggs playing links; Katie McGill and Kathy Holzinger playing wings; and Donna Griffoul playing inner; next year's team will only have one returning varsity member, Junior Sandy Lemm.

The field hockey team, under the successful coaching of Miss Linda Alimi, compiled a 18-1-1 record and most of all a STATE CHAMPIONSHIP!

— MEMORIES OF A GREAT SEASON —

WAN'IT, WAN'IT, WAN'IT — PUSH!!! One of the cheers that will remind us of the 1984 West Essex Field Hockey team. Our many long journeys to Pottstown, Pa., will also not be forgotten, along with sunglasses and shaving-cream at night, "SEX" hysterically laughing on the field and still winning the game, "Yo Adrian!" and just really being the seniors we always wanted to be — REVENGE IS SWEET (sardines, garlic powder, tobasco sauce). Then there were practices — the timed mile!!, aerobics, the goochee bag, scrimages, "damn I've got to control that drive," "WAAAAAAH", and mud fights. Such successful practices. How did we ever win a game?? Ya — BEAT

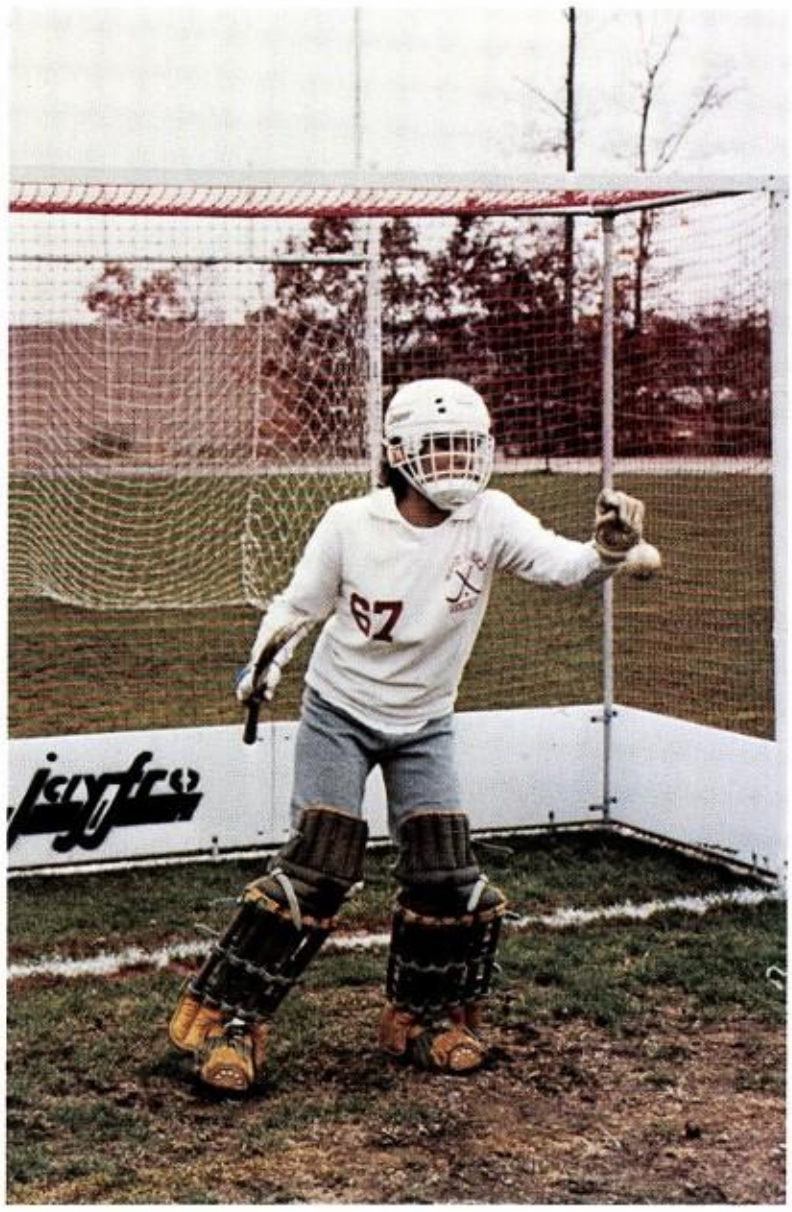
LENDING A HELPING HAND: Juniors Caroline Rosen and Beth Carline carry the waterbucket for the varsity starters.

GIVING HER ALL: Senior Lisa Beardslee drives the ball upfield.

MONTCLAIR — we lost a battle but won the **war!!** We have had a very successful season thanks to our fans, Mother Smith; our new coach, Coach Engler and to our old + gray (and getting grayer thanks to us) Miss Alimi. Good luck to our future teams. Luv, Zinger, Donna, Katie, Deb, Briggsy, Michelle, Kellen, Beasley, Sue, Ric, Nifer, Zinda. WAY TO GO WESSEX! '84 STATE CHAMPS!!!!!!!!!!!

ATTACK!: Senior Kathy Holzinger dribbles the ball.

CONCENTRATION!: Senior co-captain Debbie Sheerin gets ready to hit the ball as Senior co-captain Ellen Kandravy looks on from behind.



DEFENSE!: Goalie Senior Julie Riccardelli stops the opposing team from scoring.

TEAMWORK!: Senior co-captain Heidi Briggs and Senior Katie McGill work together to bring the ball upfield.

BOYS' SOCCER

Although 1983 may have been a rebuilding year, all the work finally paid off. The West Essex soccer team had both the experience and skill to vault themselves high-up in Essex County and Group 4 Section 2 rankings.

Coach Tom Taylor had lost the advantage of having Mike Giampapa's added knowledge of the game. Coach Giampapa dropped this year to the J.V. coach. However, this move did not hurt the team because of the many experienced players. The more experienced players were ready for the vigorous training, but all the others caught on quickly. This training showed itself as the Knights outran and out-lasted their opponents.

Chris Serino and Gary Dean led the Knights at midfield and Rich Geng anchored the defense at sweeper. These tri-captains were critical to the team's success. Thomas Agesen provided strong support at midfield and sweeper. Carl Hanks, Frank DeMiro, Colin O'Neil and Al Almeida provided the scoring punch. Senior Al Almeida led the team in scoring with eleven goals.

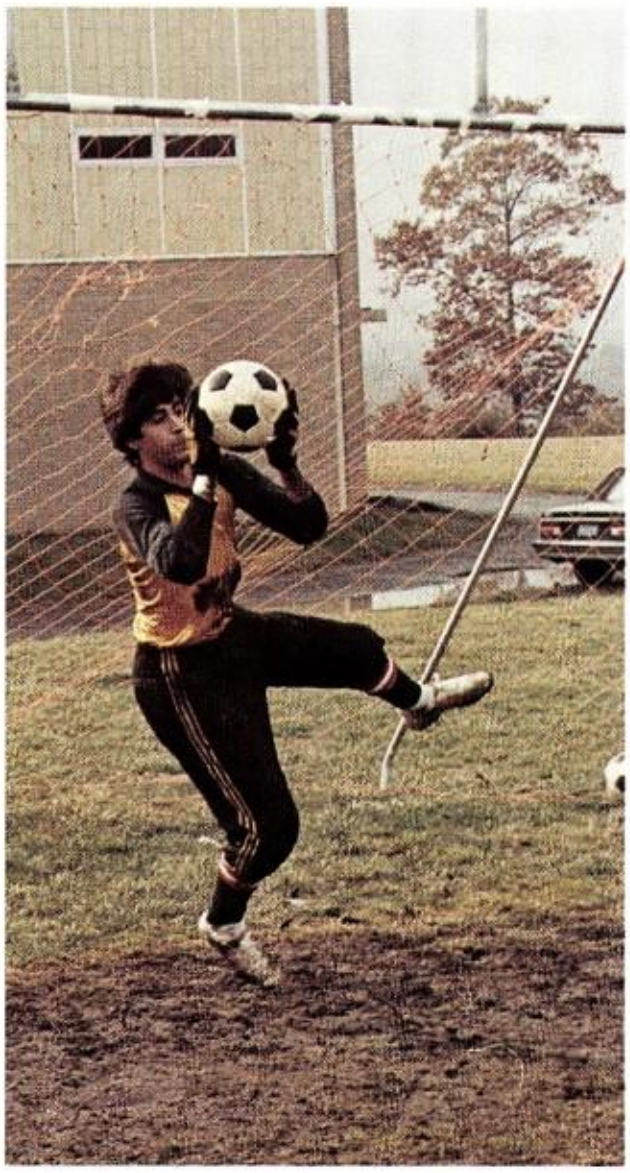
The forward line and midfield was quick, and skillful, providing solid scoring. The defense was inpregnable behind Senior Sweeper Rich Geng and the other backs: Gregg Williamson, Chris Waltz, Jaime Bastidas, Ralph Conte, and Brian Dean.

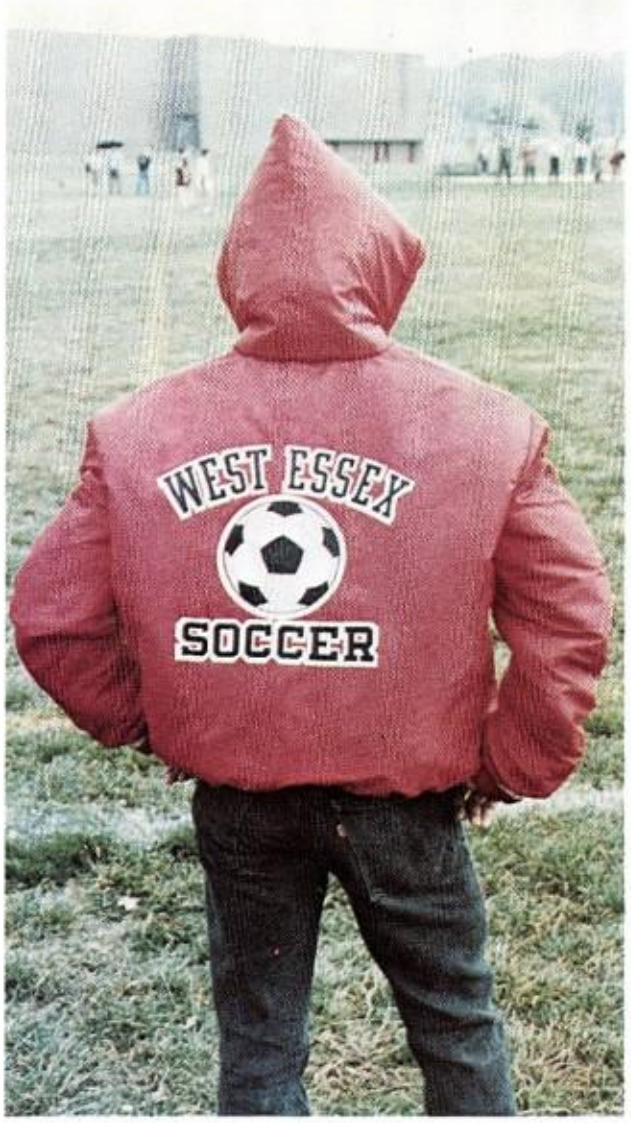
The Knights can look forward to an even better season next year. The '85 ballers will have much talent, skill and returning lettermen.

Craig Alexander

"AIM, FIRE!: Junior Brian Dean readies for a goal.

PERFECT SAVE!: Senior goalie Chris Cortese catches the ball just before it goes into the goal.





MASKED MAN: An unidentified fan watches the soccer game.

Reaching New Heights: Sophomore Carl Hanks heads the ball.

HIGH KICKER: Senior Jaime Bastidas kicks the ball upfield.

MAKING THE GOAL: Junior Frank DeMiro demonstrates the steps in scoring a goal.

E.O.H.S.
WEST ESSEX
WEST ESSEX
WEST ESSEX
WEST ESSEX

WESSEX SPRINTS AHEAD: Steven Therianos, Kenneth Weinstein, Gerard Rotonda and Tom Adelmann lead the pack in a tough meet with East Orange.

CROSS COUNTRY

Cross-country is a sport of the individual. The loss or gain of a single person can mean the difference between a winning season and a losing one.

For West Essex, coming off a disastrous 3-9 year, the losses appeared to outweigh the gains. Gone from last year's squad were many team members. The only new major addition appeared to be sophomore Tom Adelman.

But the team rebounded for a very respectable 6-7 season. Adelman was consistently the first West Essex finisher, with times under 18 minutes. Senior Scott Reed also excelled, usually chasing on Adelman's heels. Other good performances were turned in by sophomore Jim Scannell and seniors Gerard Rotonda and Steven Therianos.

The squad's members showed vast improvement, many achieving personal goals for which they had long strived. Juniors Ken Weinstein and David Jaffe made great strides, as did sophomores Jon Fine and Rob Payne.

On the girls' side, the team had few races. The lady Knights were paced by Juniors Kathy Quinn and Wendy Mazur and senior captain Toni Altera.

Certainly, with much young talent on a J.V. team that won five of six meets, the future looks bright for an improving cross-country squad.

Frank Vespe

STRETCHING OUT: Sophomores Cathy Quinn and Wendy Mazur limbering up before a hard day's practice.

"A WINNER!": Senior Renée Helou scores the winning point.

GIRLS' TENNIS

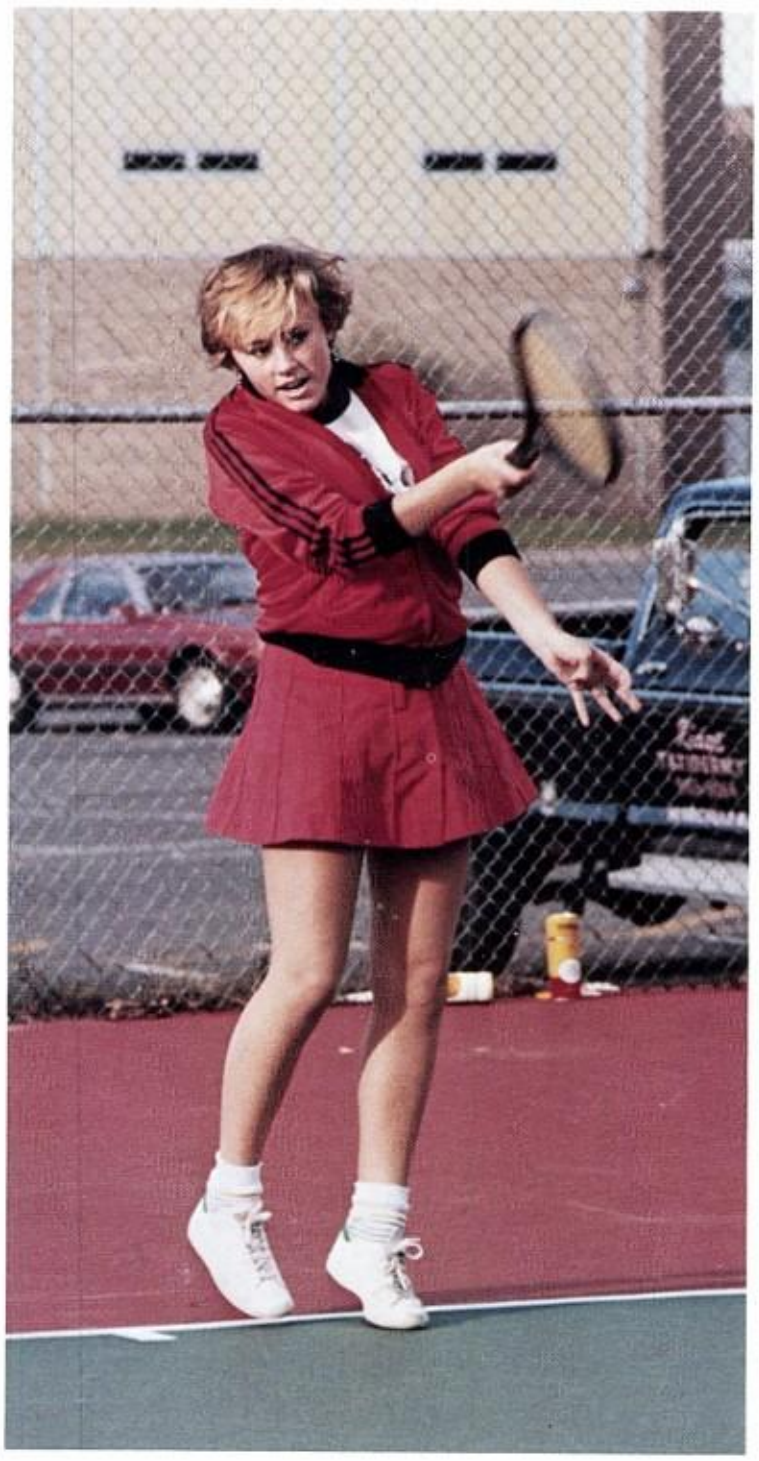
"ACE!": Freshman Erika Weber dazzles her opponent.

1984 was a rebuilding year for the girls' varsity tennis team. With only senior co-captains Heather Alexander and Renée Helou returning from the previous year's varsity team, the team was truly beginning from "scratch."

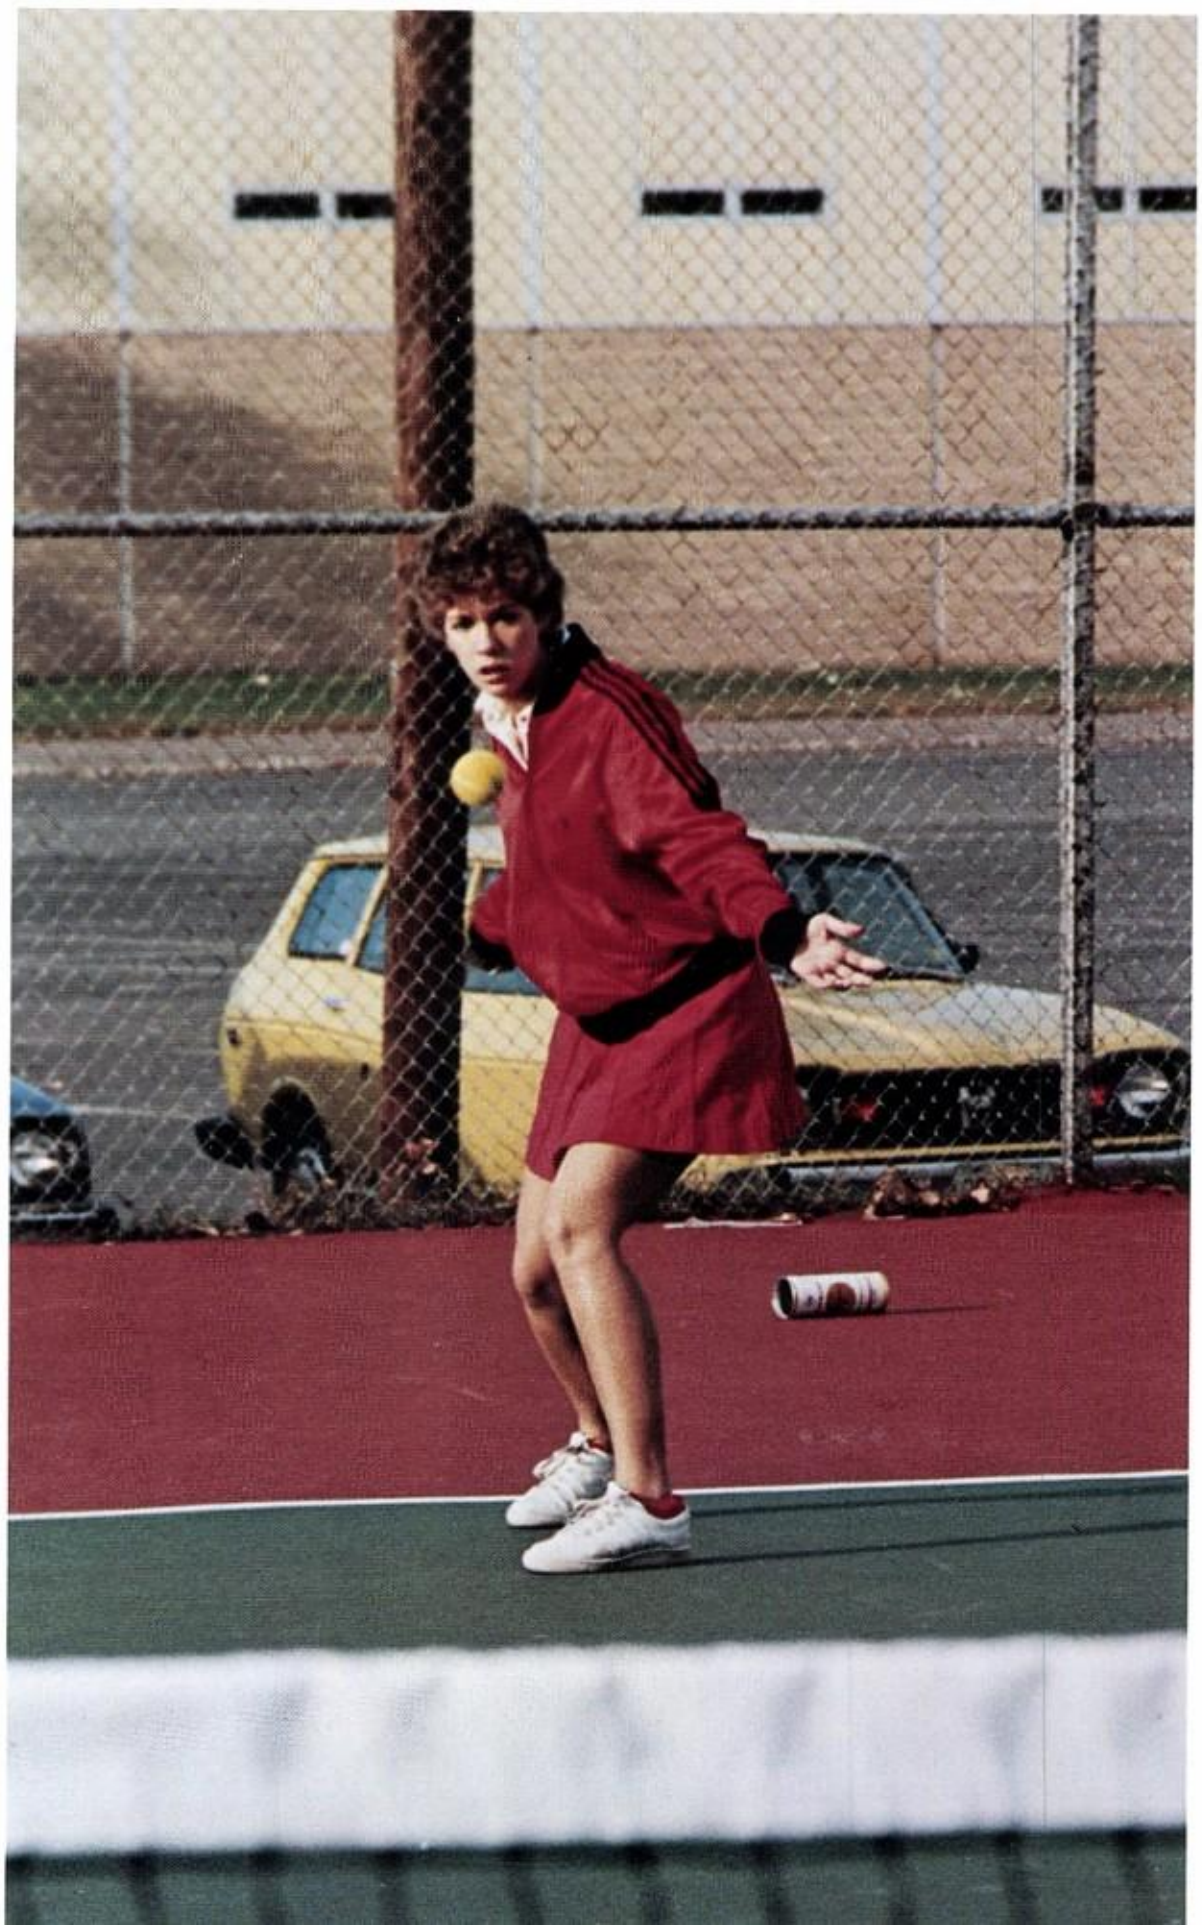
The three single spots were captured by freshmen Erika Weber, Lauren Ploscowe, Laurie Gordon and Sophmore Kim Ringwood. The four girls rotated singles positions throughout the season. Seniors Heather Alexander and Renée Helou played first doubles and Senior Jackie DeSimone, Sophomore Sophie Lheritier and Freshman Kristin Wosniak took turns in playing second doubles.

Under the direction of coach John Christopher, the girls finished the season with a 4-10 record. Although the only teams the girls defeated were East Orange and Roxbury, much improvement was noticeable throughout the season. Within the next couple of years, the girls' tennis team should find its way back to being top in the county.

Heather Alexander



SIZZLING SWING!: Sophomore Sophie Lheritier smashes the ball cross-court.



SERVICE RETURN! Senior Heather Alexander prepares to hit the ball.

GIRLS' SOCCER

For six years now, the girls' varsity soccer team has made its mark on the field. The team was led by head coach Larry Yarrish and J.V. coach MaryAnne Lyons, who have both shown their dedication in establishing girls' soccer as an important part of the West Essex Athletics program. The success of last year's junior varsity caused a rise in participation and demand for a J.V. coach.

Due to a challenging schedule, the team was forced to work hard and play state-ranked teams. Making it to the semi-finals of the Essex County Tournament was a great accomplishment. Beating Livingston in the first round was especially rewarding after losing twice in regular season games. Defeating Parsippany enabled the team to enter the state tournament. Beating excellent teams, such as Livingston, Columbia, and Parsippany brought the team to greater satisfaction and ended up with a record of 8-9.

Next year's team will have to compensate defensively since this year it consisted of Junior goalie Bonnie Fritz, sweeper Carina Borgstrom, tri-captain left full-back Denise Farina, stopper Darcie Eckert and tri-captain full-back Dana Commandatore. The midfield spots were dominated by Seniors Beth Tofanelli, tri captain center-halfback Lori Majewski, right halfback Christine Downs and first-time out Senior Alicia Barba. This year's team had no senior forwards, so next year's team will have to rely on Juniors Sheila Carroll, Eileen Hanna, Beth Lieberman and Freshman Heather Honeker.

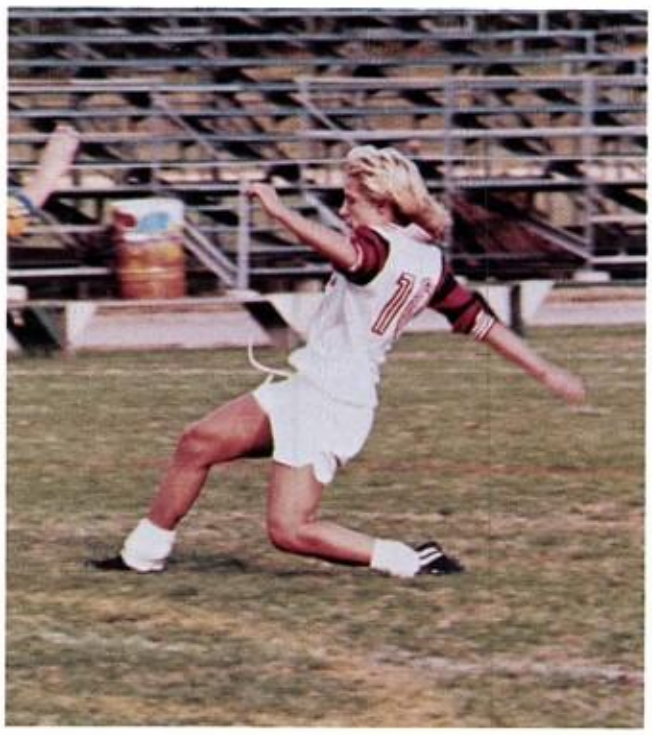
We would like to apologize for eggage and delays caused by parkway traffic. Thank you Mr. Yarrish and Ms. Lyons for your support and time.

Denise Farina
Lori Majewski
Dana Commandatore

WATER BREAK: Junior Beth Lieberman takes a refreshing drink of water.

COMBAT: Freshman Heather Honeker battles for the ball.

JUST MISSED: Junior Eileen Hanna and Sheila Carroll are stopped while trying to score the goal.



MOVE OVER: Senior co-captain Denise Farina battles for the ball.

SLIDING FOR THE SHOT: Senior Lori Majewski shoots for the goal.

USING YOUR NOGGIN: Senior Beth Tofanelli heads the ball.

CHEERLEADING

With a little bit of pep and a little bit of steam ... off to camp the cheerleaders go. They were sent to their house which was a small shack in the woods lying next to a dark lake. The girls named it "Jason's House." However, they knew who to call in times of trouble — Bonnie Buster! Then, on the middle of the night the girl's sleep was altered when Nancy screamed that something strange was out there. Who is it, Col? "It's a Thriller!" The cheerleaders survived and in the end they were awarded with the prize of the week — the spirit stick. Are you ready to start cheering — Oh yes we are.

With a rick tick tickitty tick — ding dong ...

The little yellow school bus rode down the street. Inside 16 cheerleaders were "going bananas." The final moments arrived and Miss Robertson gave the girls a pep talk — "It's gonna be a tough game girls, so go out there and give them what you got." Eenie Meenie Miney Mo catch a football player by the toe — Sophomore Soaps.

We've go that good time feeling and we're ready to go — Hey — let's go. Finally, Annie's new hello.

Spirit stars, decorating houses, the mouse jump, and fudge jumbles. We had a very special season this year, thanks to everyone involved with cheering, esp. our new coach, Miss Robertson. Good luck to everyone next year — we'll miss you. Remember we just want to have fun — That's all we really want — 'cause we are number one!

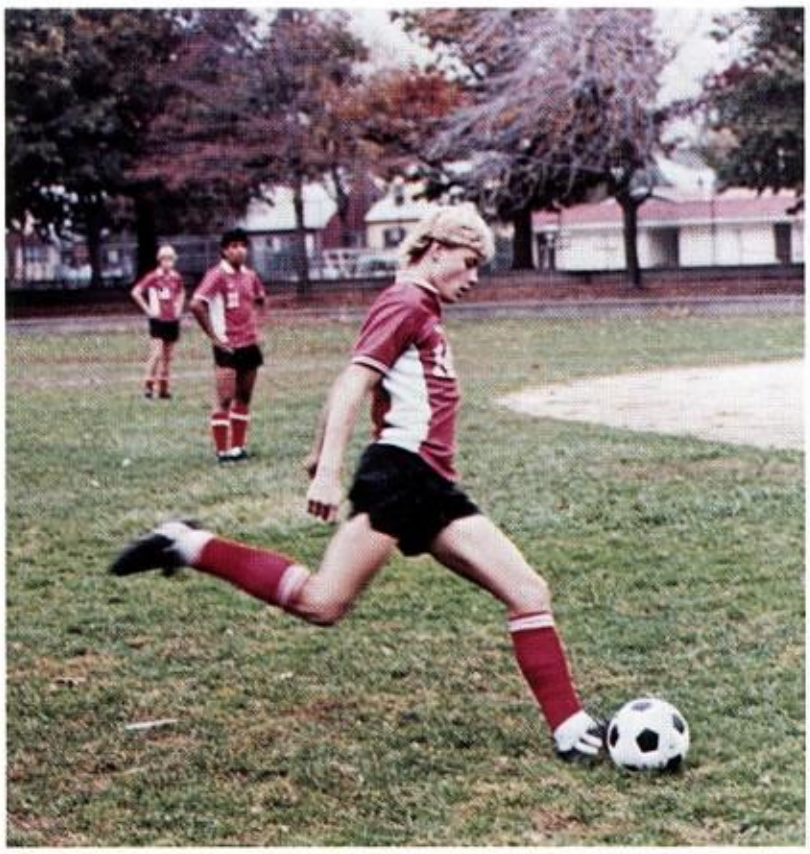
Ann Rosen
Colleen Keith

KEEPING THE BEAT: Co-captain Senior Ann Rosen cheers enthusiastically.

GO KNIGHTS!: Senior Wendy Piltzecker jumps for joy when Wessex scores a touchdown.

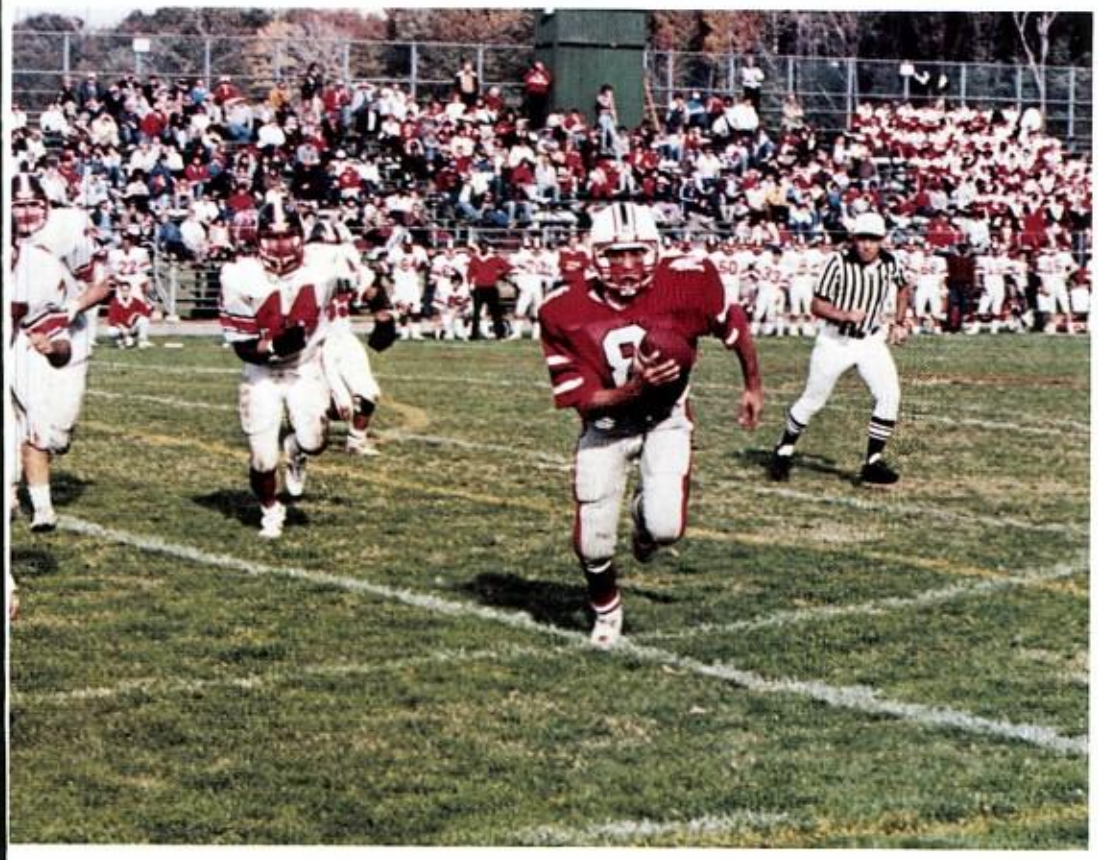
PEP AND SPIRIT: Cheerleaders watch the football game.

GIVE ME A "W"!: Co-captain Senior Colleen Keith and Dawn Megaro lead the crowd in a cheer.

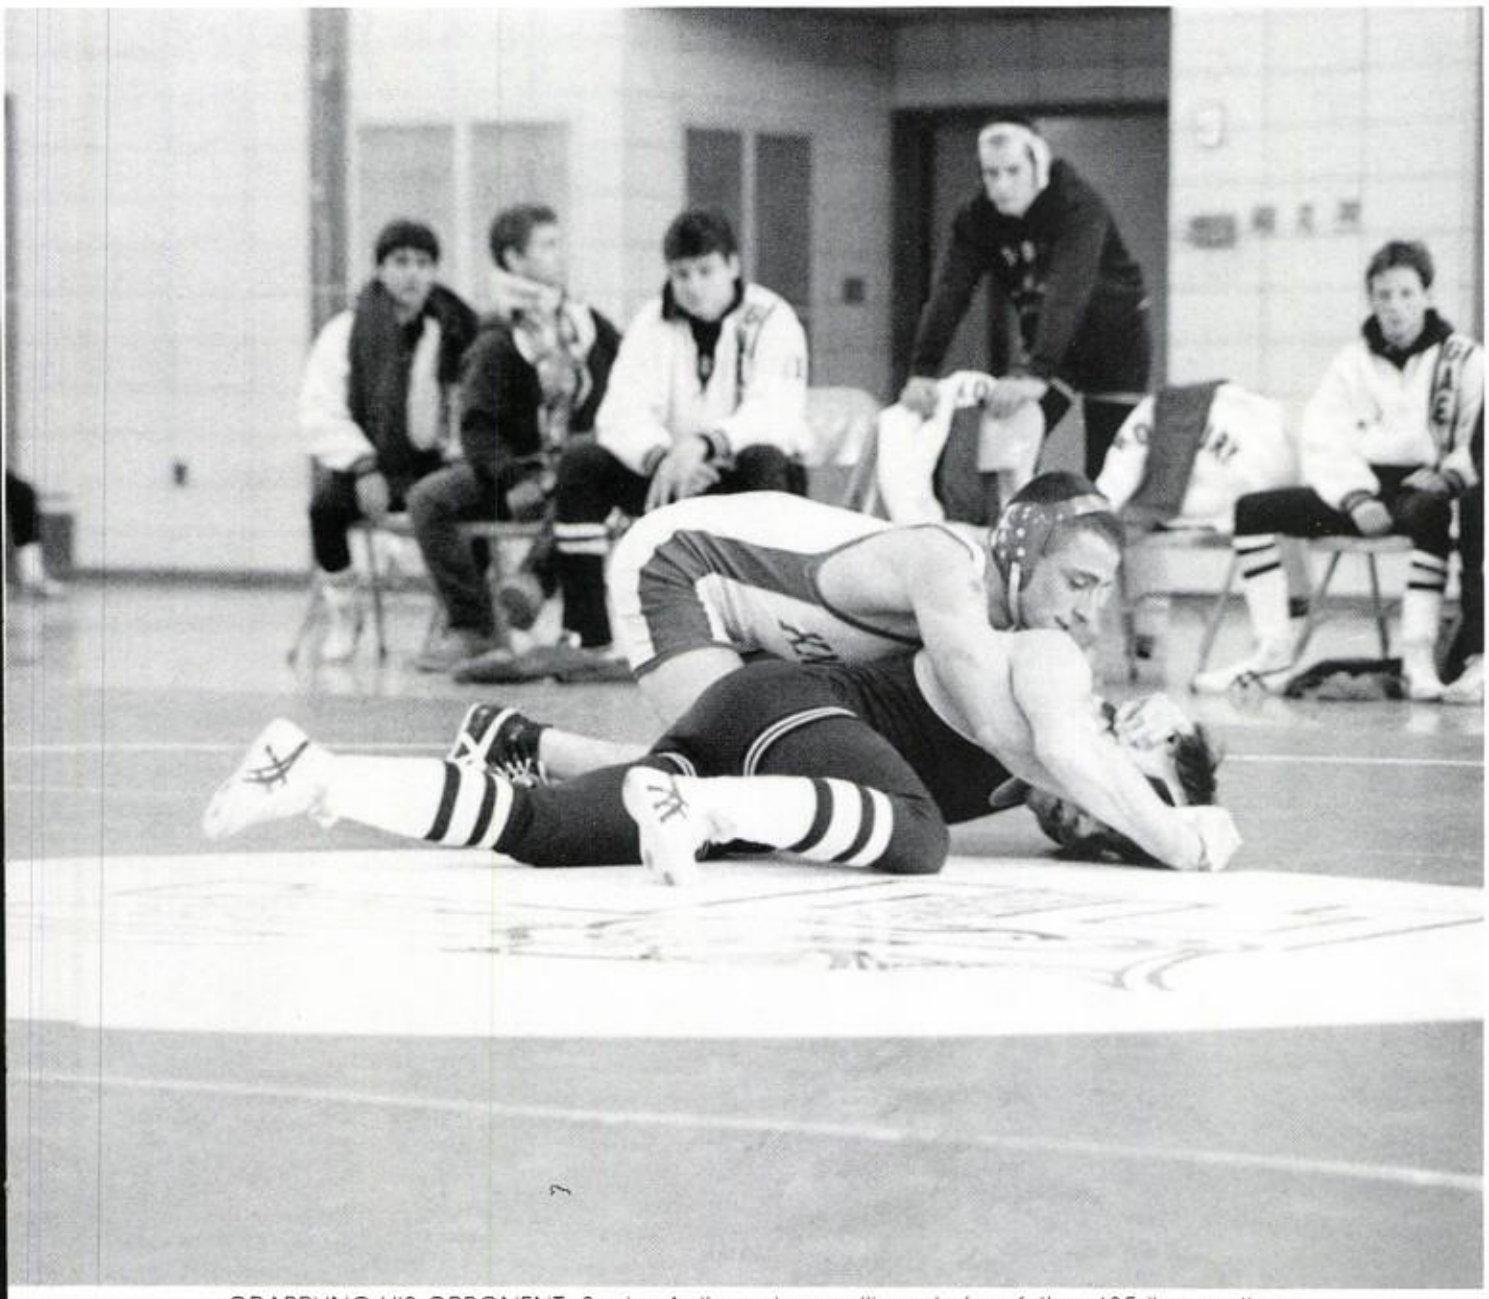


WEST ESSEX
5

3



IN CONTROL: Senior varsity grappler Richard DeMary comes close to pinning an opponent.



GRAPPLING HIS OPPONENT: Senior Anthony Lucarelli controls a fellow 135 lb. wrestler.

WESSEX ON TOP!: Freshman Chris Janish tries to pin his opponent while the cheerleaders look on.

Wrestling

Measured against its predecessors, this year's wrestling team would certainly come out on the short end, but record alone does not tell the whole story.

This team, decimated by graduations from last year's superb squad and injuries, did not reach its full potential. Nevertheless, there was still plenty of talent.

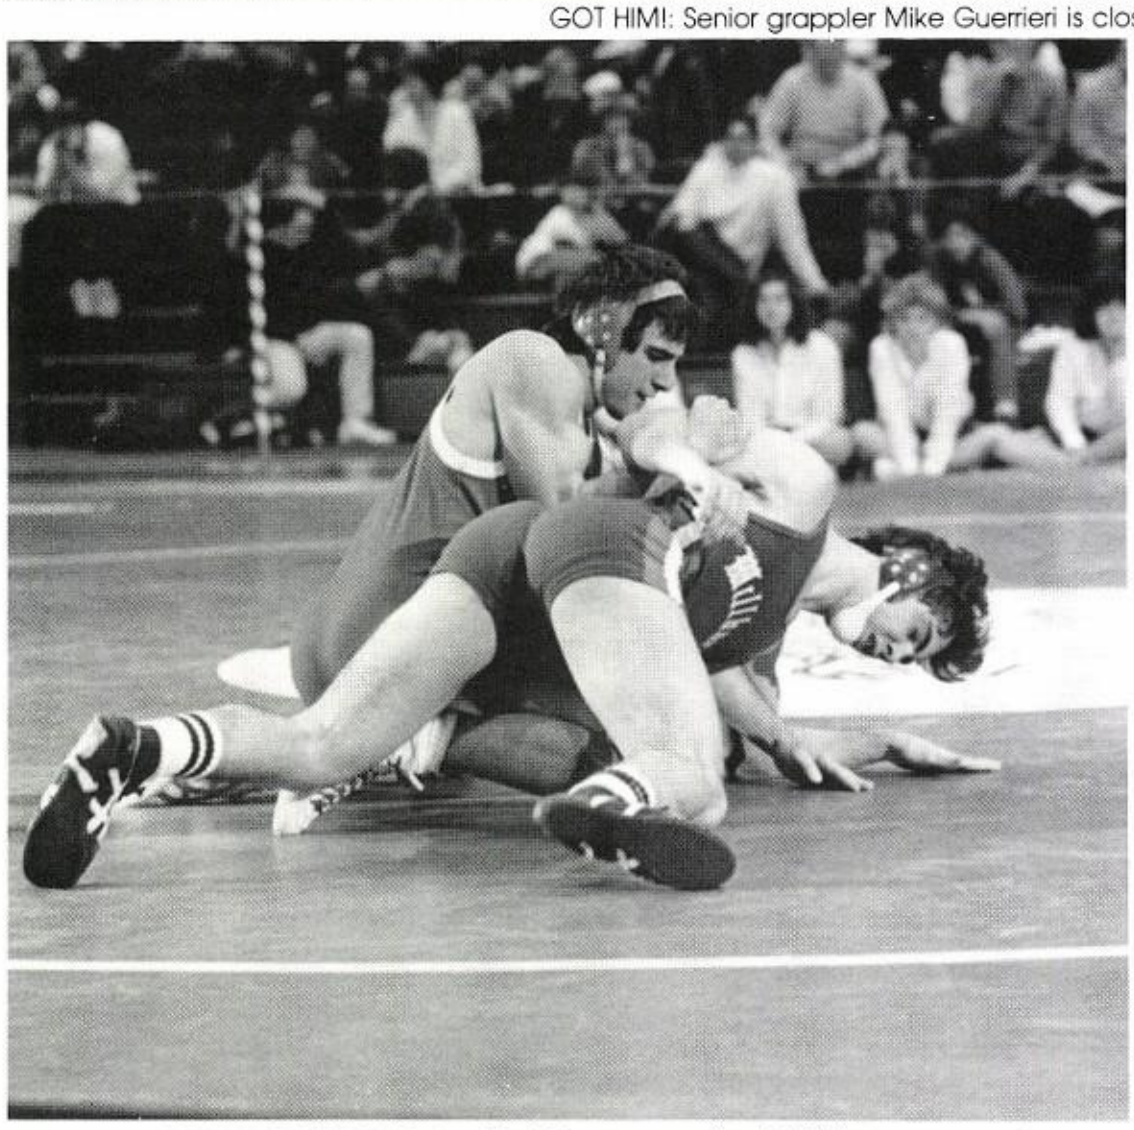
The Knights excelled in the first four weights. The Brothers DeMary, Frank (101 lbs.) and Rich (108 lbs.), consistently gave the Knights twin victories at the start of each match. So successful were they, in fact, that Frank finished third in the District Tournament while Rich walked off with first place. Another first place finisher in that tournament was Al Almeida, who had an excellent season while filling the 122 pound slot.

Three other wrestlers also had fine seasons. Mike Guerrieri wrestled quite well in the 148 lbs. weight class. Anthony Lucarelli, at 135, and Mark Fano, at 158, both won their respective categories at the District Tournament.

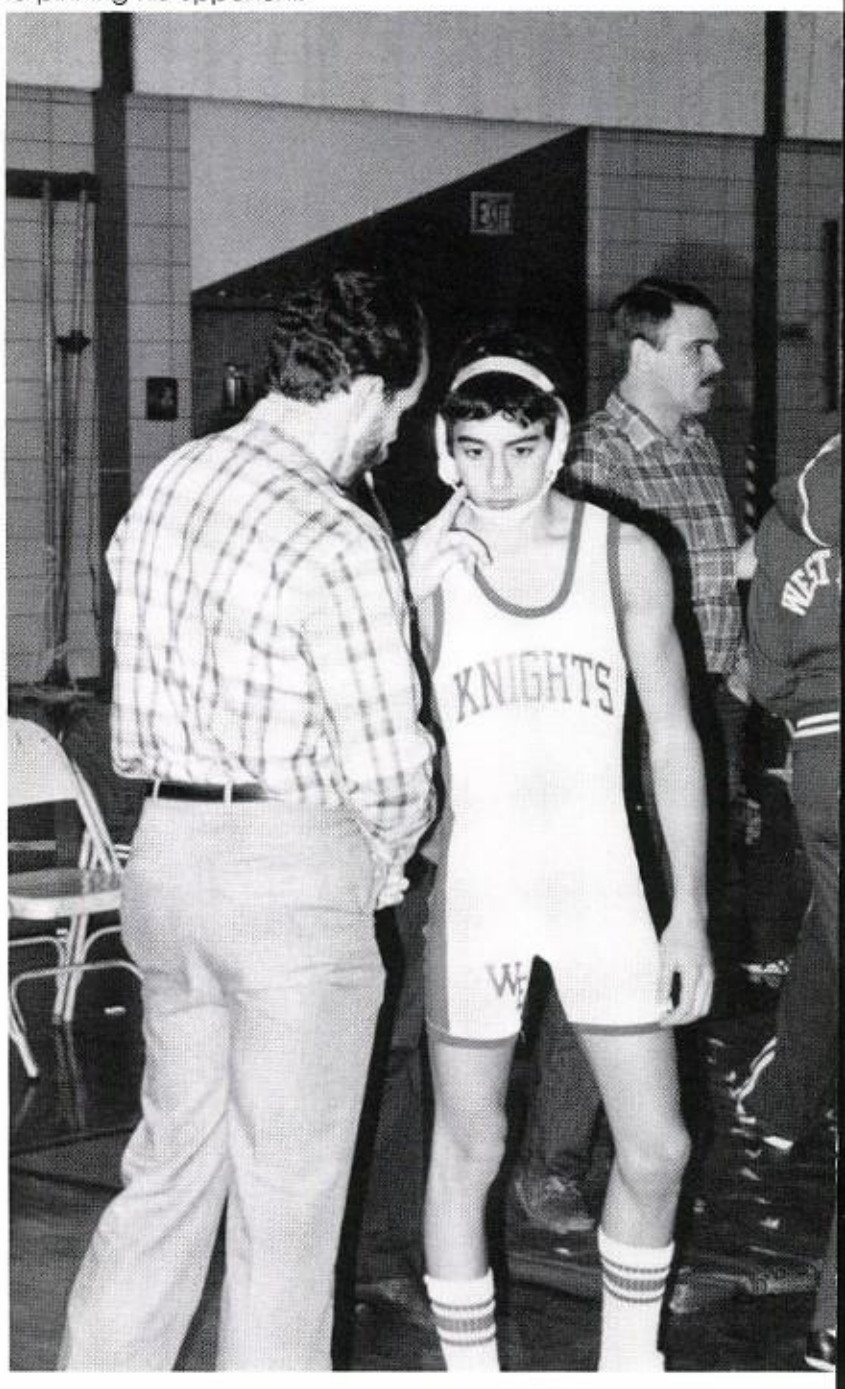
Though the team, under coach Jeff Boyd, did not do as well as some might have expected, the future looks bright indeed. With so many injuries, a plethora of wrestlers saw action, thus insuring next year's team one thing — experience.

Frank Vespe

GOT HIM!: Senior grappler Mike Guerrieri is close to pinning his opponent.



TOUGH POSITION: Senior Mark Fano goes after his Millburn opponent.



SOUND ADVICE: Junior Gregg Sabbak receives a piece of advice from coach Jeffrey Boyd.

Winter Track

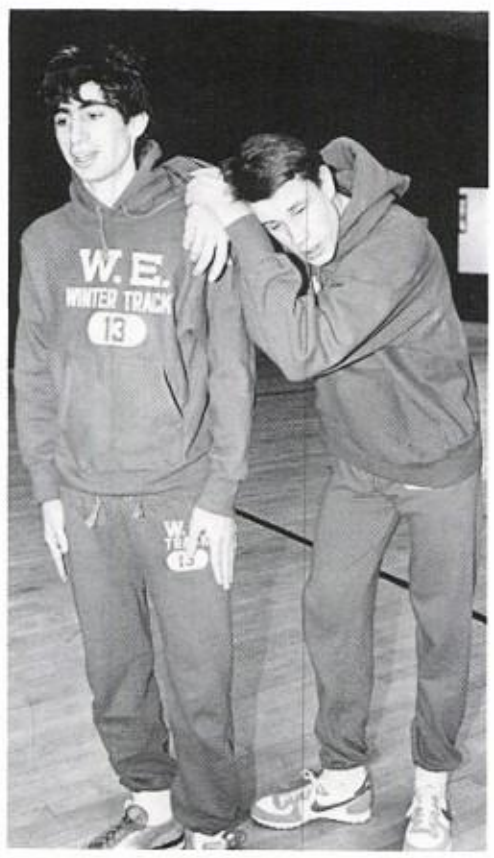
While many people were indoors this winter, the West Essex Winter track team was outside fighting the bitter cold and doing what they do best — running. With exceptions of juniors David Jaffe and Ken Weinstein, the entire team was inexperienced to the style of winter track. The '84-'85 team, though, had one of the largest turnouts seen by veteran coach Mr. Larry Yarrish. Even though there was an absence of seniors, the team had many promising newcomers. One of which was freshman Bob LaHoff who excelled in the 800 meters.

Junior Sheila Carroll also was one to beware of in the 800, which she had never run before this year. According to the **Star Ledger,** Sheila had the fifth best time in the 600 in New Jersey's indoor track competition. Most of the meets were held in East Stroudsburg, Pennsylvania, where the team achieved personal-best records.

Although the dedicated squad entered the winter with the spring track season in mind, they left with an optimistic outlook toward their future in winter track.

Donna Dellapi

ON THE RUN: Junior Tom Adelmann tries to overtake his opponent in an indoor track meet.



EXHAUSTION: Junior David Jaffe lends a shoulder for Junior Tom Adelmann to lean an after an grueling meet.

Boys' Basketball

Despite their losing record of 3-16, the West Essex boys' varsity basketball team has gained one very important asset this season — experience. 1985 was a rebuilding year for the Knight hoopsters, who will return seven lettermen back for next year's season.

The highlight of the season for the Knights was winning the championship in the West Essex Chamber of Commerce Holiday Basketball Tournament. The Knights beat Caldwell in the first round 75-73, and in the finals Wessex trounced Cedar Grove 70-61. It was Coach Tony Ortiz's first championship of his head coaching career.

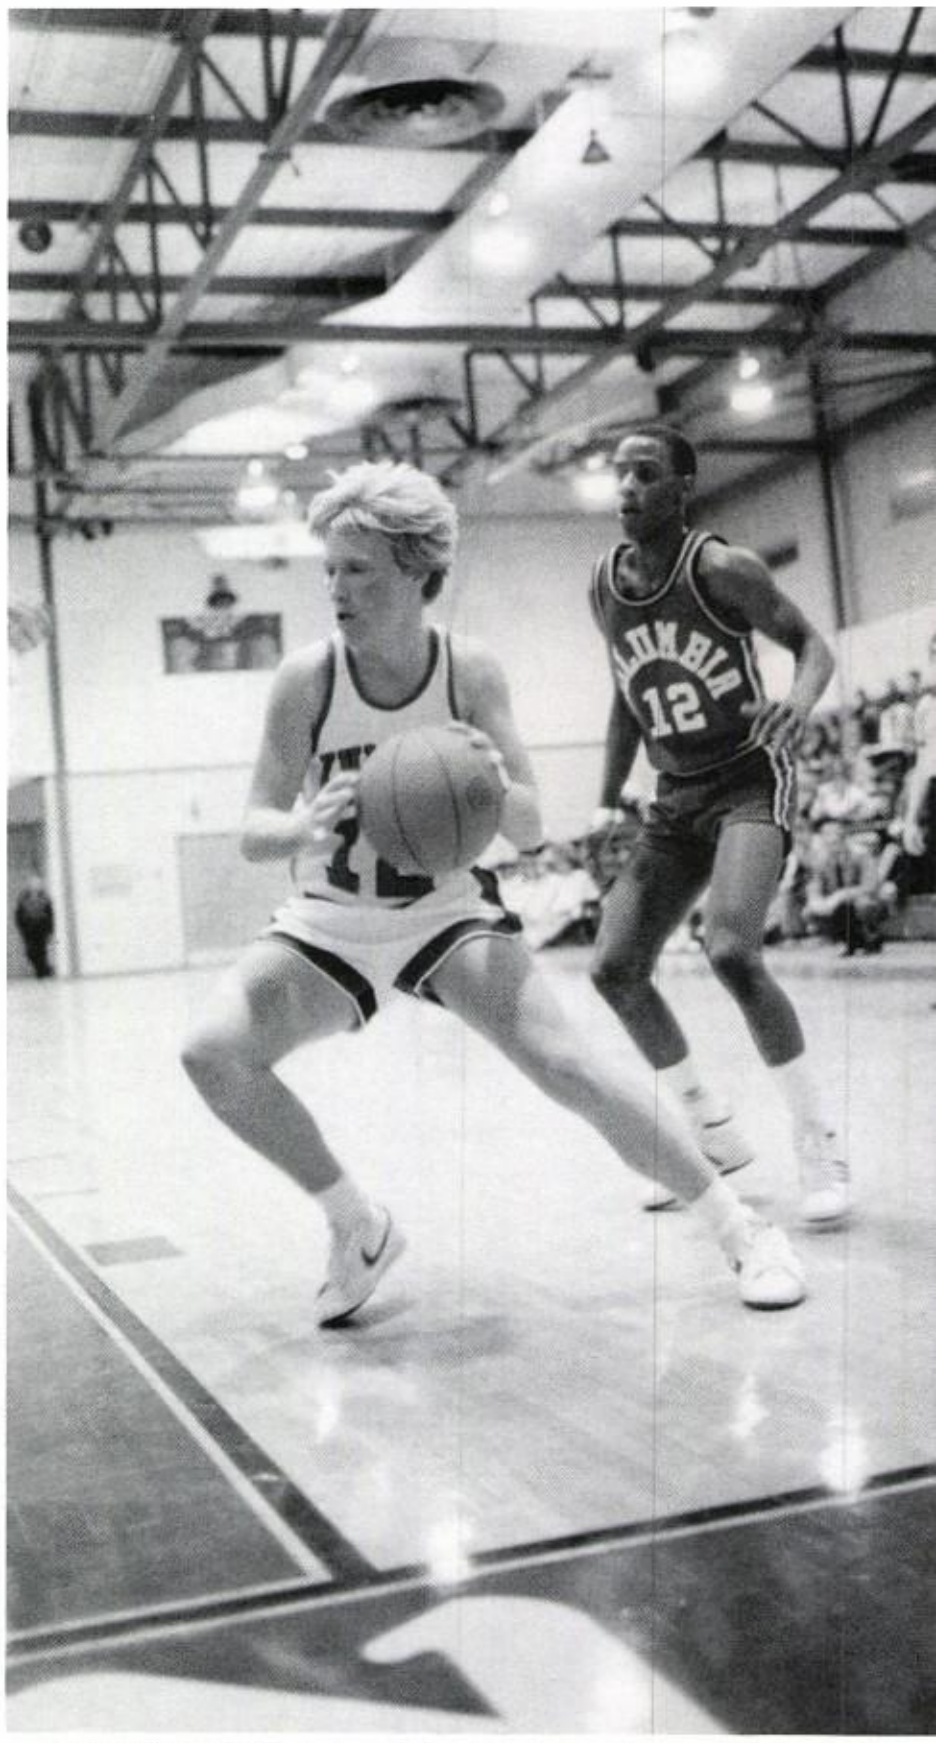
The young Knights' starting line-up consisted of team captain Jeff Wolpov, a senior; Mike Ruvo, Walter Bischoff, and John Romano, all juniors; and Mike Carbonara, a sophomore.

With experience comes maturity, and since the Knights will lose only two seniors to graduation, Wolpov and 6th man Christopher Bonastia, this team will be a force to be reckoned with in the future.

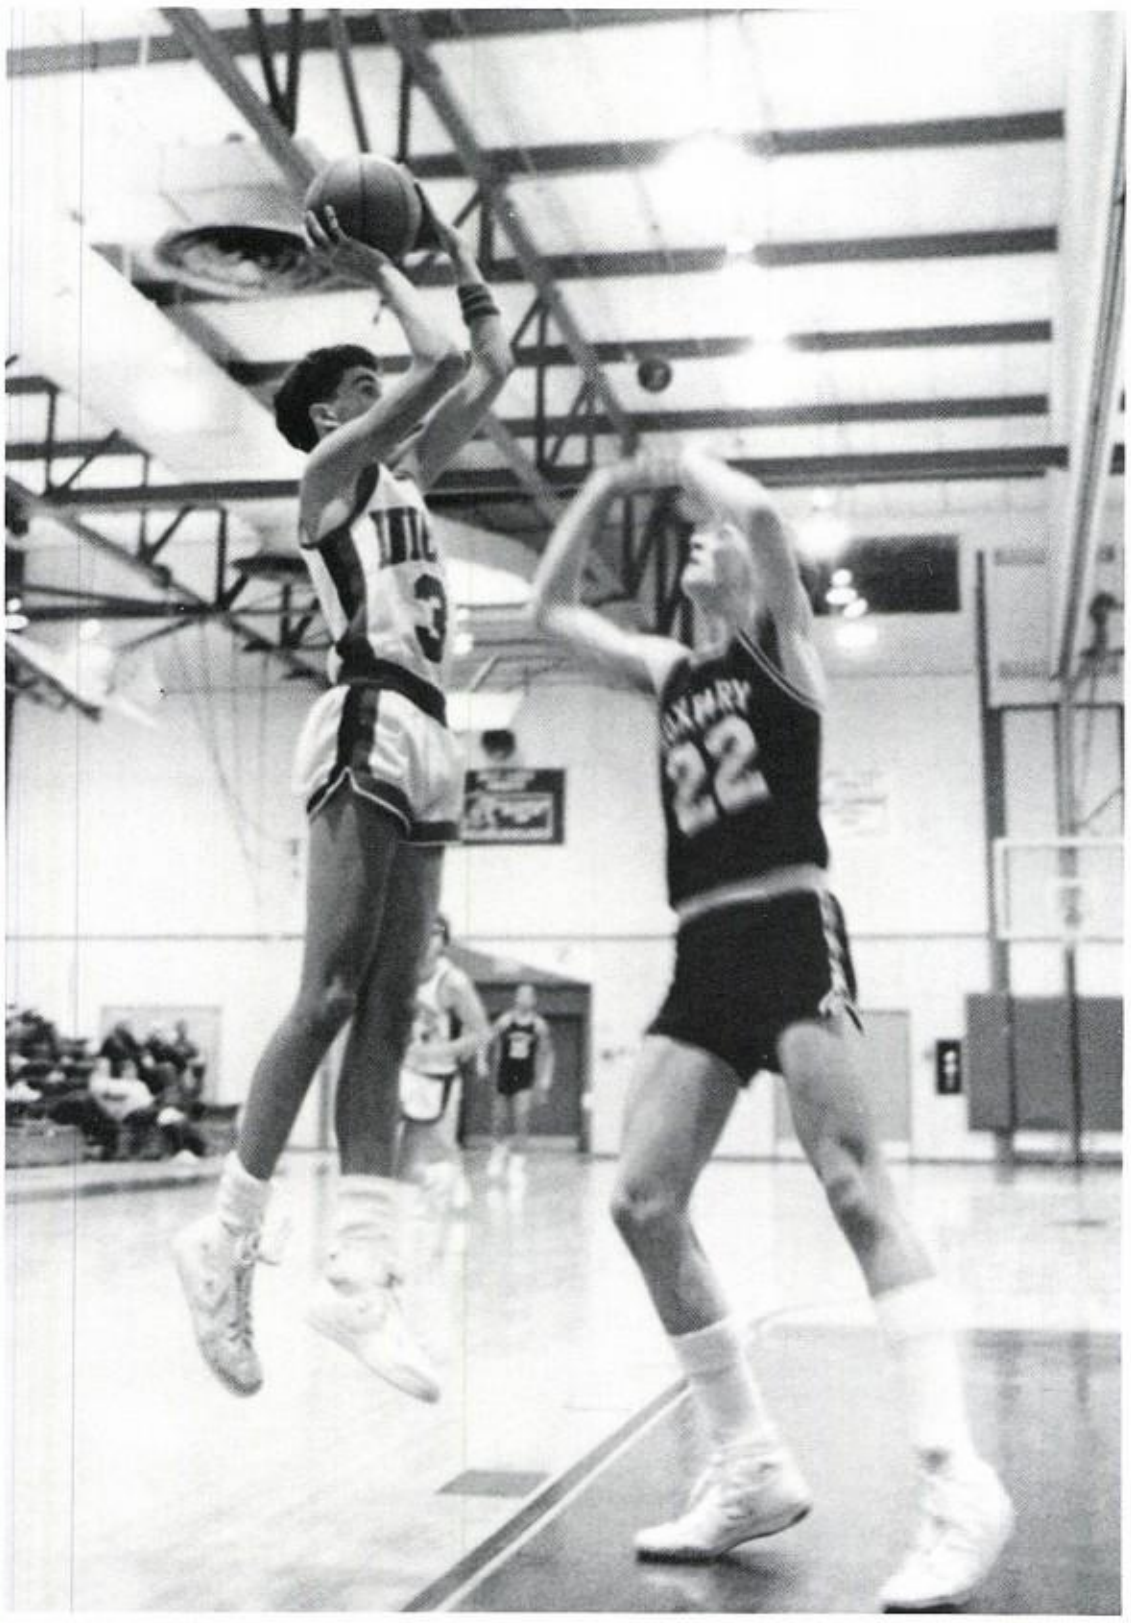
Jeff Wolpov

ONE MAN SHOW: Senior captain Jeff Wolpov jumps for two points.

A STRONG HOLD: Senior Christopher Bonastia keeps the ball away from a Columbia opponent.



BREAKING AWAY: Junior Walter Bishoff drives towards the basket.



UP AND AWAY!: Sophomore Michael Carbonara jumps for two points.

Ice Hockey

It was a season best summed up by the phrase, "What might have been." What might have been if . . .

— the Knights had not been crippled by injuries early in the season.

— the team had played as a cohesive unit when most of the players were able to play.

The Knights were not an especially deep team, and their injured list read like the starting lineup. The first line lost juniors John Olsen and Rob Ogando to injuries. Secondliner Tom Matarazzo was also bitten by the injury bug. Furthermore, defenseman Rick DeMaio missed several games.

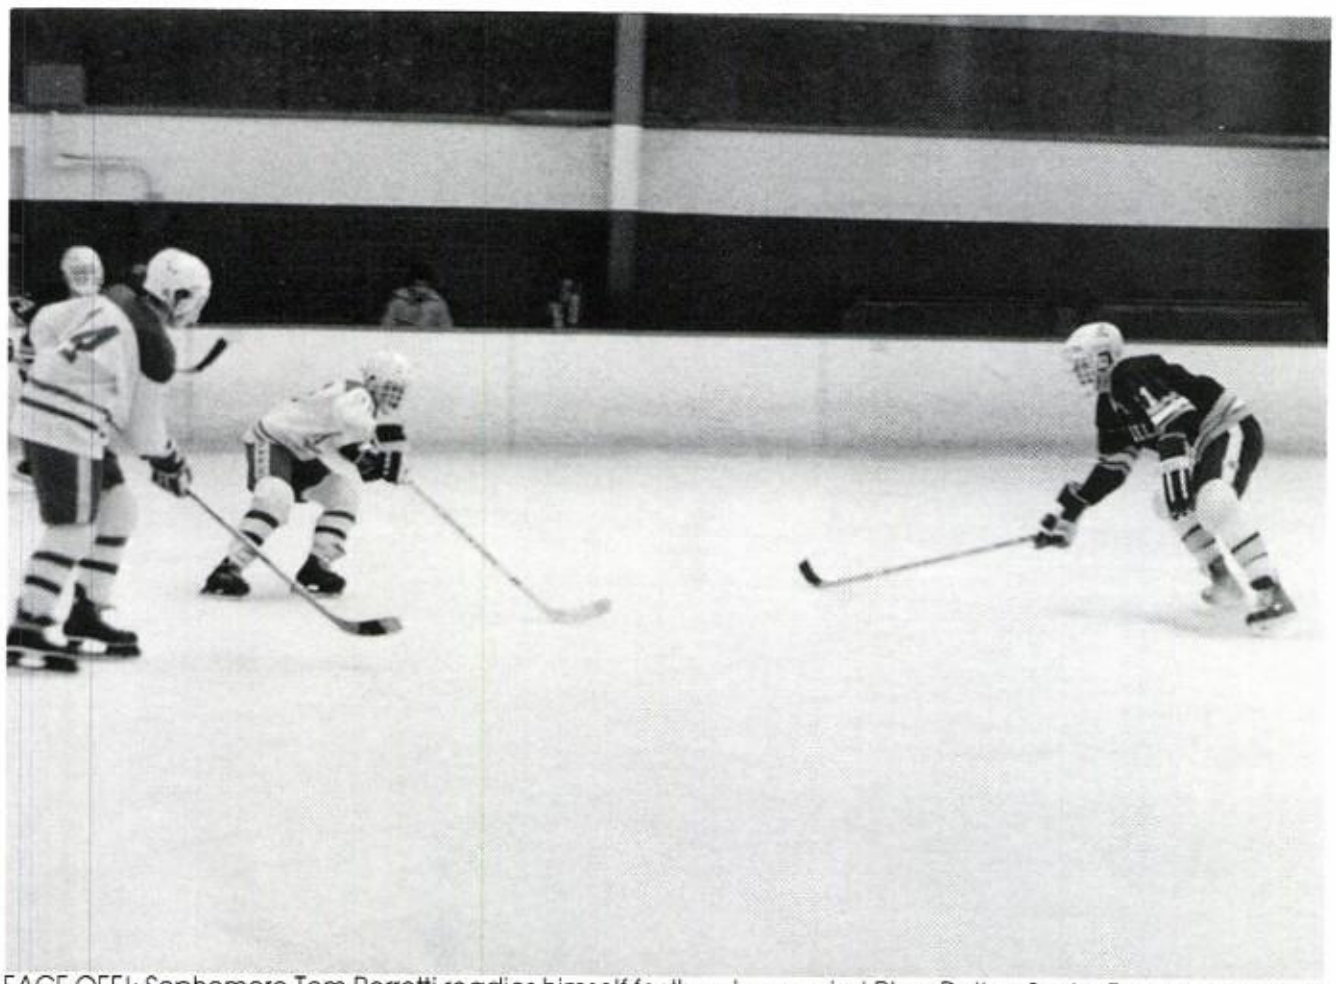
The remaining players were faced with a heavier burden than expected. Gard Krause and Tom Perrotti joined cocaptain Frank Vespe, who led the team in scoring, on the first line. Mike Levine and Thomas Agesen anchored the second line; they were joined during Matarazzo's absence by Daniel Edge.

Glenn Gates, the other cocaptain, was the team's defense stalwart. He was joined on the backline by Gregg Eisenberg, Jerry Petrucci and Rick DeMaio. Ron Infusino was very good in goal, and Larry Werfel provided strong backup goaltending.

The team's record was 5-8-2, and as a result, they did not participate in post-season competition. Graduating players include Vespe, Matarazzo, Levine, Edge, Gates, Eisenberg and Infusino. Nevertheless, the nucleus of a good team remains, and next year looks to be an improvement. Perhaps, if the players remain healthy and play as a unit, next season will require no "What ifs."

Frank Vespe

FANCY FOOTWORK: Senior Mike Levine and Senior Tom Matarazzo battle for the puck.



FACE OFF!: Sophomore Tom Perrotti readies himself for the play against River Dell as Senior Frank Vespe looks on.

SKATING AWAY: Senior Frank Vespe maneuvers the puck down the ice.

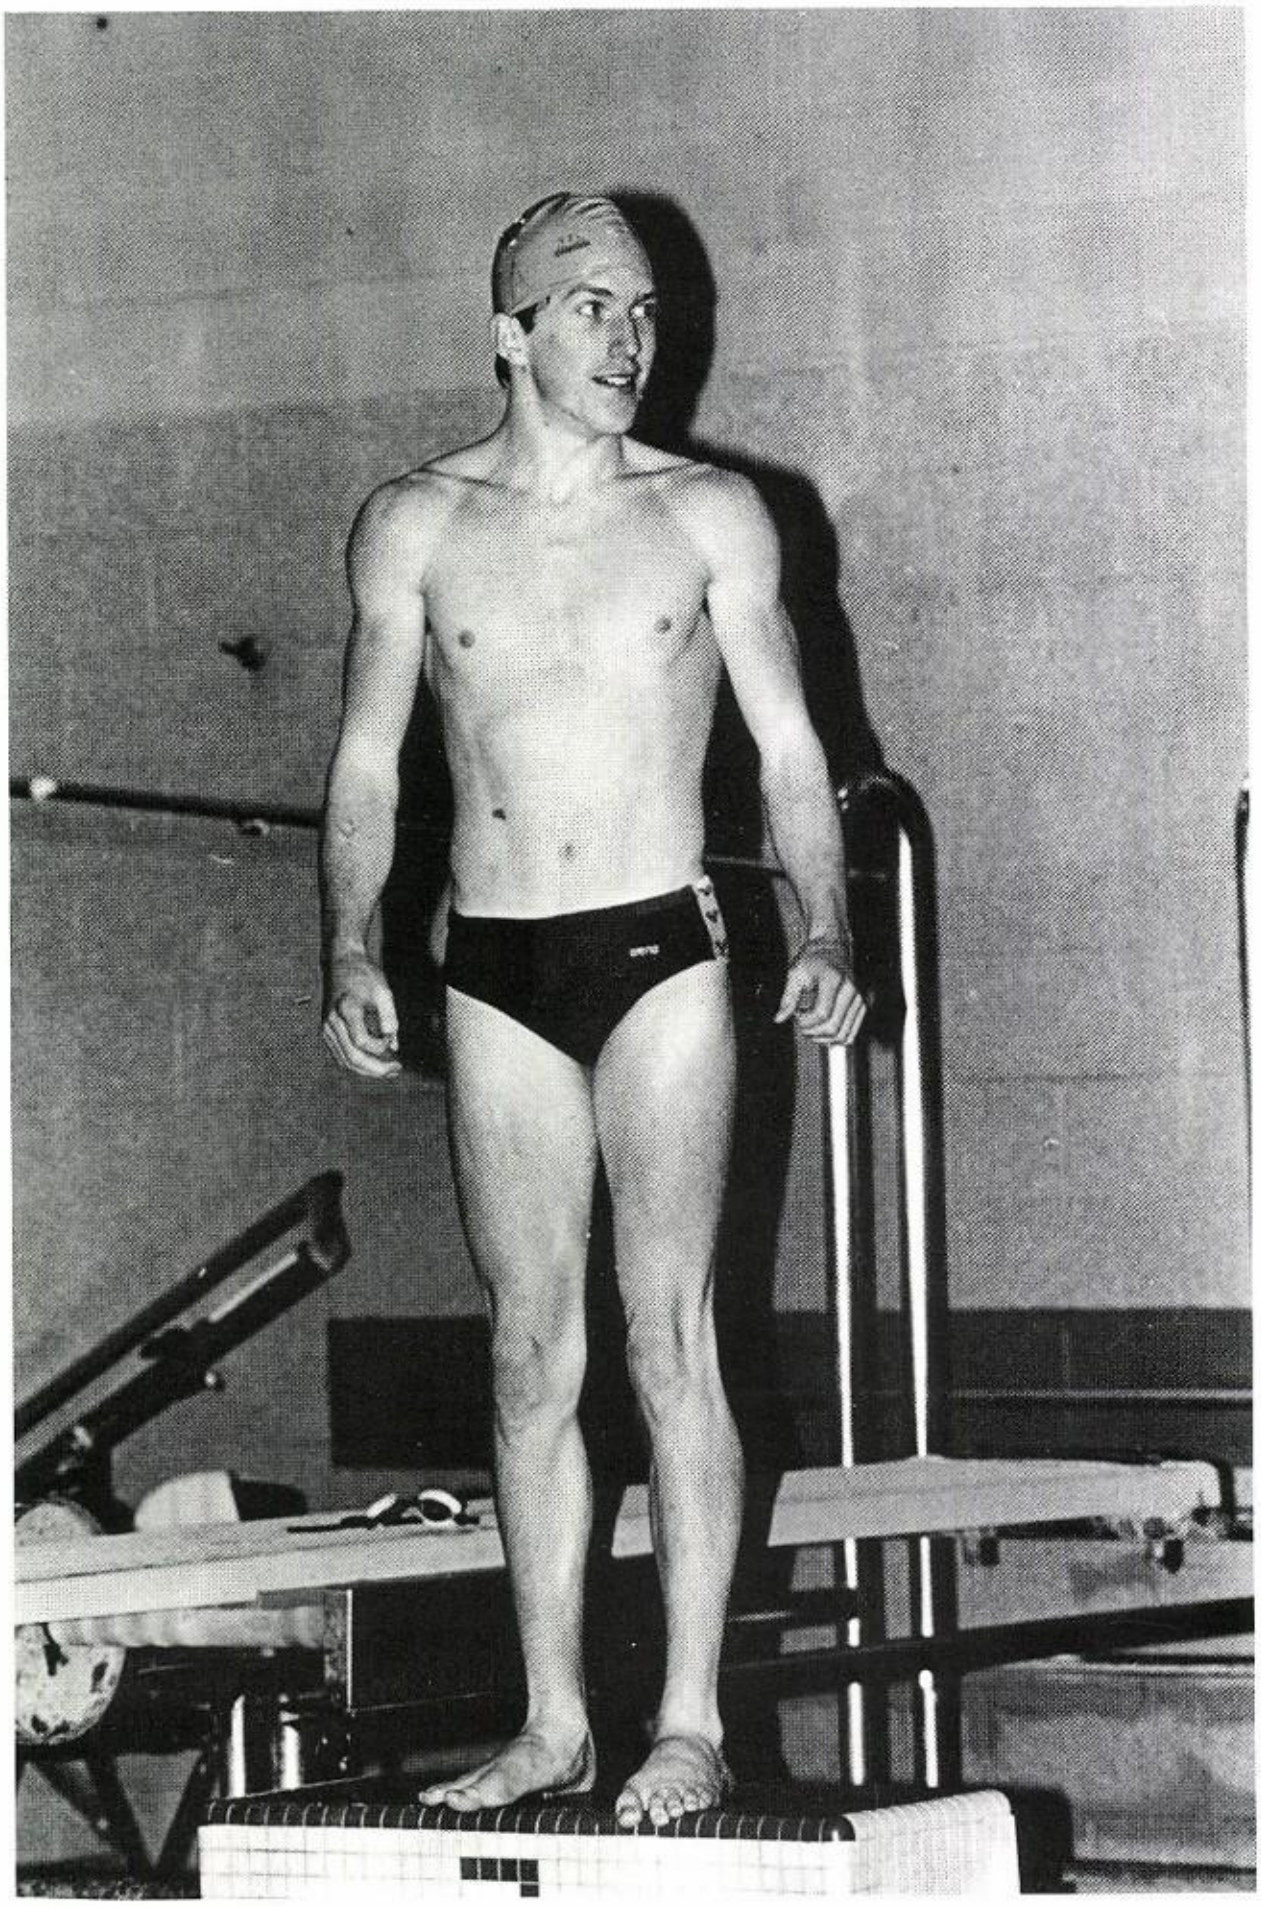
SCORE!: Sophomore Tom Agesen takes a winning shot at the goal.

Swimming

Led by team captains Kevin O'Dowd and Darcie Eckert, the West Essex 1984-1985 swim team had an exciting, not to mention interesting, season. The girls finished with a record of 2 and 11 and the boys finished 1 and 12. The highlight of this year's season was a second place finish at counties for the girls' team. In addition, senior Darcie Eckert won the state freestyle championships with record-breaking times.

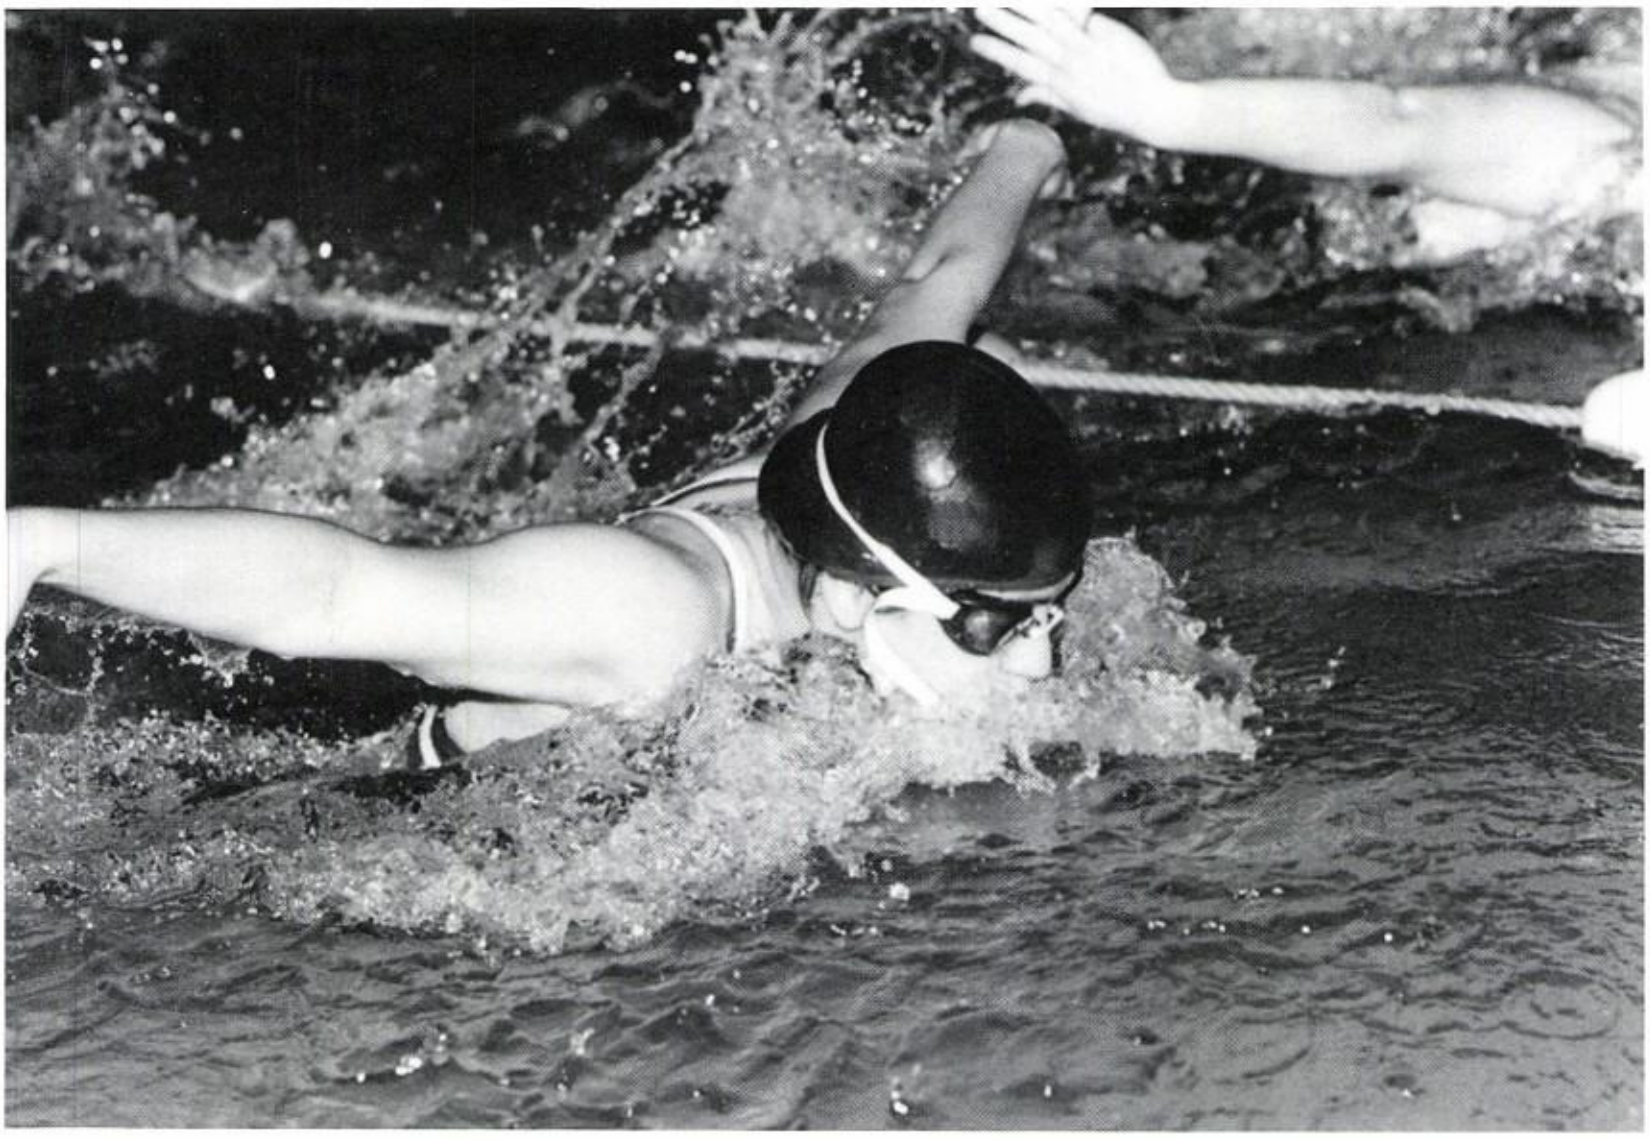
Key swimmers for the girls' team were Darcie Eckert, Colleen Dillon, Jennifer Hampson, Lisa Beardslee, Jill Patrick, Kathy Kalemba, Caroline Morrison, Heather Honecker and Jennifer DeSimone. The boys' team also had its share of excellent swimmers. These swimmers included Kevin O'Dowd, Paul Israel, Yoshi Yuasa, Mike Zincone and Kevin Koblinski.

Special thanks to our "new coach," Bruce (Pearly) Pearl, for his time, patience, and infinite understanding and of course promptness!!! Bruce, **you** made us what we are today!

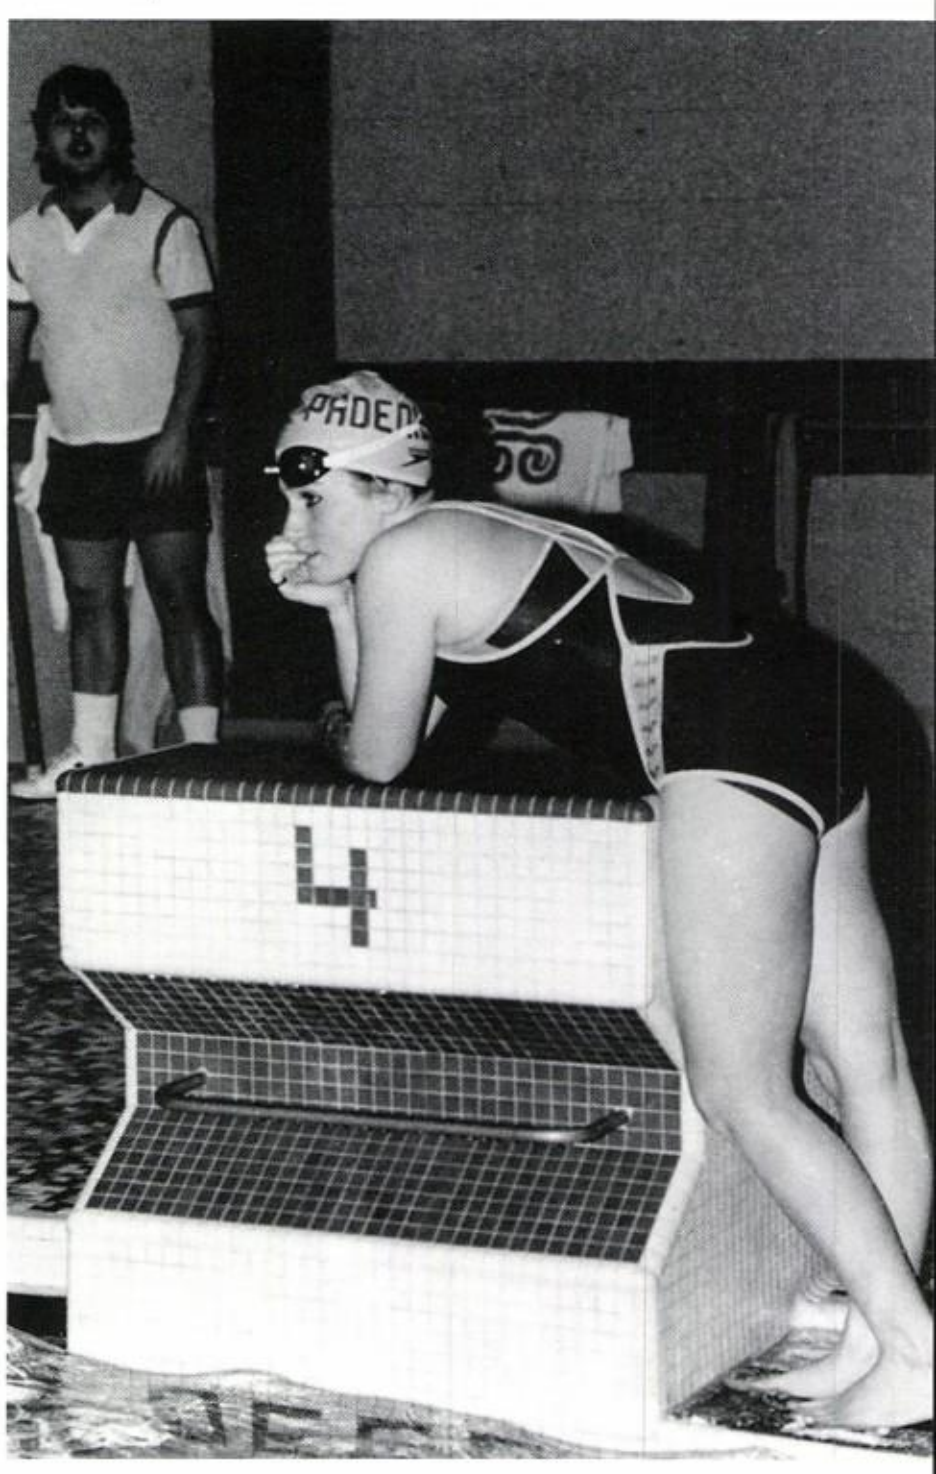


ANTICIPATION: Senior Paul Israel waits anxiously for his race to begin.

MAKING WAVES: Senior co-captain Kevin O'Dowd nears the end of his 200-meter freestyle event.



STRETCHING FOR THE FINISH LINE: Sophomore Jen DeSimone competes in the butterfly event.



TAKING A BREAK: Sophomore Caroline Morrison relaxes while watching her teammates perform.

Girls' Basketball

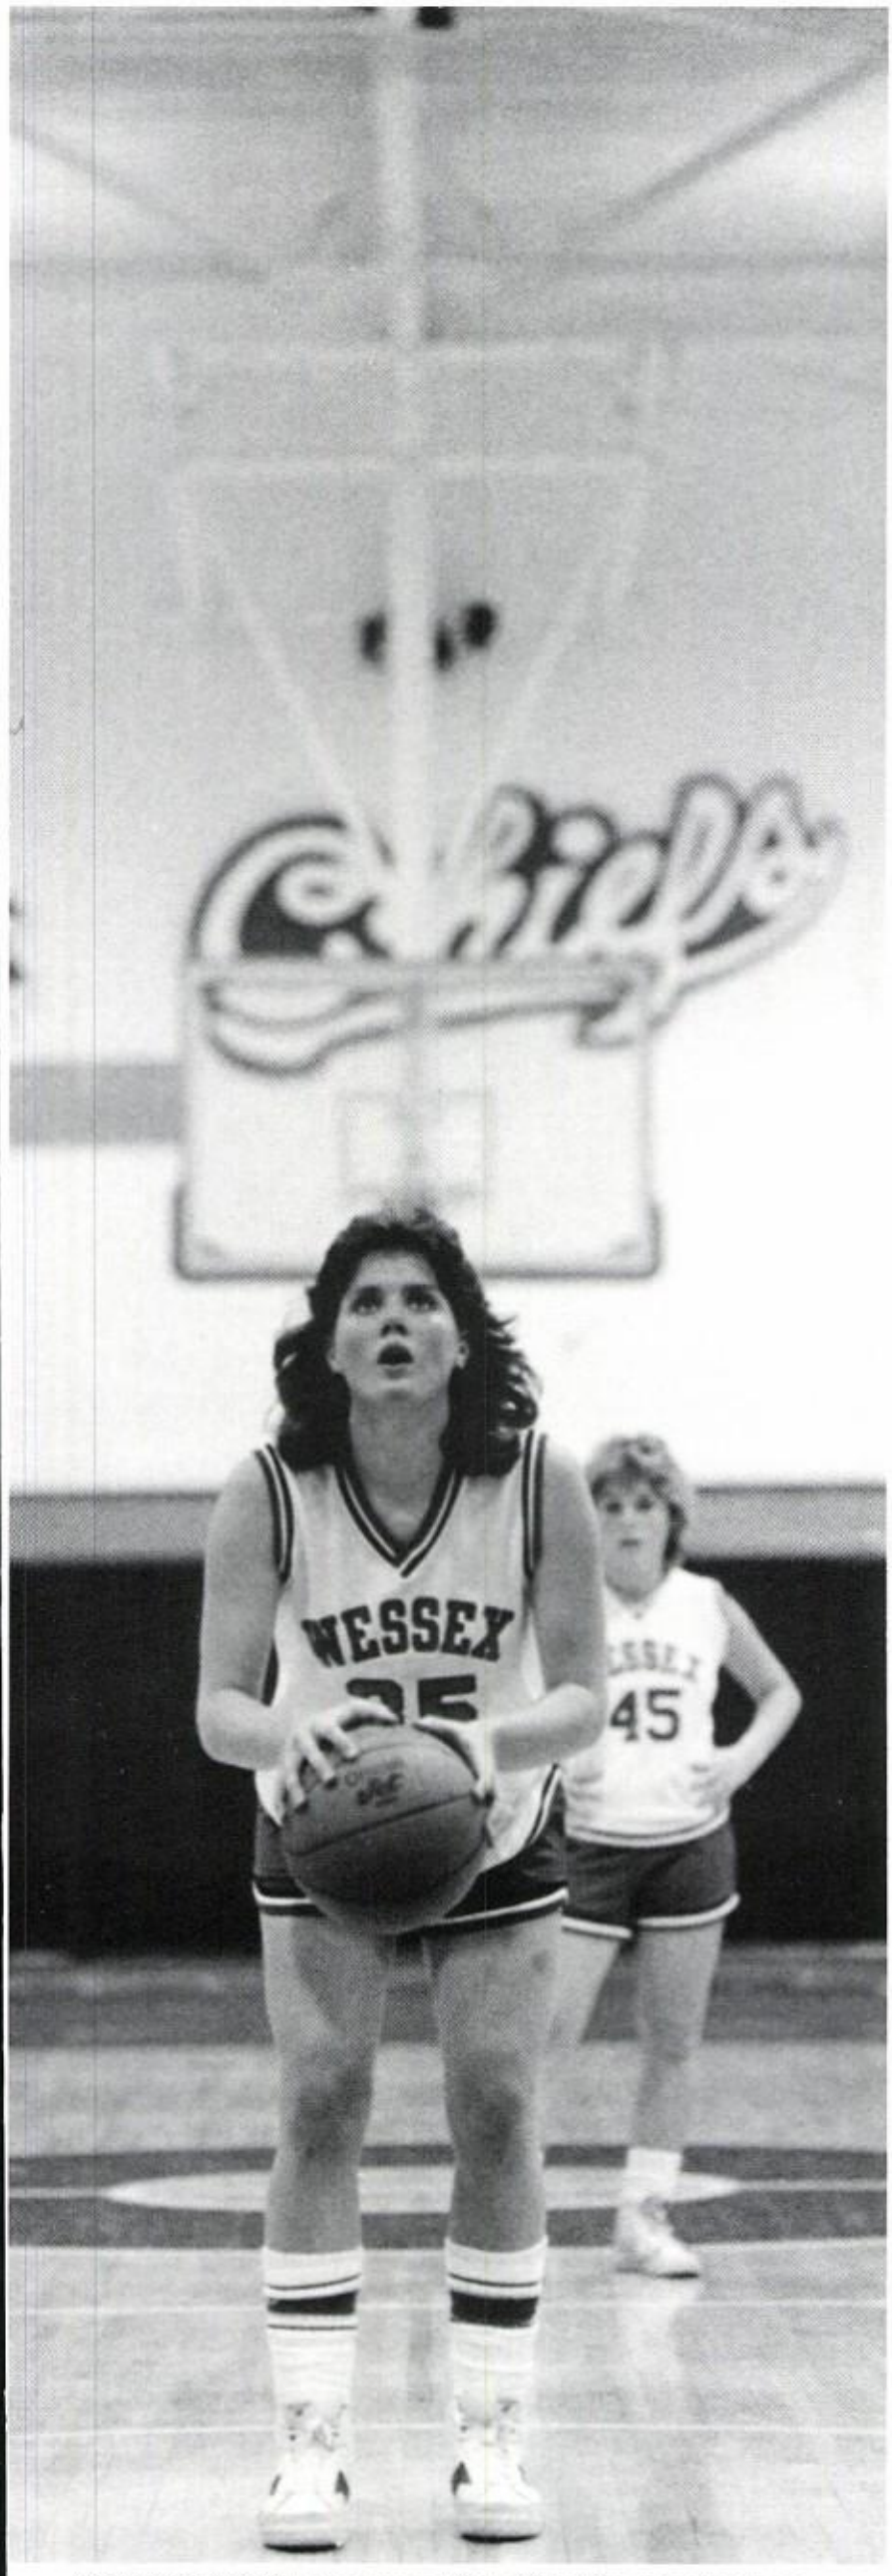
Up against a tough conference, the 1984-85 girls' basketball team had a difficult season. The girls were working together as a unit for the first time, and as a result, lacked experience. It was also coach Kenneth Trimmer's first year at West Essex.

Captain Cara Ganny, the only senior, led the team in high-scoring. Co-captain junior Bonnie Fritz also did well this season. She made what Coach Trimmer called "tremendous strides offensively." Other key players included sophomores Shannon Porter and Jennifer Murphy.

Although the girls concluded their season with a record of 0-17, they gained the knowledge and skills necessary for basketball. Losing only one player to graduation, the team is looking forward to next year when they will have experience on their side.

PSYCHED!: The girls' basketball team along with Coach Tammer gather before the big game.

ON HER TOES: Senior captain Cara Ganny throws a foul shot.



CONCENTRATION: Freshman Kristin Oeschlin eyes the hoop.

PERFECT TIMING: Sophomore Jennifer Murphy waits for the right moment to steal the ball.

Fencing

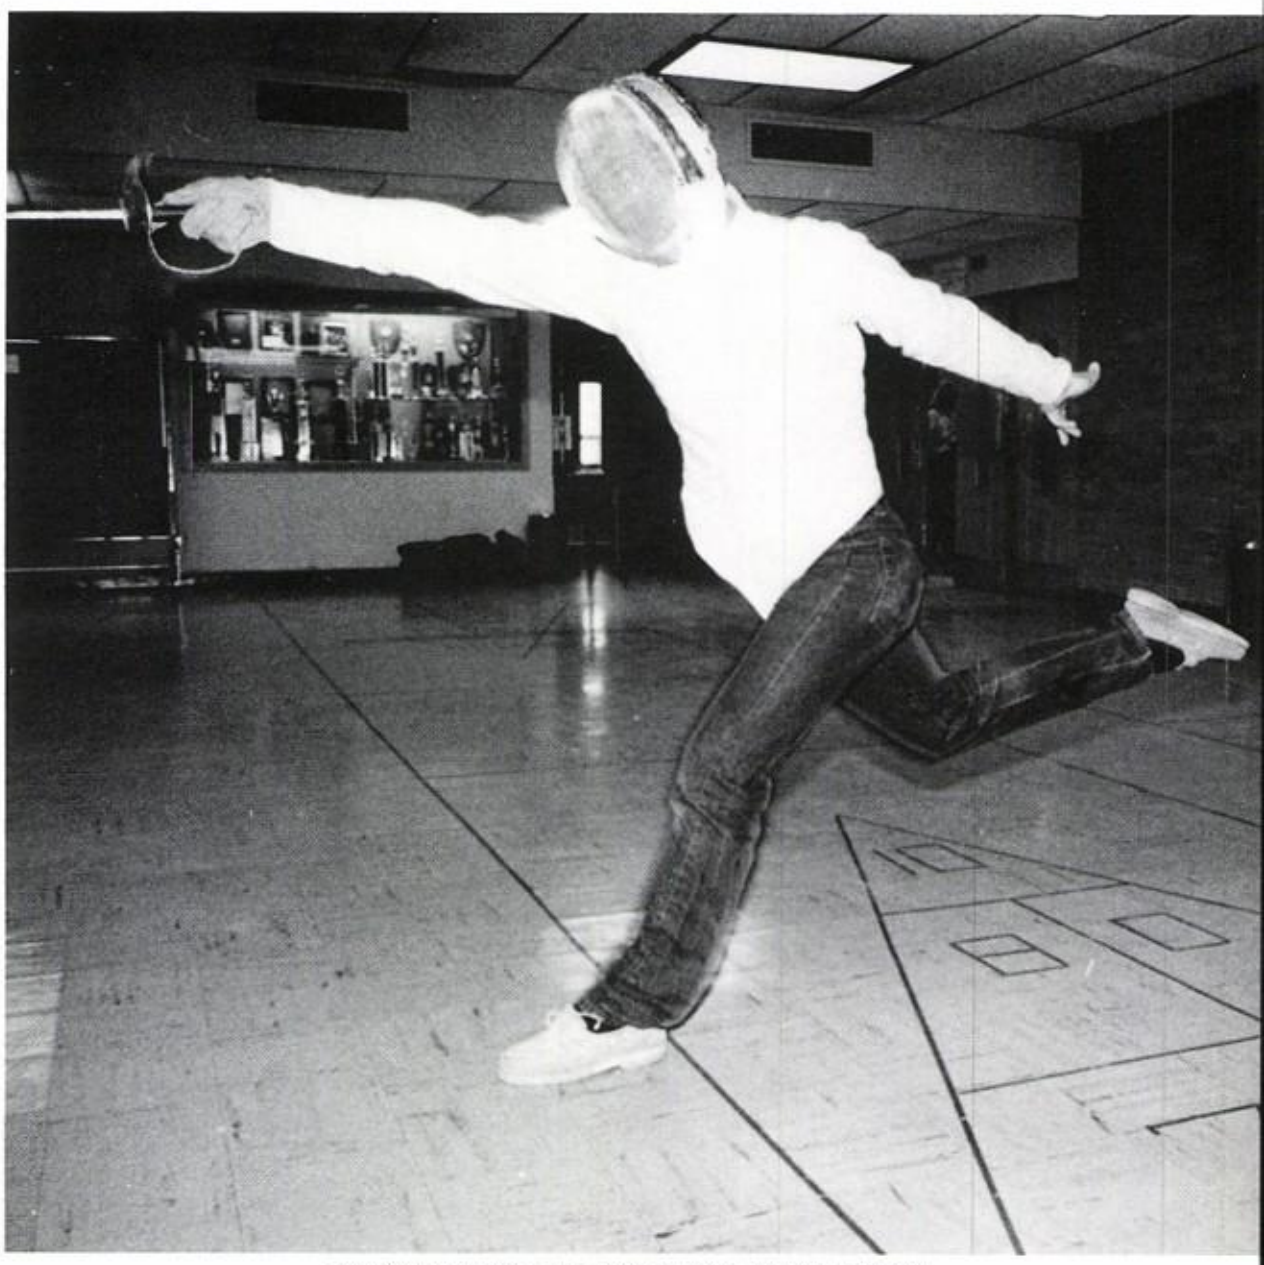
West Essex, it seems, has finally discovered fencing. Under the guidance and stern supervision of Mr. Alphonso Sully, known affectionally to all as C.A.T.A.S., the fencing Knights were able to further improve on last season's record. The Wessex boys foiled most of their opponents and finished 6-1 in the 84-85 season. The Knights were led by Jaime Bastidas (foil captain), Jimmy (Mo) Squadrito, John (Rudolph Valentino) Mattio, Laurent Lheritier (epee captain), Ray (Unicef Poster Child) Cabalu, Ray Scanlan (epee captain), John Christopher Elkas (sabre captain), Kurt (Master copy) Engstrom and Tyrone (the Crane) Cabalu.

The Wessex girls were not as successul as the boys; however, they too, were able to improve on last year's record by finishing 2-7. Although finishing with a losing record, the girls were rarely on the defensive. Leading the girls' team were Cathy (B.T.) Chin, Kirsten Erickson, Sandy (not on Me) Arata, Sophie Lheritier, and Phedra Rudell. With the loss of only one senior to graduation, the Wessex girls will look to lunge further ahead.

John Elkas

IN GOOD FORM: Senior Tyrone Cabalu readies to foil his opponent.

EN GUARDE: Senior Captain Cathy Chin readies for combat.



TOUCHE: Senior James Squadrito lunges ahead.

WARMING UP: Senior Jon Ploscowe rallies with his partner before the big match.

STAYING LOW: Senior Louis Shaff swings low for a difficult return. Lou was ranked #25 this year in USTA regional rankings.

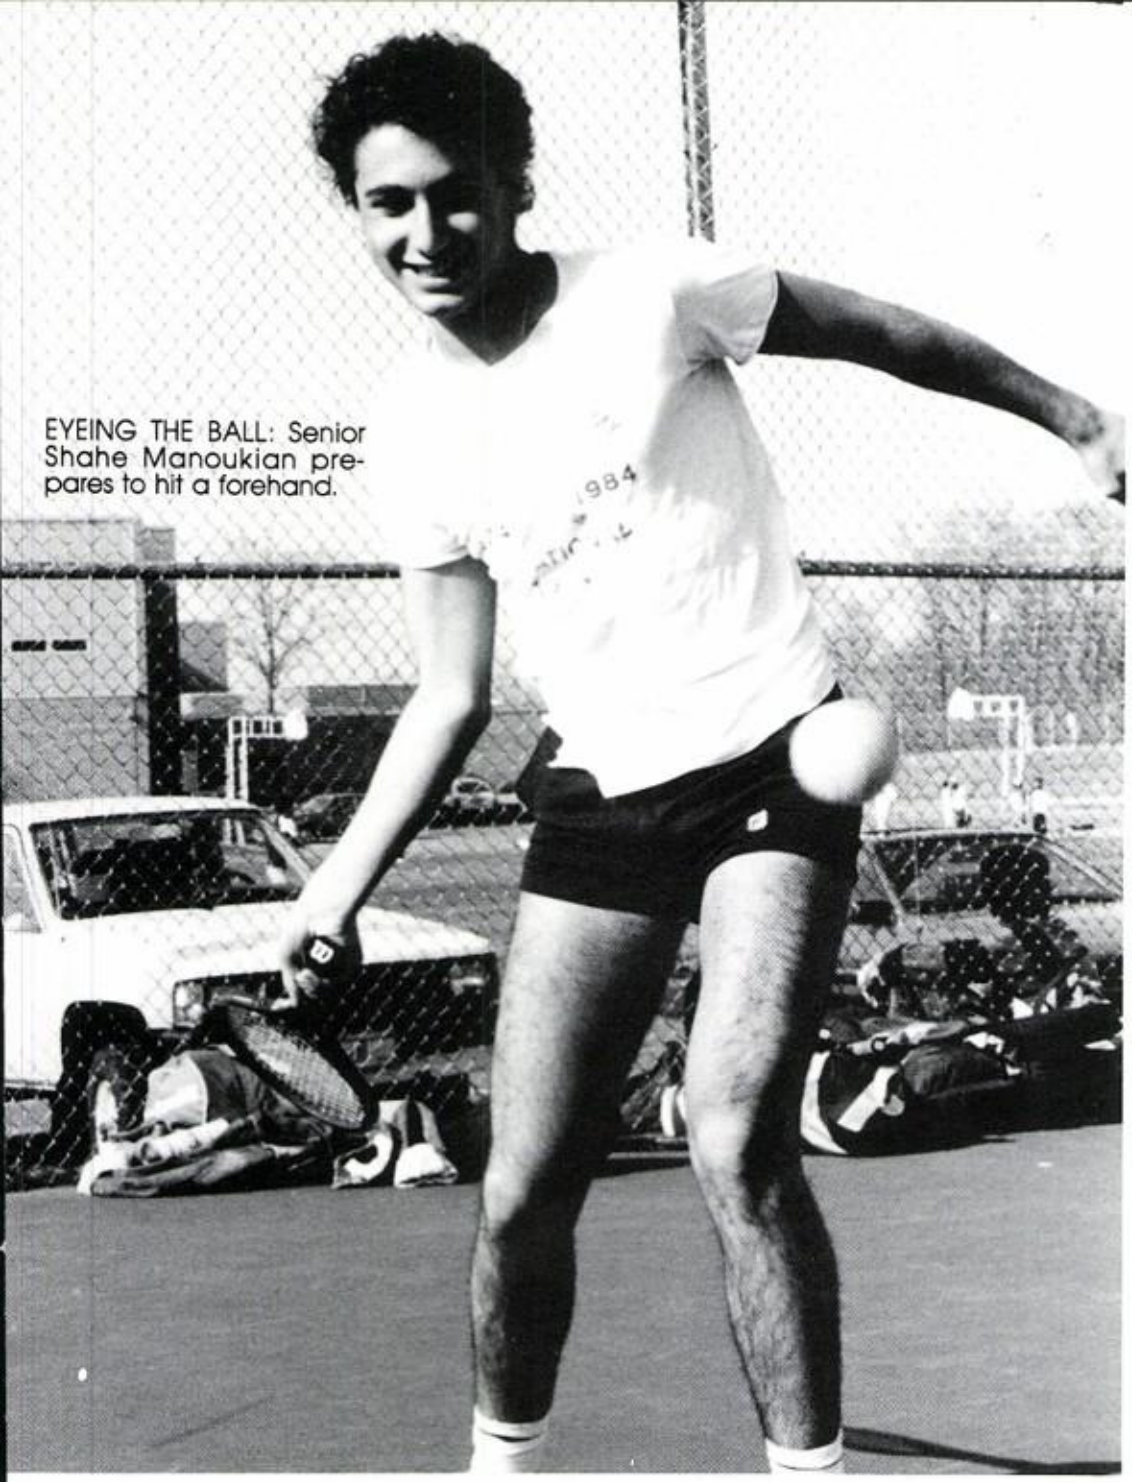
GOOD FORM: Senior David Astorino prepares to return his opponent's shot.

Boys' Tennis

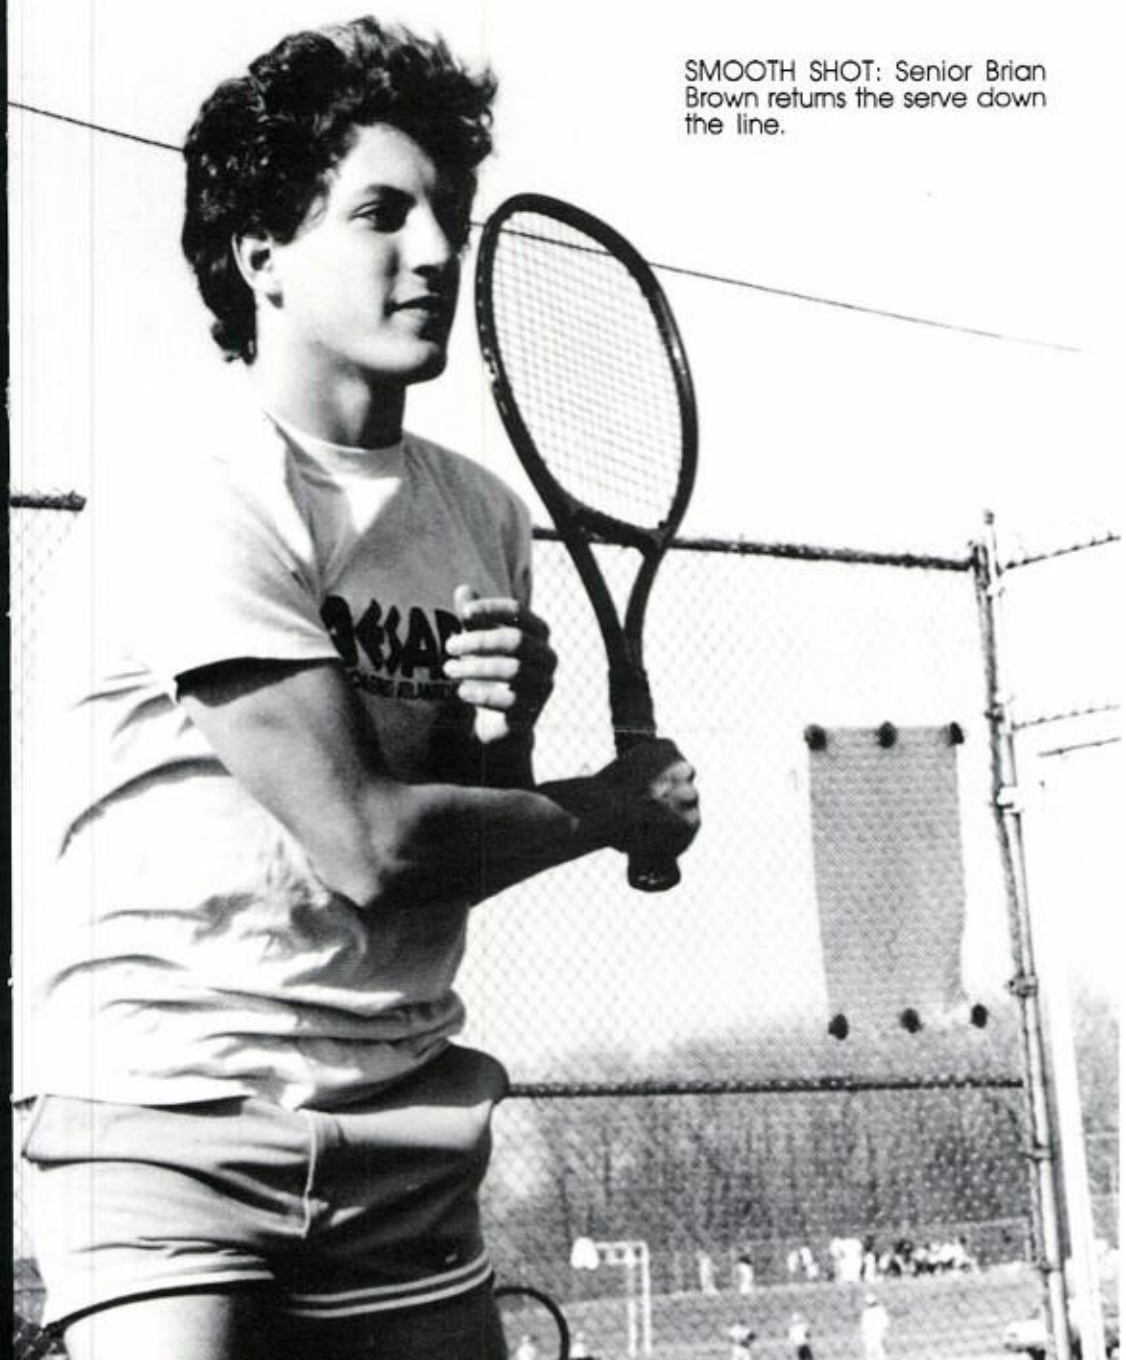
Victory was the name of the game for the 1985 boys' varsity tennis team, and this season's achievements certainly sum up the story in one word — success. The boys were consistently number one in the **Star Ledger's** State tennis team poll. They won the Essex County tournament and were victorious at the annual Newark Academy Tennis Invitational. In addition, the Knights were chosen, as of May 16th, to capture the New Jersey State tennis title.

With the team dominated by highly talented seniors, their experience played a big role in this year's season. Playing first singles this year for the first time was senior David Astorino. Senior Louis Shaff compiled a formidable record at second singles, while freshman David Sussman provided strong play at third singles. Seniors Jon Ploscowe and Brian Brown were undefeated at first doubles and were thought to be the best doubles team in the state. Rounding out the team were seniors Shahe Manoukian and Darin Kaplan at second doubles. John Christopher contributed his knowledge and coaching skills for the third year to this highly motivated team.

The Knights displayed their depth in the Newark Academy Tournament, which involved the top eight teams in the state. In the finals, the boys defeated second seeded Christian Brothers Academy 3-2, behind a three set victory for second doubles. Wessex easily won the county tournament and, as of May 16th, looked extremely strong in the state tournament.

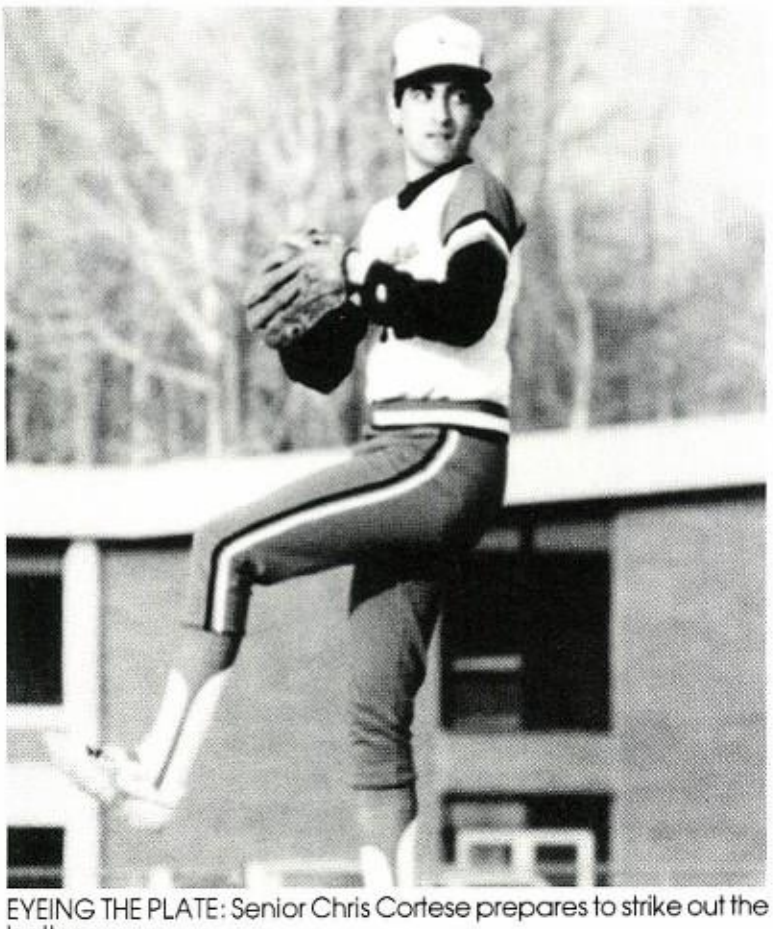


EYEING THE BALL: Senior Shahe Manoukian prepares to hit a forehand.

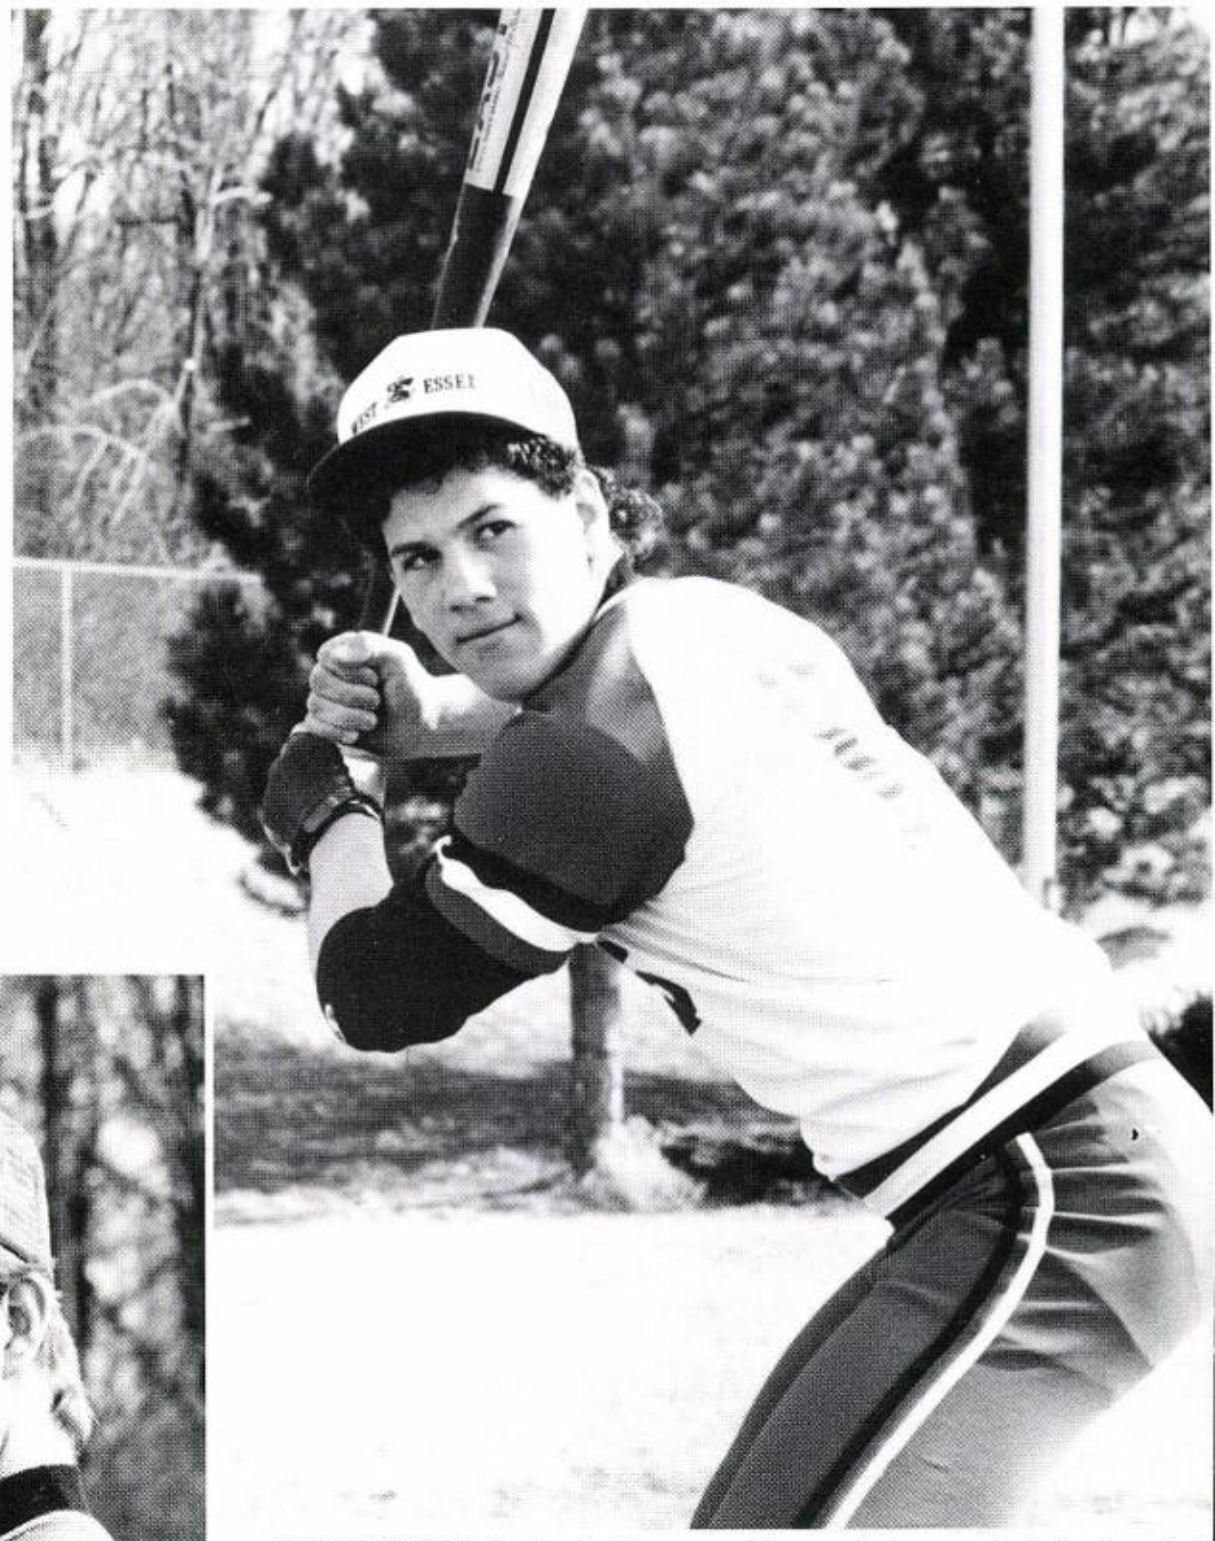


SMOOTH SHOT: Senior Brian Brown returns the serve down the line.

SET POINT: Senior Darin Kaplan lobs the ball.



EYEING THE PLATE: Senior Chris Cortese prepares to strike out the batter.



DETERMINATION: Senior first-baseman Thomas Salamone looks for the pitch.

THE WIND-UP: Senior Robert Garris begins his pitching wind-up.

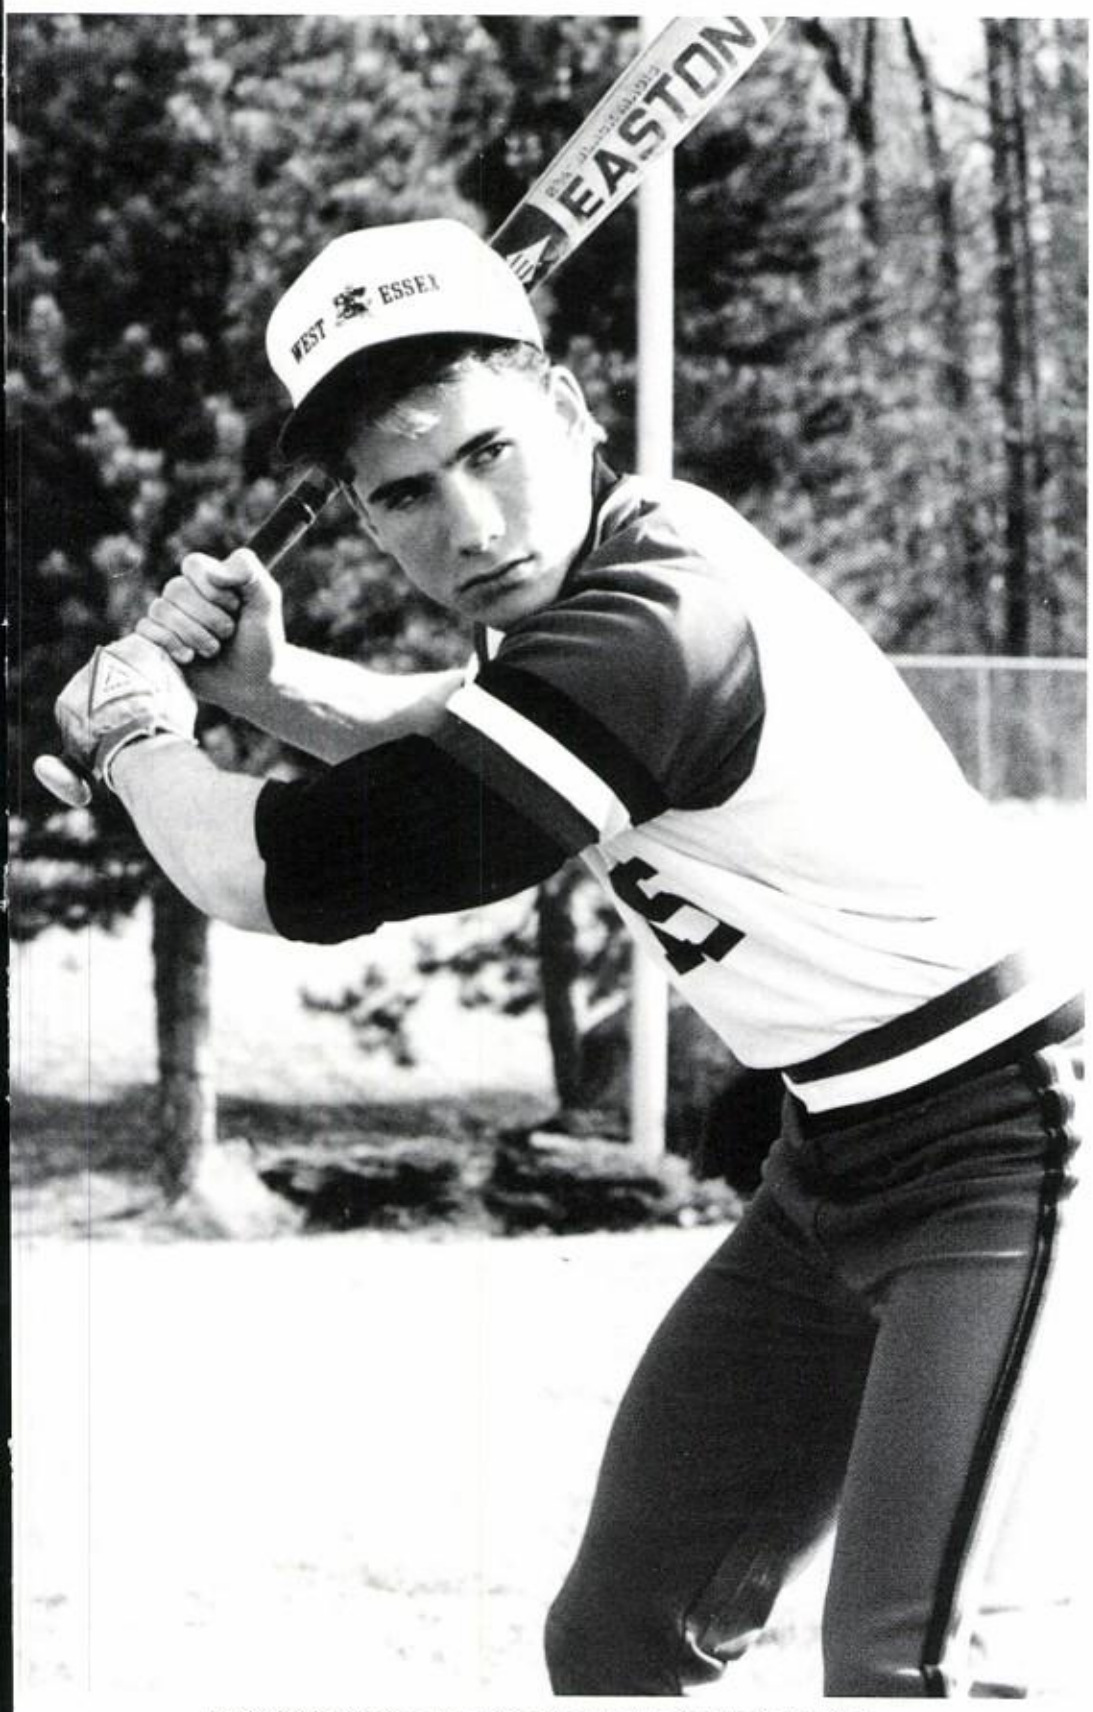
GOING, GOING, GONE? Senior Anthony DiFabio hopes to hit a homerun.

Baseball

The 1985 West Essex baseball team is looking forward to a very successful season. Experience will be the key to the success this year's squad is expecting. The squad is composed of many returning varsity players, a majority of which are seniors.

The veteran team is led by senior co-captains Rob Dondero and Thomas Salamone. In addition, seniors Anthony DiFabio, Tony Ciardella, and Gary Dean will provide strength both in the infield and the outfield. On the mound are seniors Robert Garris, Chris Cortese, and Chris Cirillo.

With such an experienced and highly-motivated team, the Knights are very optimistic about their 1985 season.



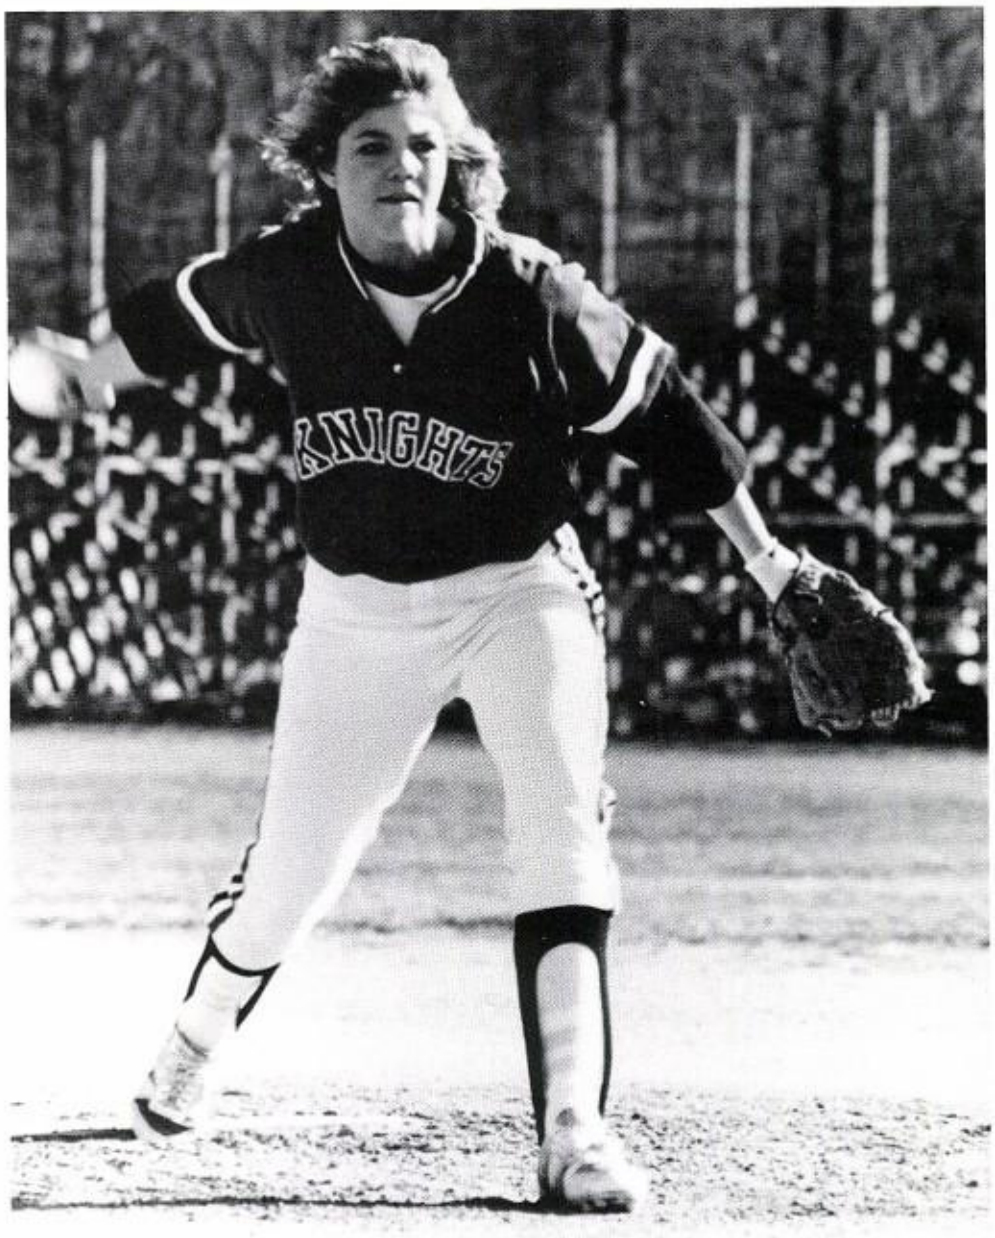
HOT SHOT: Senior Tony Ciardella awaits the fast pitch.

READY FOR ACTION: Senior Robert Dondero waits for the ball.

Softball

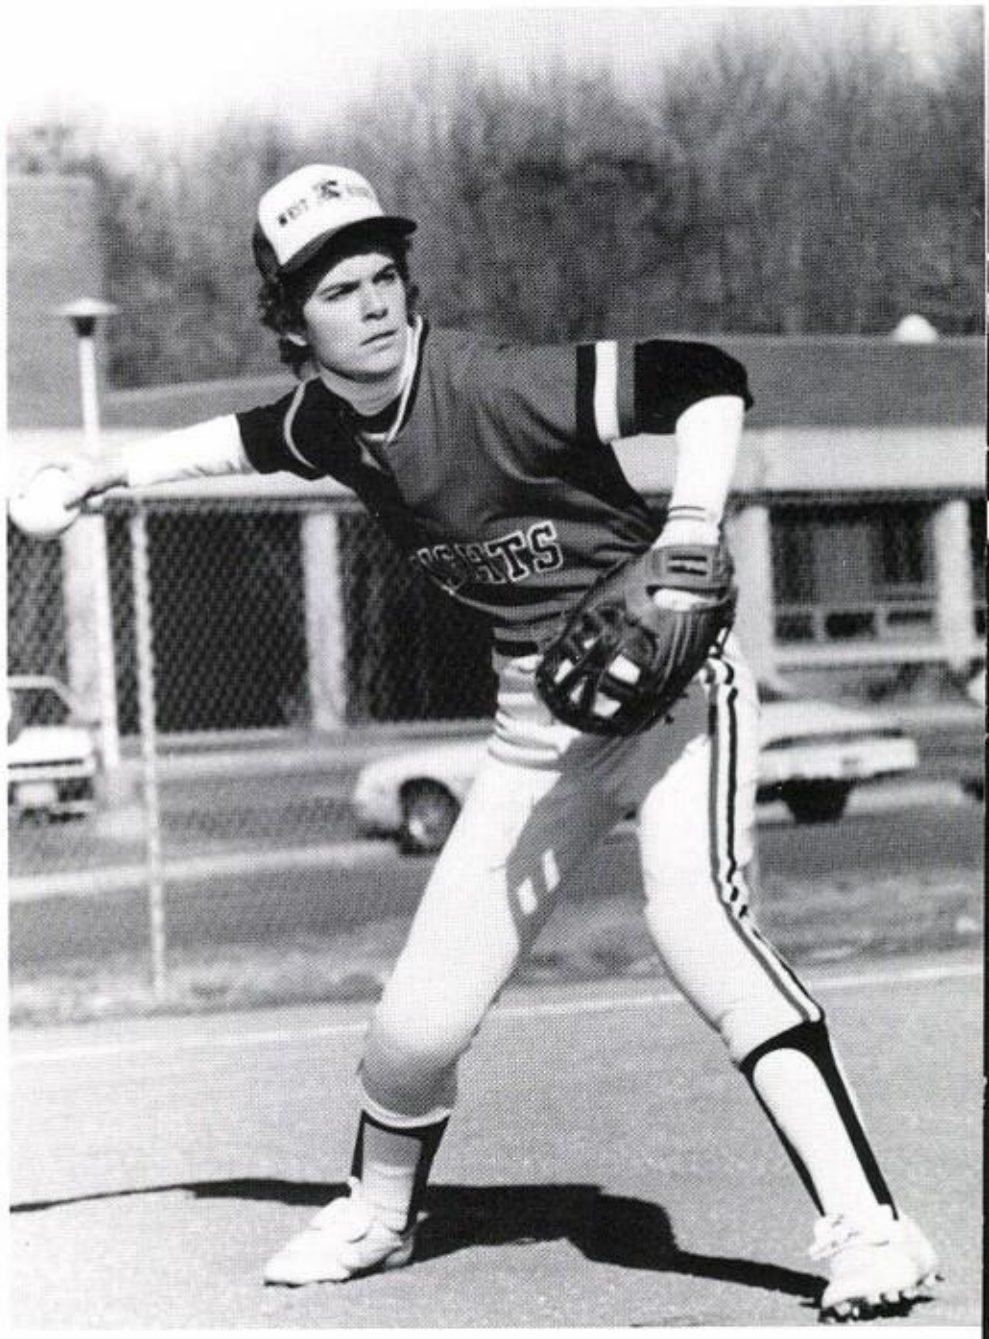
With great determination and skill, the 1985 softball team displayed all the necessary ingredients needed to have a successful season. Under the new leadership of Coach Peter Falco, the girls mastered all of the cutoffs, numerous defensive plays, and even the detailed offensive plays encountered in various game situations. The team was composed of only three seniors: four-year varsity veterans Lori Majewski and Dana Stefanelli, and two-year varsity veteran Sue Hardman. The seven juniors were Bonnie Fritz, Gina Masino, Larissa Lenosky, Denise Biase, Mary Beth "Lucy" Petriella, Sandy Lemm, and Carin Alden. The six sophomores were Tracy Teranik, Sue Richards, Amy Birdsall, Caren Fader, Erica Schmidt, and Gina Mancino. With such a roster, this team could only have a great 1985 season, with high hopes for an even better 1986 season.

Sue Hardman



ON THE MOUND: Junior Sandy Lemm winds-up for a fast ball.

GETTING TOUGH: Senior Lori Majewski is ready for the ground ball.



WHAT AN ARM! Senior Susan Hardman throws towards home plate.

PREPARED TO MAKE THE PLAY: Senior Dana Stefanelli eyes the batter.

Track

With few experienced performers, Coaches Larry Yarrish, David Montgomery and Thomas Pengitore molded their young spring track candidates into fine runners of the future. There were few returning letterpersons this season. However, inexperience has not been an unfamiliar sight to these three coaches.

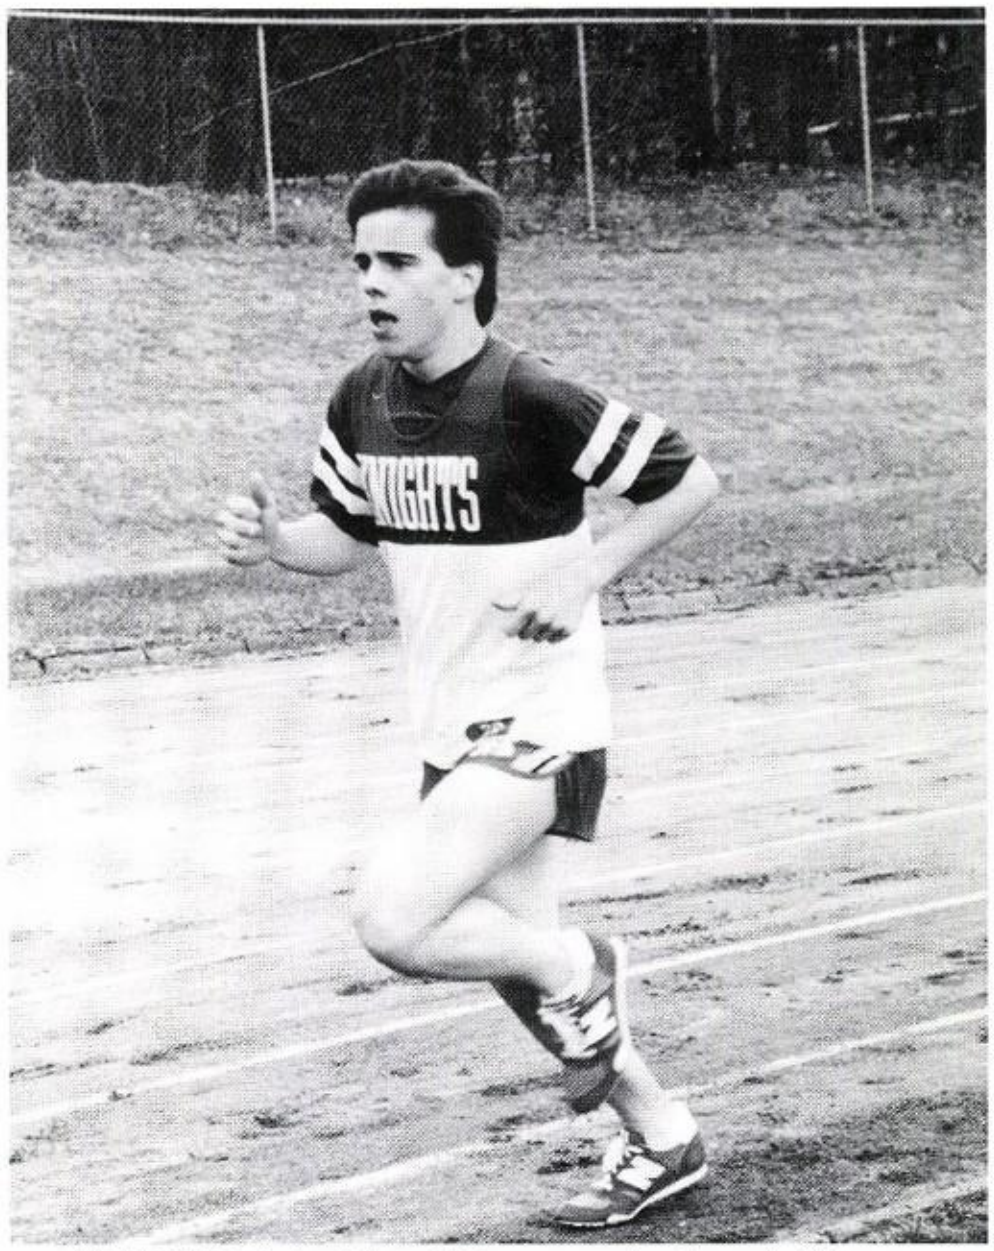
Heading the weight team were Senior Brooke Whitehead in the shot, disk and javelin, and junior Steven DeMaio in the pole vault and disk.

The distance events which were the team's strongest point, were led by seniors Scott Reed and Richard Aloia, juniors Ken Weinstein and David Jaffe, sophomores Thomas Adelmann and freshman Bob La Hoff. Also in the distance category were junior Sheila Carroll (who suddenly this season changed from a sprinter to one of the best 800-meter runners ever seen by this team), senior Toni Altera and sophomore Cathy Quinn running the two mile.

The experience of sprint-team members juniors Mitch Mund and Tom Brighton led the team to a promising strong season in the 100-200 meters and 400 meter races respectively.

Since the track team is losing only five seniors to graduation, next year's team should be better than ever.

Donna Dellapi



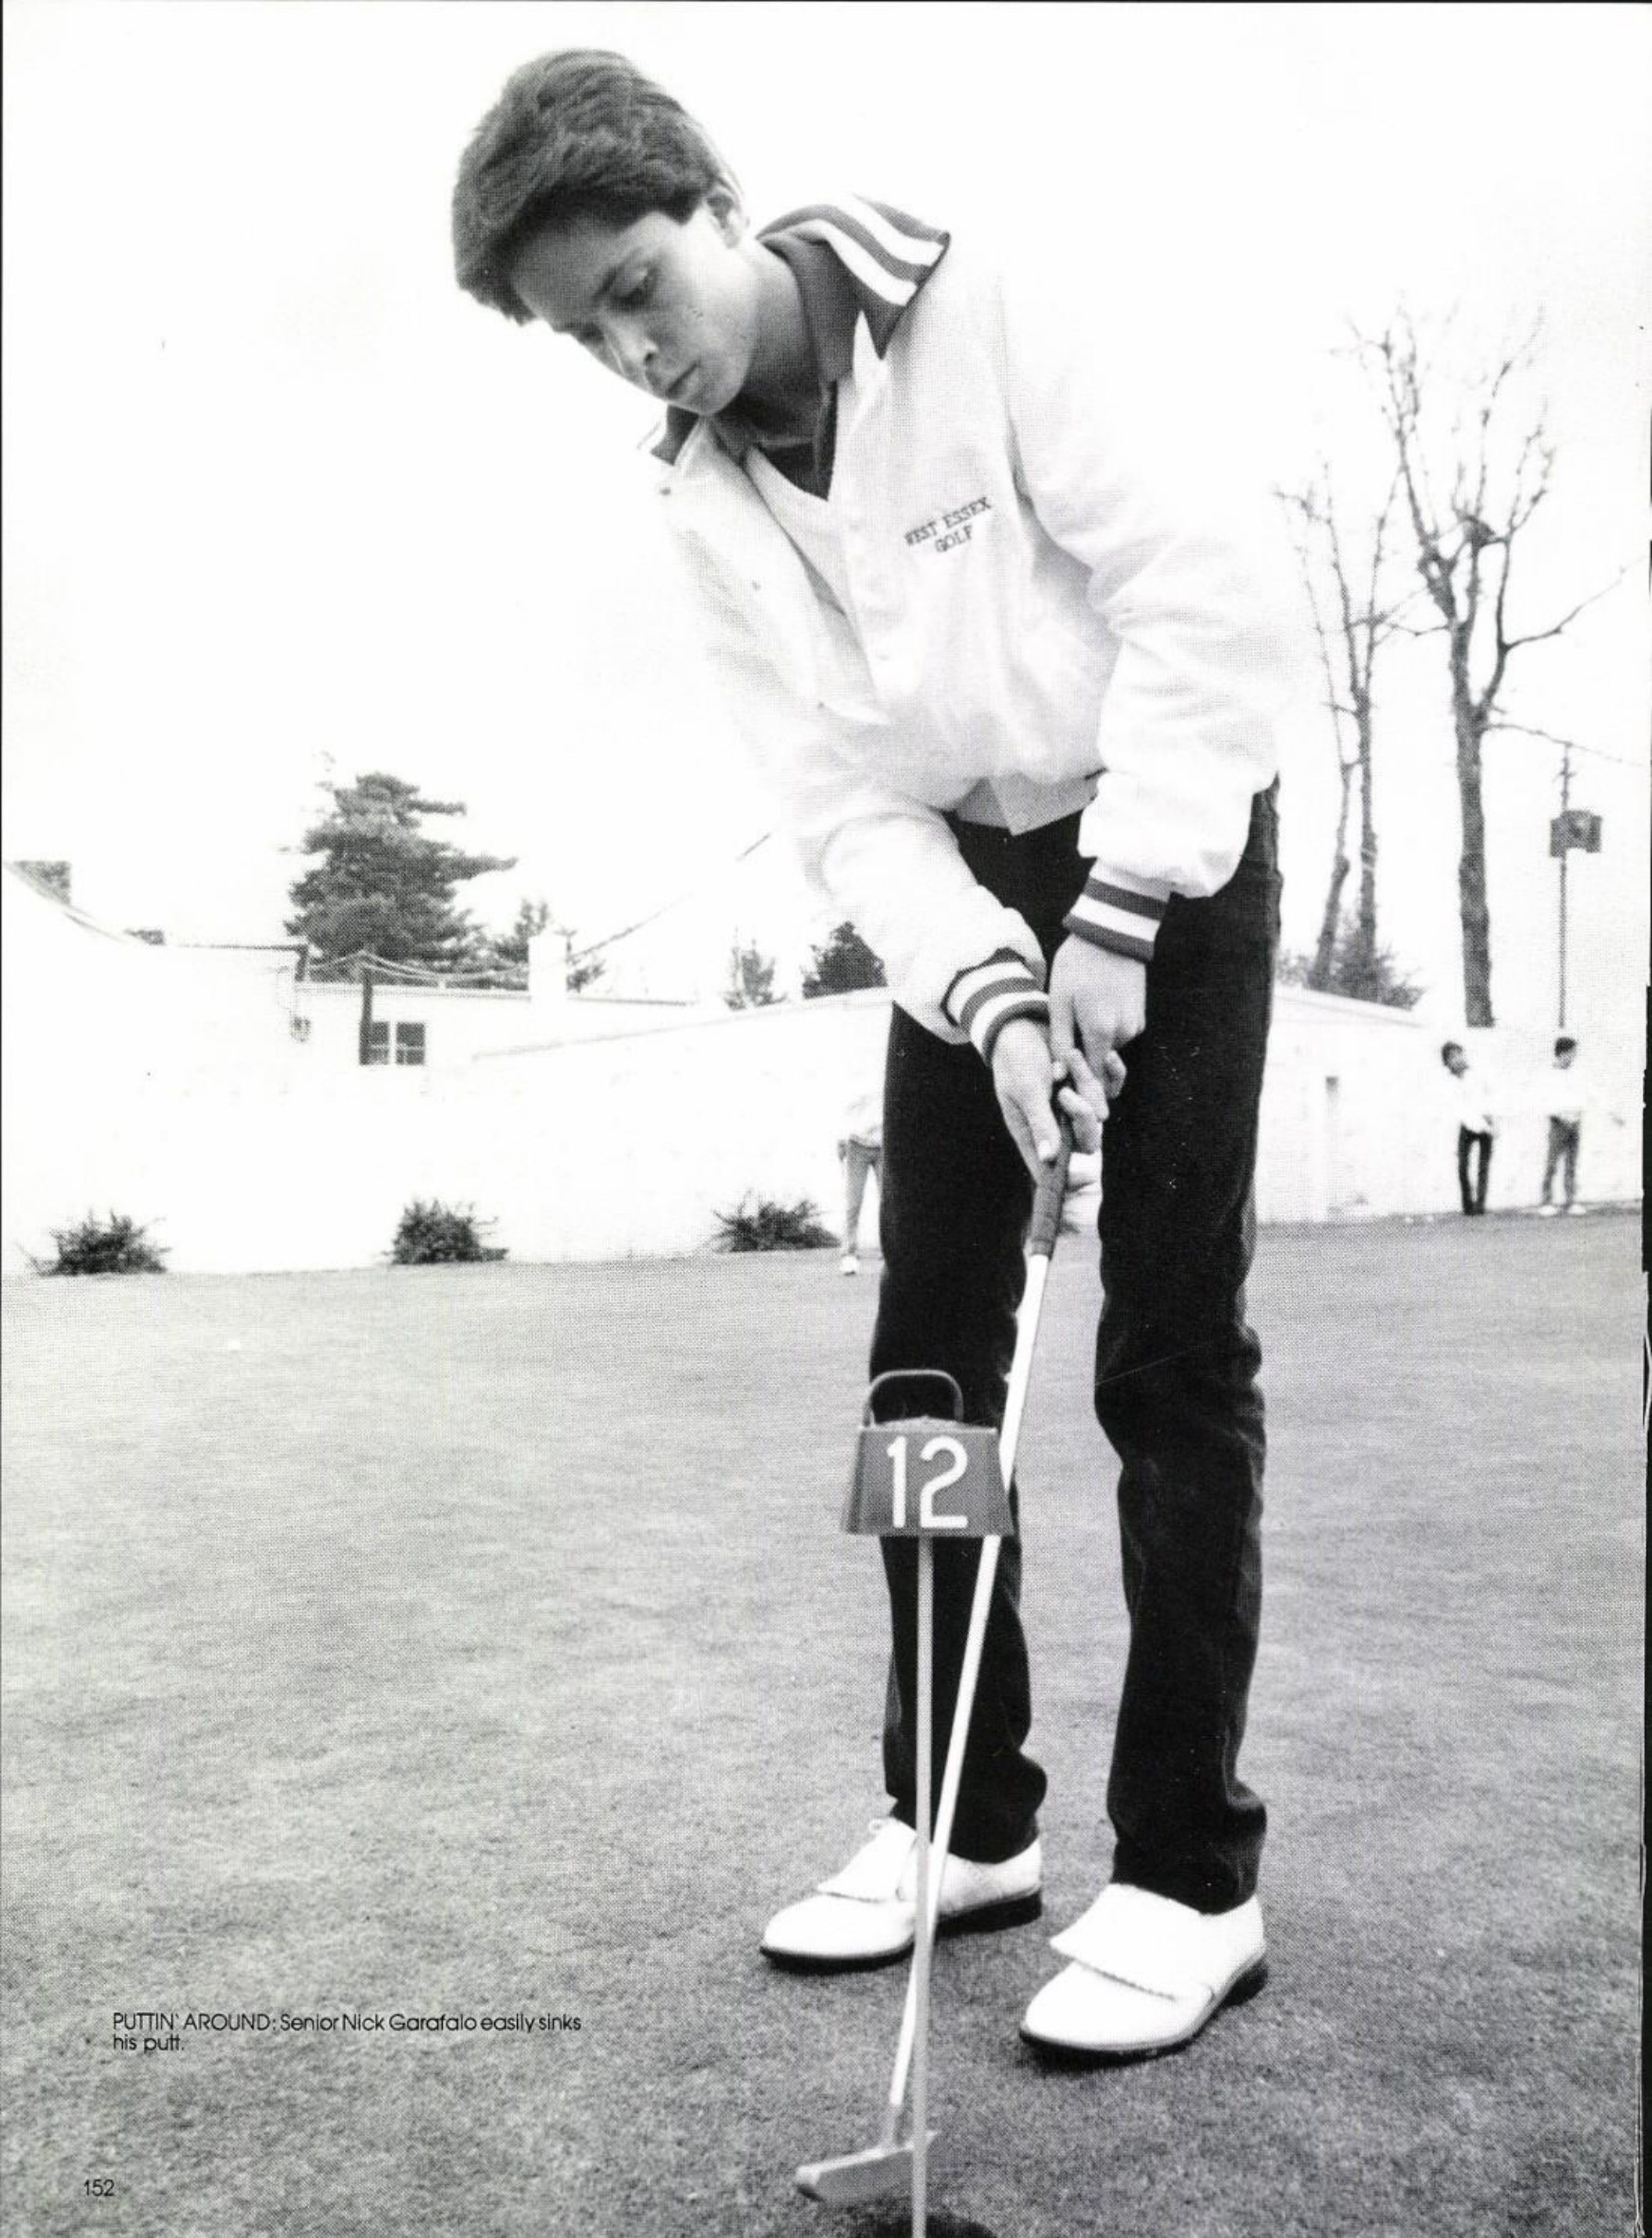
ALL IN STRIDE: Senior Richard Aloia approaches the end of his race.

1988 OLYMPICS???? Sophomore Robert Hughes throws the discus.

WARM-UP: Cathy Quinn, Sandy McGurke, Sheila Carroll and Scott Reed jog around the track before the meet.

UP AND OVER: Sophomore Tom Moro flies over one of the many hurdles.

RUN LIKE THE WIND: Junior Tom Brighton begins the final lap of the relay.



PUTTIN' AROUND: Senior Nick Garafalo easily sinks his putt.

Golf

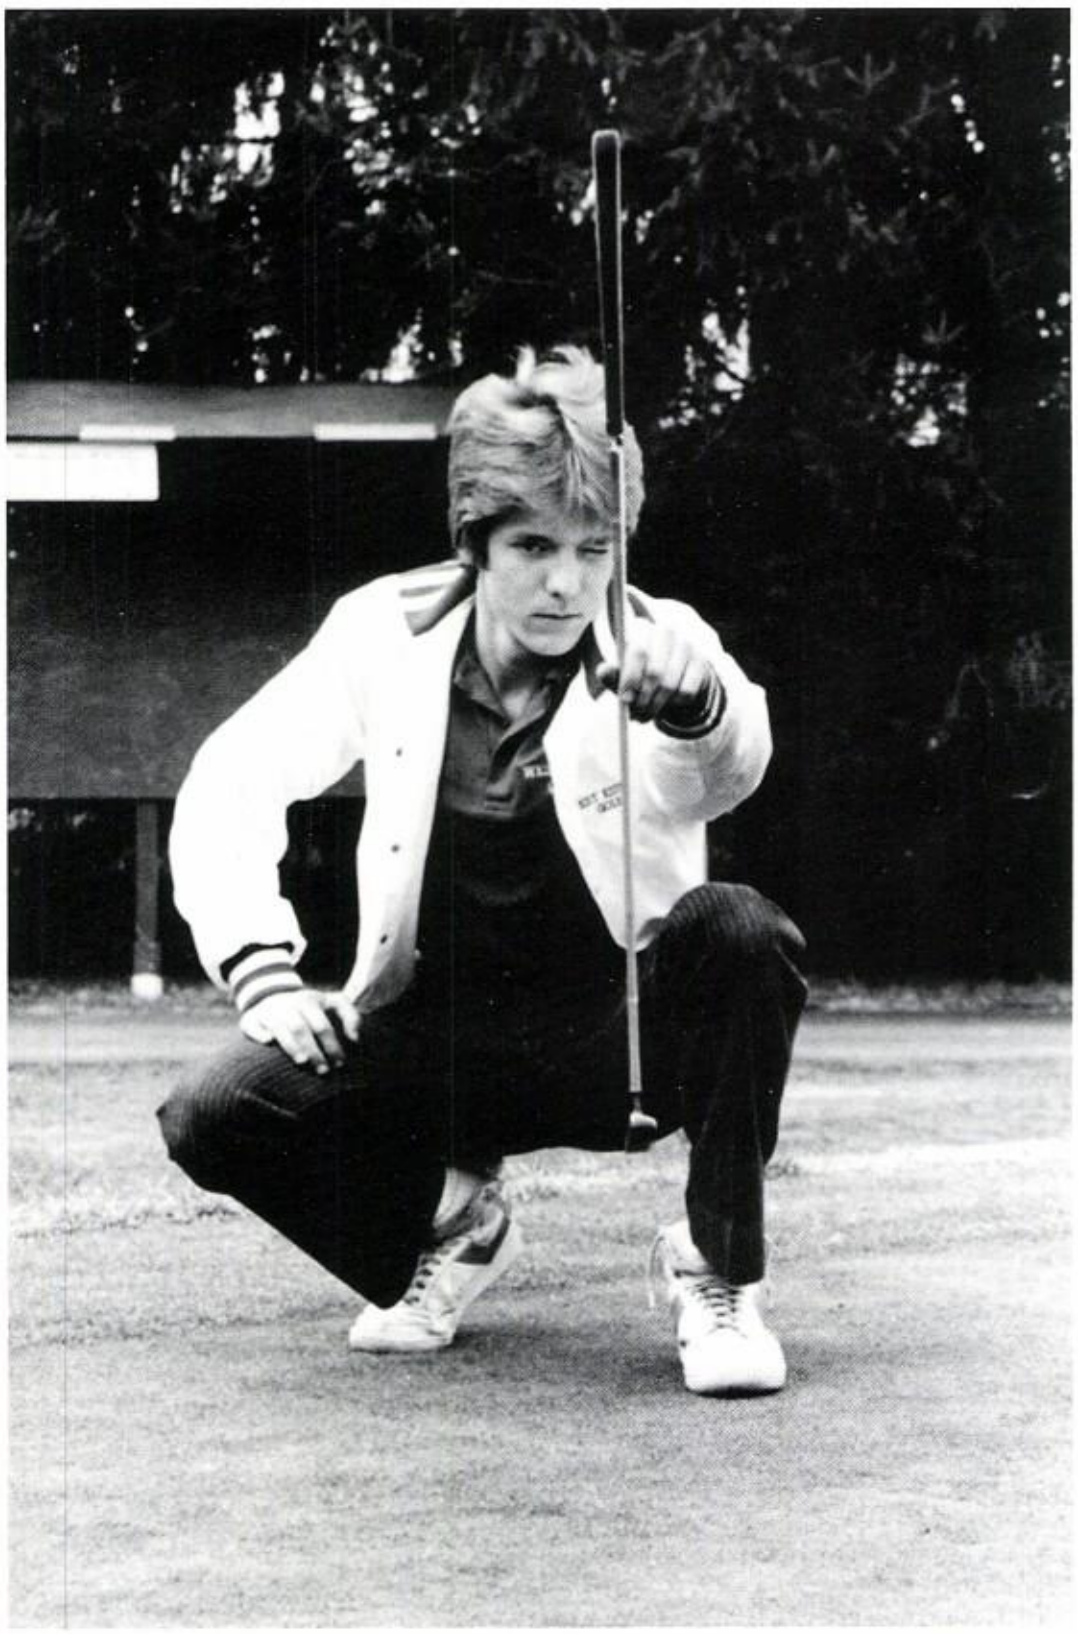
FOLLOW THROUGH: Senior Sandy Green shows his backswing on his drive.

The golf team hopes to be undefeated in 1985 with four returning seniors and a host of juniors, sophomores and freshmen. When this article was written, April 10, the team had a 4-0 record and had just defeated Seton Hall and Glen Ridge. Coach Ted Karsen is hoping for a record which will lead the team into the state finals at the end of May. If the team continues to win, the state finals definitely appear to be in reach.

The returning seniors which compose the starting line-up are Ken Alevras, David Baker, Sandy Greene and Nick Garafalo. Although the bulk of the pressure is placed on the seniors, the two juniors Bob Turnbull and Jim Reinholtz, and freshman Joe Barile also must perform for West Essex in order to have a good season.

The team will always remember the most amazing shot of the season by David Baker. Dave sunk a 3-iron shot with his eyes closed from 185 yards away for an eagle!

Ken Alevras



CALCULATING SHOT: Senior Greg Berberian carefully lines up an important shot.

ADDRESSING THE BALL: Senior David Baker prepares to tee-off.

Sterling Memories:

Mrs. Mary Clifton

Mrs. Mary Clifton has been teaching English at West Essex for twenty-four years and is still loving every minute of it. "We always had an excellent student body and that has made teaching worthwhile," said Mrs. Clifton.

Mrs. Clifton originally taught at Grover Cleveland High School. In 1961, she was interviewed and recruited for the upcoming school year by Dr. Walter Stille, then the superintendent. She said that she had fully expected twenty-four years ago to still be teaching at West Essex today.

Having seen many Wessex students come and go, Mrs. Clifton believes that "we are returning to the students' willingness to do well." Since the beginning of the school Mrs. Clifton notes that West Essex has gone through a full cycle. "Today students are more interested in education. Students are more outward now. They seem not to be afraid to ask a question."

Three experiences stand out in Mrs. Clifton's mind as most memorable. The first, she said, was the dedication of the 1973 **Milestone** to her. Tied for second are fourteen invitations to graduation parties in one year and the 1980 state football championship game which she chaperoned.

Teaching the same thing year after year is never boring for Mrs. Clifton because as she says, "Every year you get new students. It's like a whole new experience and that keeps you very young!"

Social Studies

Sterling Memories:

Mr. Malcolm Simpson

"You can't capture in print the great excitement when the school first opened. People were brought from all over the country to start this school. There was a real three year effort of securing an initial staff. The Board of Education deliberately balanced experienced teachers with inexperienced teachers," said Principal Malcolm Simpson of the establishment of West Essex.

Twenty four years ago, Mr. Simpson began teaching math at West Essex. That first year in the new building calculus was not offered in the curriculum. Mr. Simpson volunteered to teach a calculus course on Saturday mornings. In that initial class there were fifteen students. Two years later calculus was introduced into the curriculum. Mr. Simpson was then named head of the math department in 1965.

According to Mr. Simpson, his most memorable moment at West Essex was when he was named principal in 1969. "My calculus class surprised me in class one day with a silver bowl. It was inscribed with the phrase, 'with mixed emotions!' That was a very big time in my life!"

Unknown to many students Mr. Simpson initiated the computer program at West Essex in 1967-68 through a federal grant. The computer class taught by Mr. Simpson was also originally on Saturday mornings. During the seventeen years the school has been involved in computers, the program has been growing slowly.

Reflecting back on his years at West Essex and the development of the school, Simpson said, "We really created something. We like to think it took hold. I am very, very proud of this place. I think it has been an exciting place to be!"

Mr. Ralph Dougan

Mr. Ralph Dougan, Athletic Director and Physical Education Department Chairman, has worked at West Essex for twenty-four years. Before coming to West Essex, Mr. Dougan taught physical education at the elementary schools in North Caldwell and Roseland. At West Essex, in addition to his duties as a teacher, Mr. Dougan has coached baseball, football, soccer, and tennis. He explained that in the early years of the school, gym teachers had to pitch in wherever they were needed, and as a result he had coached a number of different sports.

Among his memories, Mr. Dougan recalls the time when eighteen bus loads of students went to watch the soccer team win the state championship. He also remembers when the West Essex football team played at Giant's stadium in the Meadowlands during the 1980 season and when the 1984 field hockey team won the state championship. Mr. Dougan is very proud of the fact that many student athletes who left West Essex for college became professionals and then went on to make their mark on society.

"We've been blessed with a good athletic staff and coaches," said Mr. Dougan, who has been the athletic director for the last ten years. Mr. Dougan feels that much of his success as an athletic director can be attributed to the cooperation and understanding of Mr. Charles Poglieri and Mr. Malcolm Simpson. Mr. Dougan had been offered the opportunity to move on to college coaching but he chose to remain at West Essex.

Sterling Memories:

Mrs. Carol Ludwig

Mrs. Ludwig, assistant to the board secretary, has worked at West Essex for twenty-four years. When she heard about the opening at the high school, she applied for a job, since she wanted to return to work. Since coming to West Essex, Mrs. Ludwig has held a variety of jobs such as library secretary, secretary to the assistant superintendent, board secretary, as well as her present position.

Over the past few years, Mrs. Ludwig has seen many changes in office procedures. She has gone from manual bookkeeping to bookkeeping machines and the house computer. Mr. Walter Weig has programmed the Apple computer to meet the needs of the board office.

Mrs. Ludwig did not think that she would still be at West Essex twenty-four years later. She explained that she had been at home for ten years raising her children, and this job was her first venture back into the working world. Originally, her job was only supposed to be ten months a year, but it gradually turned into a full year job. Mrs. Ludwig has found that all the students that she has come into contact with for the student activity accounts have been responsbile and cooperative. Mrs. Ludwig truly enjoys working with the students and staff at West Essex Sr. High School.

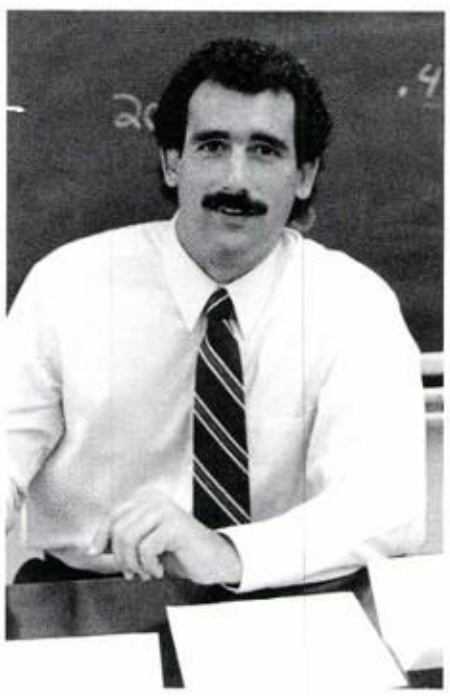
Sterling Memories: Mr. Richard Rizzo

Mr. Richard Rizzo has been teaching in the West Essex School District for thirty years. Twenty-four years ago, he came to West Essex after teaching in a Fairfield elementary school because he was trained to teach high school students. Throughout his years of teaching, Mr. Rizzo has noticed that today's students have become more liberal. He attributes this change to society.

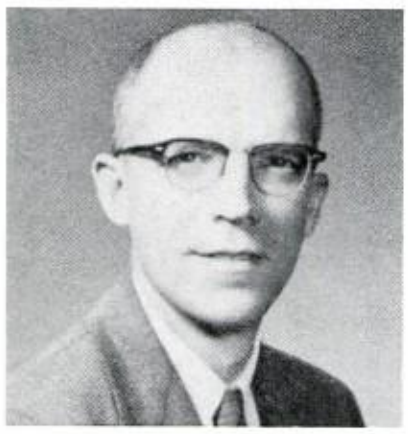
Mr. Rizzo has had two memorable experiences at West Essex. "My most memorable experience was having the 1967 **Milestone** dedicated to me. I was so touched! The second experience was in 1976 when eleven students in one business law class of twenty-five students became attorneys."

Mr. Rizzo has not changed his teaching habits. "I have always been a liberal teacher and my methods have always worked." Twenty-four years ago, Mr. Rizzo knew that he would still be teaching today because he "enjoys teaching so much!"

Mr. Robert Went
Earth Science; Man Made World, Physics 1



Mr. William Roca
Science 10



Sterling Memories: Mr. Oakley Roark

Mr. Oakley Roark is one of the four original teachers who started working at West Essex twenty-five years ago. He readily admits that he came to West Essex from Illinois because of the economic advantages. In addition, the first superintendent at West Essex made it seem that although West Essex was a public school, it would be run like a private school.

Mr. Roark feels that there are more similarites than differences among the students of today and those of the past quarter century. The only real difference he sees is one of emotions. Today's student is more passive and less likely to get involved in causes than his predecessors.

Mr. Roark states that he has not made any major changes in his teaching style over the years. However, his biology classes have become strongly lab oriented, and he does try to encourage more independence among the students.

Mr. Roark never expected to be at West Essex for so many years. Mr. Roark came from an area where moving to a new location about every seven years seemed to be the norm.

Sterling Memories:

Mr. Joseph Martino, Jr.

"If you love what you are teaching, it is always exciting, and I love what I teach," declared English Department Head, Mr. Joseph Martino, Jr.

Mr. Martino has been teaching English at West Essex for twenty-four years. Previously he had taught in a high school in Elizabeth. While studying for his masters in English at Montclair State College, Mr. Martino was recommended by a teacher at Montclair State for a position at West Essex. "A new district seemed like a fascinating challenge. The quality which was demanded here was exceptional, " stated Mr. Martino.

During his first year here, Mr. Martino began the World Literature/ Creative Writing Course and the literary magazine the **Roundtable,** which has been published every year without fail. He has also taught every level of English in all three grades.

Mr. Martino recalled that first year in what is now West Essex when the teachers ate lunch in the classrooms with the students, and the students changed classes by a whistle. However, what Mr. Martino misses most of all is the Faculty Talent Shows which were performed every year.

The methods Mr. Martino utilizes in teaching have remained consistent throughout the years. However, he believes that attitudes have changed, and today many students and teachers treat their function here as a job for which they are trained. Mr. Martino, however, still looks forward to teaching English every day.

Mr. Byron Harmony

"The more things change, the more they stay the same. Kids will always be kids; they never get any older," said Director of Guidance, Mr. Byron Harmony, a twenty-four year veteran at West Essex.

Born in Kansas, Mr. Harmony got a job at West Essex right out of college. "I really wasn't too choosy about where I went to teach. I applied to schools all over the country. I was very impressed with this area when I came out for an interview. I signed a contract right on the spot," recalled Harmony.

During his first years at West Essex, Mr. Harmony taught Business Law and typing. In 1968, he worked part-time in the guidance office, and in 1969 he began his first full year in guidance. At one time he coached baseball and soccer but stopped after becoming a guidance counselor. Since he began in guidance, more counselors have been added. Also the department has become more involved in the area of college applications. Over the years, and especially with the class of 1985, Mr. Harmony has noticed the increase of the "shotgun system," where students apply to eight, ten, and fourteen colleges at a time.

One experience which Mr. Harmony can acutely remember in his marriage to a former West Essex teacher. "When I got married, it seemed that about half the student body showed up at the church. It surprised me. I was unaware that the students knew I was getting married."

Although Mr. Harmony enjoys his job, he said that twenty-four years ago, "I was sure I wouldn't be here today. Then I had wanted to go to California."

Mr. Russell Everett

One of the four teachers who has been at West Essex since day one is Mr. Russell Everett. When Mr. Everett began teaching science at West Essex, this school had not yet been built. Instead, he taught in the Grover Cleveland High School building where, that year, 1961, there were two different school systems in one building. The two faculties were kept separate.

A Harvard graduate, Mr. Everett was hired by former Superintendent Walter Stille after he finished school. He had known two members of the first science department previously; one was also a Harvard graduate like himself. Mr. Everett has taught almost all of the sciences offered, but he has taught biology the longest. He feels that, "A teacher is a person who provides guidance, not a lecturer."

Mr. Everett recalls that during the first year in biology every student was supposed to have a live project. Students brought in every thing from cacti to monkeys. He can also vividly remember when the librarian was almost electructed in the library and was saved by a fellow science teacher.

Mr. Everett has seen many changes since the beginning of this school. "School is a mirror of society," says Everett. "Very often the changes that take place here reflect what happens in society at large. The melting pot of our society allows us to experience tremendous variety. Our school is a microcosm of that melting pot."

Nurse Helen Jones

Today, many more Wessex students visit the nurse's office complaining about this sickness or that sickness than they did twenty-four years ago, according to Mrs. Helen Jones, the school nurse. She believes the increase in traveling has caused the increase in illness.

Before arriving at West Essex, Mrs. Jones was the Head Nurse at Community Hospital in Montclair. She heard about the job at West Essex through word of mouth.

Looking back over the years, Mrs. Jones said, "The students are not as school-oriented as they were years ago." When talking about the past years, Mrs. Jones realized, "The time has gone rapidly. I have seen entire families of students go through the school. Now I'm seeing the second generation go through West Essex — sophomores whose parents went to West Essex. I don't think, though, that I'll live to see a third!"

Guidance

LET ME GIVE THAT A THOUGHT!: Seniors David Alworth, David Baker and Christopher Bonastia ponder an earth shaking question during lunch.

Mr. Byron Harmony
Director of Guidance

Sterling Memories:

Mrs. Helen DeGraw

Meatloaf and mashed potatoes was the most popular lunch when the school first opened. Now, it is not even served. Times do change. For example, five years ago Wessex students would not eat tacos, and today it is one of the favorites. Pizza was not at all popular twenty-four years ago; yet, it is today. The lines of students in the cafeteria waiting for pizza are enormous. How times do change.

School dietician, Mrs. Helen DeGraw, attributes this change to the rise of fast food in society. Before becoming West Essex's dietician, twenty-four years ago, Mrs. DeGraw worked at Barringer High School in Newark. She did not enjoy commuting every day, and was glad to be able to work at West Essex which is closer to her home.

Throughout the years, Mrs. DeGraw has noticed a change in the students' attitudes. "The students were very polite when we started. Then we went through a period of rudeness. Now we are back to a period of politeness as the students go through the lunch line," said Mrs. DeGraw.

Originally, there was a cafeteria staff of five. The staff has since grown to twenty-five between both schools. There has been very little change in the cafeteria staff over the years since most of the ladies are mothers.

One of the most memorable experiences in the cafeteria was the acquisiton of a milk shake machine eleven years ago. Milk shakes were served during lunch. However, four years ago, the machine was converted to a frozen yogurt machine, thus making frozen yogurt one of the more popular items. Yes, times do indeed change.

Sterling Memories:

Miss Corielle Vogel

Miss Corielle Vogel has taught at West Essex for twenty-five years, during which she has seen many changes in the school. "The students seem very responsible today. They are very serious-minded and anxious to become prepared to face the world and all of its problems," said Miss Vogel.

Before she began teaching here, Miss Vogel taught in private schools in New York and Massachusetts. She joined the Wessex staff because "it seemed like an excellent idea." Besides teaching Spanish, Miss Vogel is the advisor of both Spanish National Honor Society and American Field Services. AFS started the first year the school opened; however, Miss Vogel became the advisor three years ago.

Over the years, Miss Vogel noted that the enrollment in Spanish has increased enormously. "It is a nation-wide trend that people are interested in Spanish because it is spoken in such a vast geographic area, especially in South America, Latin America, and the Caribbean," says Miss Vogel. In order to keep up with the changing trends in teaching foreign language, she has attended workshops at the Taft School in Connecticut and at Columbia University.

One of Miss Vogel's most satisfying experiences was when she learned that several of her students were majoring in Spanish in college and doing well.

Sterling Memories:

Mr. Joseph La Cerva

Mr. Joseph La Cerva, A French and Italian teacher at West Essex, has been at West Essex for twenty-four years. Mr. La Cerva was invited to teach at West Essex before the actual building was even completed. At the time, Mr. La Cerva was living in Queens and did not want to commute to North Caldwell every day. However, he decided that teaching was what he truly wanted to do; consequently, he lived in Montclair during the week with his sister and returned to Queens on weekends. Finally Mr. La Cerva moved to New Jersey.

Mr. La Cerva found teaching at West Essex enjoyable for the first ten years. Since 1977, he has had to change his teaching methods to accomodate the change in the student. He finds that today an increasing number of students have trouble applying themselves and many are less inclined to work hard.

Mr. La Cerva's most memorable experience is the introduction of Italian courses at West Essex. After ten long years, he convinced the administration and the Board of Education of the program's merit and Italian was offered to the high school students. Twenty-four years ago, Mr. La Cerva always knew he would remain in the West Essex school district. In fact, many years ago, he thought that he would stay longer than he is now planning.

Sterling Memories:

Miss Roseanne Bowles

Miss Roseanne Bowles, a typing and shorthand teacher, has taught at West Essex for twenty-four years. She decided to teach at West Essex because the surrounding towns formed "such a fine community." During her past twenty-four years, Miss Bowles has seen great changes in her department. Typewriters, predominantly manual in 1961, have been replaced by faster, more efficient electric typewriters with built in correct-type. Today word processors are becoming increasingly popular.

Miss Bowles has changed her teaching style over the years. Today, she finds herself moving at a slower pace in her shorthand classes. Miss Bowles' most memorable experiences include working with students in the student store and working with students who have won full scholarships to business schools. Miss Bowles receives a great sense of accomplishment when former students return to West Essex and inform Miss Bowles that their typing and shorthand experience has aided them in college, in business schools, and in the work field. Miss Bowles never thought she would still be at West Essex today. She thought that she might have taught at a college level or entered the business field. Yet as, she said, "The years have passed quickly."

Mrs. Helen DeGraw
Dietician

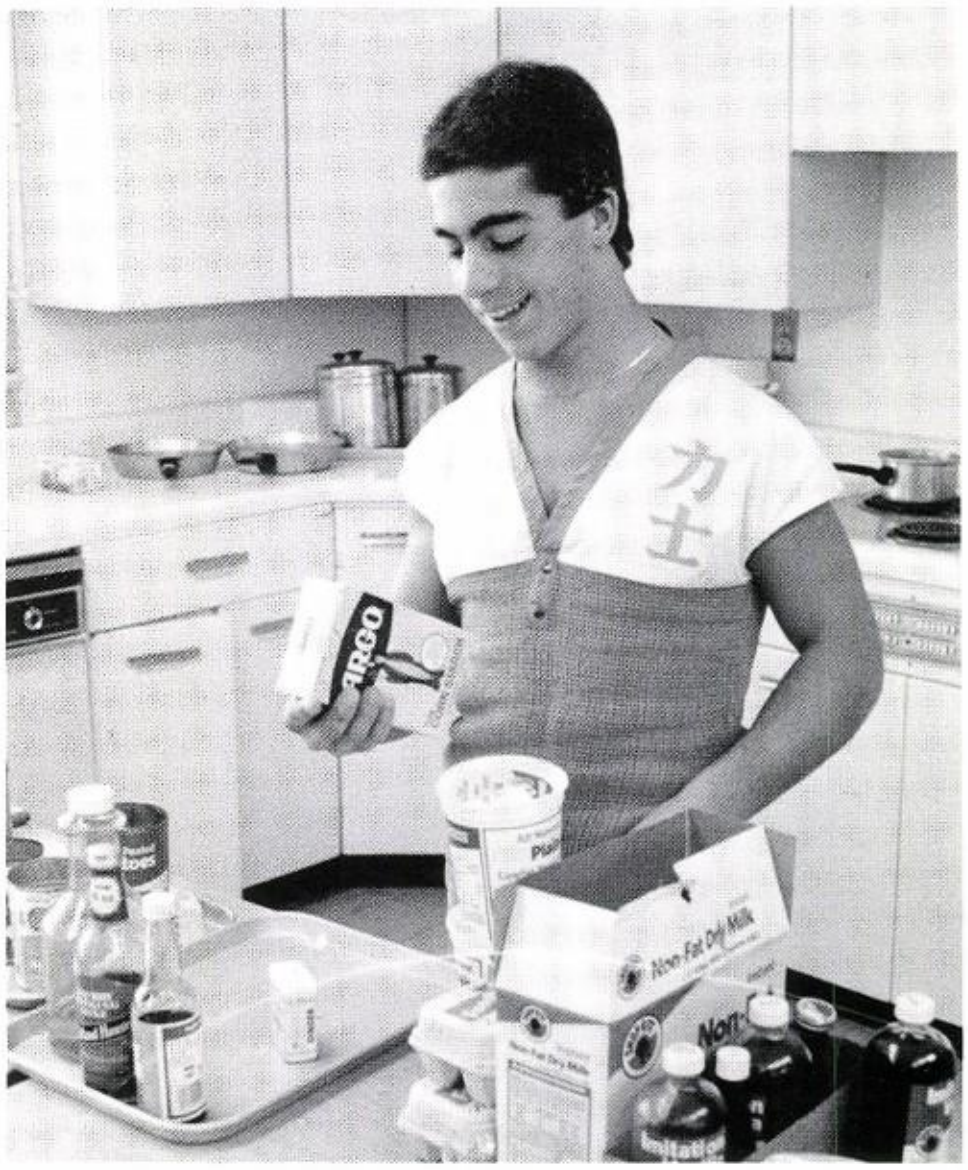
Cafeteria Staff

sitting (l to r): Josephine Piccolo, Gertrude Becker, Marietta Pescatore, Helen Podmokly. Middle Row: Frances Lento, Dorothy Haberbeck, Elizabeth Jacob, Erika Albrecht, Anne Losasso, Consetta Pascucci. Last Row: Audry Traute, Ella Vitencz, Marie Holck, Carol Scipio

ACTI

SOUND OF MUSIC: The chorus entertains their audience with a wide selection of songs.

BLOOD IS THICKER THAN WATER: Taryn Lynch and Michael Dorsey weigh the blood that was donated.



ESSENTIAL INGREDIENTS: David Serio checks his supplies before baking a masterpiece.

VITIES

CHEERS: Monica Neufang, Suzanne Kaup, Mike Colannino, and Allen Lerner make a toast.

"New Jersey's PREEMINENT BANK — since 1895"

Metropolitan. The only insurance companies you may ever need.

It's not uncommon for one family to have a variety of insurance policies from a variety of insurance companies.

But there is an alternative. You can satisfy your insurance needs through one source: Metropolitan Insurance Companies.

Presently, we are protecting 47 million people not only with life insurance but also with insurance plans for their health, auto, home and retirement.* And we continue to offer new products and ideas.

For example, our Whole Life PLUS policy gives you excellent permanent protection at affordable rates. Our home owner's policy gives you flexible deductibles. The IRA we offer, unlike many others, guarantees your principal and minimum interest rates. And in a survey, 89% of our auto policy holders expressed satisfaction with our claim service.

You can get more information just by calling your local Metropolitan Representative.

Ted Zoppo, Sales Representative
1200 Route 23 North, Butler, NJ 07405 • Telephone (201) 838-5889

METROPOLITAN REALLY STANDS BY YOU.

With a Peoples Bank Home Equity Account, a Check is the only Loan Application you'll ever need again.

You can open a Peoples Home Equity Account for amounts from $5,000 to $100,000 by using the equity on your home as your financial resource. Then you simply write checks for $500 or more for whatever purpose you like. Why not call our commercial lending department today to unlock this major financial resource.

It is not even the
beginning of the end.
But it is, perhaps,
the end of the beginning.
— Sir Winston Churchill

Milestone

Advisor
Stanley Scher

Business Manager
Robert Musetti

Editors-in-Chief
Heather Alexander
Lauren Apolito
Julie Garland

After all those endless hours of discussing, planning, designing, and laying-out the 1985 **Milestone,** we cannot seem to believe it is finally completed. This year has been very special for the three of us, not only because we are graduating, but also because we have had the opportunity to honor West Essex on her 25th anniversary. We believe this edition of the **Milestone** captures the spirit and vitality of our sterling silver year.

We would not have been able to complete the **Milestone** without the help and understanding of many people, all of whom we would like to thank.

— the faculty for your co-operation.

— Mr. Walter Weig for all the computer print-outs.

— the secretarial staff for bearing with us as we borrowed typewriters, scissors, and white-out, made countless telephone calls, and searched for students' schedules.

— Donna Griffoul for always being ready with your camera and knapsack full of film when we needed you.

— Robert Musetti for handling the finances and for miraculously helping the **Milestone** stay "in the black" after we spent and spent.

— our staff for their contributions, especially Kim Marasco, Sharon Pestka, Jen DeSimone, Lisa Edge, Phedra Rudell and Amy Weinhouse.

— Mr. Charles Paglieri and Mr. Malcolm Simpson for always finding the time to talk to us, to encourage us, and to support us. We greatly appreciate your concern.

— Alex Baranowsky for your fantastic pictures. You certainly deserve a coffee break!

— Mr. Harold Beim of Beim Photographers for the prompt delivery, the excellent quality, and the good advice on the color section. We will always remember meeting in the back seat of the car!

— Mr. Bill Tilley of Hunter Publishing Company for teaching us how to draw layouts and, of course, how to crop pictures! We could have never been able to produce the **Milestone** without your great advice, your patience (especially with all the proof "mistakes"), and your sarcastic sense of humor. Thanks a lot for all you've done.

— Our parents for understanding our "deadline all-nighters."

— Most of all, we would also like to thank our advisor, Mr. Stanley Scher. We cannot express in words the gratitude we feel for all you have done. Without you, the 1985 **Milestone** would still be just a dream. You are more than just an advisor, you are a true friend. We love you!

Throughout our three years in the high school we have constantly been asked why we devote so much of our free time to the **Milestone.** The answer is simple — we enjoy doing it. The pleasure and satisfaction we received upon viewing our finished product has made all the hard work and long hours more than worthwhile. There is a little bit of the three of us in this book; we hope that each of you can find a bit of yourself.
